School Performance Best Practices	
1. In 250 words or less, what best practices are employed by the school that have contributed significantly to the academic success of students? Our school's academic success has been driven by a set of interconnected best practices centered on culture, clarity, and capacity-building. First, we have prioritized a responsive-to-data culture, using regular data cycles to identify student needs early and adjust instruction in real time rather than waiting for end-of-unit or end-of-year results. This data-driven approach is paired with an improved adult culture focused on results, where staff hold shared ownership over outcomes and use data conversations to drive collective problem-solving rather than individual accountability alone. We've also worked deliberately to increase clarity of expectations for both adults and students, ensuring that instructional practices, behavioral norms, and academic goals are consistently understood and reinforced across classrooms and grade levels. On the instructional side, we implemented the CourseMojo AI tool in middle school to support all learners within our Wit and Wisdom ELA curriculum, providing differentiated scaffolds and practice that meet students where they are. We also added summer school programming at Elm City elementary and middle school levels to prevent learning loss and provide additional support for students who need it most. Finally, we've invested in our people: a strong focus on talent development and retention ensures experienced, well-trained staff remain in our building, and we've participated in shared cohort professional development with CT principals and academic deans throughout the year to strengthen instructional leadership across our network.	
2. What is the school intended to improve through its best practices? Through our best practices, Elm City intends to improve academic achievement by using data-driven instruction and clear expectations to strengthen learning outcomes for all students. The school also aims to increase its effectiveness in meeting the needs of all learners, ensuring tools like the CourseMojo AI platform and summer school programming reach students at every level of readiness. Equally important is the school's commitment to continuing to develop and retain teacher and leader talent, recognizing that sustained academic gains depend on a stable, well-trained staff. Investments in professional development and shared leadership learning across the CT network support this goal directly.	

Finally, these efforts are intended to drive strong student retention and fuel public demand, reflected in growing family waitlists. When families see consistent academic results and responsive support for their children, they are more likely to stay enrolled and recommend the school to others — reinforcing its reputation and long-term sustainability.

3. How does the school provide evidence that the best practices are yielding an improvement?

The school provides evidence of improvement through multiple, complementary sources rather than relying on a single measure. One key source is "bright spot" classrooms, where strong practices are visibly translating into student outcomes — evidence that extends beyond this charter to patterns observed across our broader network of 10 schools and 4 charters, reinforcing that these practices are effective and replicable.

The school also gathers evidence by examining student work directly, using it to identify concrete signs of growth over time in skills, understanding, and application of learning — providing a tangible, ground-level view of progress that complements broader data trends.

Finally, the school captures qualitative evidence by listening directly to its community, gathering feedback from students, teachers, and parents through surveys and listening sessions. This input offers insight into how improvements are being experienced day-to-day, surfacing perceptions of culture, support, and instructional quality that quantitative data alone may not capture.

SECTION 1: SCHOOL PERFORMANCE

1. School Goals: State the school's mission/vision or value statement. Provide the school's mission-specific, measurable goals. Describe your signature approach to family engagement and community outreach that has successfully diversified your student population and ensured meaningful inclusion of underrepresented groups. Describe your efforts to address and improve chronic absenteeism. Describe school progress toward these goals and analyze the effects of providing data as appropriate.

MISSION STATEMENT

Achievement First Public Charter Schools prepare every student to excel in college and career, deepen their knowledge of self and community, and lead lives of purpose. In partnership with our families and communities, we work to disrupt the legacy of inequity in education.

Goal Statement	Evidence of Progress Toward Target Goals
1. Family Engagement Approach Families will show 95% favorable ratings on our engagement survey, or schools will improve favorable ratings by at least 2 percentage points each year until they get there.	91% of Elm City College Prep families showed favorable ratings on our Spring 2026 Family Survey. We will continue to work with families to increase this percentage by the end of the 2026-27 school year.
2. Community outreach that has successfully diversified your student population and ensured meaningful inclusion of underrepresented groups 100% of outreach and recruitment materials will be available in multiple languages and offered in both print and digital formats, with outreach strategies intentionally designed to engage underrepresented communities.	1. 100% of recruitment and outreach materials are available in multiple languages and in both print and digital formats. 2. Documentation of community outreach activities and partnerships with organizations serving underrepresented populations.
3. Efforts to improve Chronic Absenteeism Each school will work toward and maintain a chronic absenteeism rate below 15%. For schools currently above 15%, this will be achieved through an annual reduction of at least 8 percentage points, continuing year-over-year until the 15% threshold is reached. Schools already below 15% will maintain their rate below that threshold, with continued improvement encouraged where feasible.	We have made significant improvement over the past several years, going from 51.2% of our students chronically absent in 2021–22 to 25.8% in 2024–25. While this is evidence that our strategies are working, we recognize that there is more work to do. We will continue revisiting, improving, and enforcing our strategies to bring this number down further and meet our school's goal.

2. School Performance: Summarize the key practices and strategies that have contributed to student achievement, as measured by the Next Generation Accountability Index. Identify the achievement indicators that remain areas for continuous improvement based on the school's performance on the Next Generation Accountability Index.

Elm City College Preparatory School's instructional program is grounded in rigorous, standards-aligned instruction; high-quality instructional materials (HQIM); data-driven lesson planning and assessment; targeted intervention and enrichment; and teacher coaching and professional development. Teachers use formative and summative assessments, student work analysis, and regular data-review cycles to identify instructional priorities, plan reteaching, and determine additional supports. Strategies include weekly classroom observations, differentiated professional development, biweekly assessments with reteach plans, co-teaching, small-group instruction, and daily math and reading intervention in middle school. The school's College & Career programming also includes Match & Fit advising, college and career exposures and experiences, academic preparation, SAT readiness, and alumni support.

Elm City's 2024–25 Next Generation Accountability results show several areas of positive performance and improvement. One hundred percent of students participated in qualifying college- and career-readiness coursework, exceeding the 75% state target for each of the three years reported. Postsecondary entrance increased from approximately 70% in 2023–24 to 82% in 2024–25, exceeding the 75% target. The six-year graduation rate for students with high needs was approximately 97%, exceeding the 94% target. Physical fitness assessment participation also remained above the 90% target, while the fitness rate increased across each of the three years reported. Arts access similarly increased each year, from approximately 25% in 2022–23 to 43% in 2024–25, and chronic absenteeism declined for both all students and students with high needs over the same period.

Areas for continuous improvement remain across several indicators. In 2024–25, ELA, mathematics, and science achievement remained below the Performance Index target of 75, and academic growth and progress toward English proficiency remained below the 100% growth target. Chronic absenteeism remained above the 5% target despite continued declines. While college- and career-readiness course participation remained at 100%, the percentage of students passing qualifying exams remained below the 75% target. The percentage of ninth-grade students on track to graduate declined to approximately 18%, and the four-year graduation rate declined to approximately 77%, both below the 94% target. Physical fitness outcomes and arts access also remained below their respective state targets.

Elm City will continue its focus on staff stability, early intervention, and staff development, including expanded content-specific coaching for new ELA teachers and ELA deans, tailored professional development, earlier intervention cycles, reinforcement of IXL and spiral review practices in mathematics, stable co-teaching assignments, and targeted support for foundational skills and classroom management.

SECTION 2: STEWARDSHIP, GOVERNANCE, AND MANAGEMENT

1. Financial Documents: As required by C.G.S. § 10-66cc(b)(2) and 10-66pp, the charter school, and if applicable, the charter school management organization of the state or local charter school, (1) shall submit FY 2024-2025 certified audit statements, including the statement of activities showing all revenues from public and private sources, expenditures, and net operating gain/loss, balance sheet and statement of cash flows; (2) the charter school and if applicable, the charter school management organization of the state or local charter school, shall submit a complete copy of the most recently completed Internal Revenue Service form 990, including all parts and schedules, **other than Schedule B** of such form; (3) provide the FY 2025-2026 budget; and (4) provide a FY 2026-2027 board-approved budget.

2. Financial Condition: Provide the following financial data for FY 2024-2025

Total margin (net income/total revenue):	-8.85%
Debt to asset ratio (total liabilities/total assets):	8%
Debt service coverage ratio (net income + depreciation + interest expense)/ (annual principal + interest, and lease payments):	0.19
Current asset ratio (current assets/current liabilities):	3.78
Days of (unrestricted cash/((total expenditures-depreciation)/365)):	0
Cash flow (change in cash balance):	- 1,535,767

3. Governing Board: Consistent with C.G.S. § 10-66bb(d)(3)(A), provide the information below for all governing board members. The governing board should include teachers, parents, guardians of students enrolled in the school, and the chairperson of the local or regional board of education of the town in which the charter school is located and which has jurisdiction over a school that resembles the approximate grade configuration of the charter school, or the designee of such chairperson, provided such designee is a member of the board of education or the superintendent of schools for the school district, or the superintendent's designee.

4. Stewardship, Governance, and Management Best Practices:

Describe your charter school's most effective organizational systems that ensure financial sustainability, operational excellence, and robust accountability.

Detail your governance structures, fiscal oversight mechanisms, and management practices that have demonstrably strengthened the school's health and performance outcomes.

Explain why these specific approaches were implemented, connecting them to your school's mission and strategic priorities. Present concrete evidence of their effectiveness using key performance indicators, audit results, operational metrics, and stakeholder feedback that demonstrate measurable improvements.

Include examples of productive partnerships with local districts that have enhanced your governance practices or operational efficiency.

Focus on high-impact initiatives rather than comprehensive coverage, limiting your response to 500 words while providing specific, evidence-based insights.

Financial Sustainability: Our budget planning process includes conservative revenue and expense assumptions and we develop budget targets for schools to remain in overall operating budget balance. We update our forecasts monthly and report on financial results and forecasts to the board at least quarterly. We use the Workday Adaptive system for budget planning fed by actuals from Sage Intacct for our core accounting and bookkeeping functions.

Fiscal Oversight: AF has sound fiscal practices and policies which are regularly updated and staff are regularly trained on our policies and procedures. We maintain segregation of duties for key financial functions and regularly report on financials to our board as well as ensure board approval of large purchases. At Elm City, we are strengthening the Finance Committee by adding members with relevant financial expertise to enhance financial oversight, deepen understanding of financial results, and support informed financial decision-making.

Financial Practices Effectiveness: We have consistently received unmodified opinions from our auditors and, supported by substantial philanthropy, have maintained sustainable operations in Connecticut despite very limited per pupil rate increases from Connecticut over the past decade. These financial systems and governance practices support responsible stewardship of resources and provide leaders with the information needed to make timely, sustainable financial decisions.

Governance and Community Partnerships: Under the leadership of our Executive Director, who serves as head of the Connecticut Region, we have adopted a more proactive and consistent approach to external communication and engagement, particularly with local Boards of Education. This investment has strengthened relationships with key Connecticut stakeholders and positioned AF to support effective stewardship and accountability through stronger local engagement.

SECTION 3: STUDENT POPULATION

1. Enrollment and Demographic Data: Provide 2025-2026 student demographic and enrollment information.

Grades Served:	K-12	Percentage of American Indian or Alaska Native:	0.0%
Student Enrollment:	758	Percentage of Asian:	0.1%

2. Enrollment Efforts: Summarize the school's efforts to attract, enroll, and retain a diverse student population that reflects the demographics of the community. Describe strategies aimed at reaching and serving students of color, low-income families, English learners/multilingual learners and students with disabilities. Include outreach initiatives, inclusive enrollment practices and support systems designed to promote equitable access.

ECCP serves a diverse student population reflecting the surrounding region. In 2025–26, total enrollment was approximately 758 students. The student body includes 84.5% eligible for free or reduced-price lunch, 14.5% Multilingual Learners, and 11.6% students receiving special education services. The racial and ethnic composition includes 57.1% Black or African American students, 38.4% Hispanic/Latino students, and 2.0% White students. Over the past three years, enrollment has remained relatively stable, with a gradual increase in Hispanic/Latino representation and rising levels of economic disadvantage.

To attract and enroll students, ECCP conducts outreach through information sessions, open houses, community partnerships, neighborhood canvassing, and targeted communications with families across the region. To support equitable access and retention, ECCP provides targeted supports for Multilingual Learners through language services, family engagement, and multilingual communication, while students with disabilities benefit from Tier 2 and Tier 3 interventions, differentiated supports, and ongoing family partnership designed to promote student success and persistence.

3. Waitlist Data: Provide waitlist totals below, illustrating demand and community support for the school.

2026-2027 Waitlist:	2027-2028 Waitlist:
30	22

4. Student Population Best Practices: Outline your charter school's most effective strategies for advancing educational equity through targeted recruitment, enrollment, and retention initiatives. Present specific evidence of impact through enrollment demographics, retention statistics that demonstrate measurable progress toward equity goals. Include any notable collaborations with local districts that have enhanced your ability to serve diverse learners effectively. Focus on your most innovative and impactful practices rather than attempting comprehensive coverage, keeping your response focused and within the space provided below.

ECCP advances educational equity through targeted recruitment, enrollment, and retention strategies designed to serve historically underserved students and reduce racial, ethnic, and economic isolation. In 2025–26, ECCP served 758 students, including 14.5% Multilingual Learners and 11.6% students receiving special education services. The student population is 57.1% Black and 38.4% Hispanic/Latino, and ECCP serves a 25.6% higher proportion of Black students compared to the New Haven Public Schools district. Over the past three years, enrollment has remained stable while the proportion of economically disadvantaged students has increased, with 84.5% of students eligible for free or reduced-price lunch.

Recruitment and enrollment efforts include ongoing regional outreach and continued enrollment activity beyond the lottery period, with additional offers made as seats become available and sustained applicant interest reflected in waitlists and increased applications at the elementary level.

Retention is supported through structured family engagement systems, including annual “Intent to Return” surveys and ongoing feedback loops that inform school improvement efforts. ECCP also monitors attrition trends across schools (ES: 12.8% to 1.9% YTD; MS: 16.9% to 5.0% YTD; HS: 14.5% to 7.5% YTD) to identify patterns and strengthen student supports. Cross academy partnerships and family engagement support matriculation from 4th to 5th grade and 8th to 9th grade.

ECCP further supports equity through targeted services for Multilingual Learners and students with disabilities. MLL supports include formal identification and assessment processes, family engagement with program leadership, multilingual communication, and staff professional development grounded in an assets-based approach to multilingualism. Students with disabilities are supported through Tier 2 and Tier 3 interventions, individualized supports, and ongoing family partnership designed to improve access, persistence, and academic success.

SECTION 4: STUDENT POPULATION

1. Legal Compliance Best Practices: Describe your charter school's systematic approach to maintaining regulatory compliance across all operational domains. Highlight your most effective frameworks for ensuring adherence to laws governing special education services, multilingual learner supports, and protection of student and employee rights. Detail specific compliance mechanisms—including policy development processes, staff training programs, and internal monitoring systems—that have proven especially successful in your school context. Present relevant compliance metrics, audit outcomes, and stakeholder feedback demonstrating your commitment to legal obligations and ethical practices. Include examples of productive collaborations with local districts that have enhanced your compliance efforts through resource sharing, professional development, or coordinated service delivery. Focus on distinctive practices rather than exhaustive documentation, prioritizing evidence-based insights within the 250-word limit.

ECCP maintains a structured, system-wide approach to regulatory compliance grounded in federal and state requirements operationalized through governance oversight, annually reviewed policies, and continuous monitoring systems. Core policies are documented in staff and family handbooks, which are reviewed each year to ensure alignment with evolving legal and operational expectations and to reinforce consistent implementation across the school community.

Across student services, ECCP ensures protection of student rights through strict adherence to FERPA (20 U.S.C. §1232g; Part 99), Connecticut non-discrimination statutes (C.G.S.A. §10-15c), and constitutional due process protections. Discipline procedures require pre-suspension meetings to safeguard procedural fairness, including additional protections for students with disabilities. Student incident, suspension, and removal data are tracked through Kickboard and iCart, enabling ongoing review of trends and identification of compliance concerns over time.

In special education, ECCP maintains active coordination with the local education agency (LEA) and engages in weekly communication to resolve IEP compliance issues identified through CT-SEDS. This partnership ensures timely correction of non-compliant IEPs and supports coordinated service delivery for students with disabilities.

For multilingual learners, ECCP has implemented centralized credential screening for candidates under the oversight of the Senior Director of Multilingual Learners, ensuring TESOL requirements are met prior to hiring. Staff receive ongoing professional development focused on Tier 1 instruction, scaffolding, and differentiated supports, while the school continues targeted recruitment efforts to meet bilingual education statutory requirements.

Compliance systems are reinforced through structured hiring protocols, ongoing professional learning, and regular data cycles. Together, these mechanisms ensure adherence to legal obligations while supporting equitable access and the protection of student rights across all programs.

5. Renewal Conditions and Terms: Detail your charter school's advancement toward fulfilling the renewal conditions established during your most recent charter renewal process or addressing specific terms identified by the Connecticut State Department of Education. Present a comprehensive overview of implemented initiatives, strategic actions, and measurable outcomes that demonstrate your institution's meaningful progress toward resolving these identified areas for improvement. Include relevant performance metrics and evidence-based results that substantiate your school's efforts and commitment to addressing each condition. The section below contains a pre-populated chart of your school's specific renewal conditions or terms, which you should reference when documenting both completed work and forthcoming strategic plans designed to satisfy outstanding requirements.

Standard	Renewal Conditions and Terms:	Progress Update:
Academic Achievement	ECCP was required to submit a plan focused on continuous improvement in teaching and learning, including targeted strategies to support students in being on-track for high school graduation and strengthen learning outcomes of ELs/MLs, and specific goals to advance and reinforce learning with specific attention to students' ELA and Math performance. ECCP must continue efforts to strengthen students' foundational academic skills and enhance instructional practices that deliver student-centered, growth-oriented learning experiences, ensure equal access to programming, advance student progress toward English language proficiency, improve student outcomes in academic achievement, and promote continuous academic improvement.	ECCP is aware of the requirement to develop and submit a continuous improvement plan in teaching and learning by the August 31, 2026 deadline and is engaged in ongoing work to strengthen instructional practice and student outcomes in preparation for that submission. Current results demonstrate strong performance for high-needs students, including ELA Performance Index scores that have consistently exceeded the state average over the past three years (57.5 compared to 54.9) and a Math Performance Index that exceeded the state in 2024–25 (51.3 compared to 50.6), with Math growth increasing from 25.5% in 2021–22 to 33.6% in 2024–25. These outcomes are supported by data systems and instructional monitoring structures that track student progress and inform continuous improvement in teaching and learning. ECCP continues to focus on improving ELA and Math achievement for all students, advancing English language proficiency for EL/ML students, and ensuring students remain on track for graduation through timely identification of learning gaps and aligned supports. To strengthen on-track-to-graduation outcomes, schedule changes have been implemented at the high school level to ensure all 9th grade students are supported to earn 7 credits in their first year, exceeding the state's 6-credit indicator.
Governance and Management	The school was to submit a plan focused on modifying policies and practices relating to governance, oversight expectations, stewardship, financial management, open meetings, and information management.	We are working closely with the AF Elm City Board Chair and Board to be on track to meet all of the conditions that have been outlined for Governance and Management. The following outline some of the key actions we have taken to date and will continue to take: - Currently modifying the BPPM to be reviewed and ratified by the due date - Supporting the Board Chair with Board cultivation to ensure all Board seats are filled, including the teacher and family representatives

		- Ensuring there are 6 scheduled board meetings for the 26-27 SY - Ensuring that the Finance Committee Chair oversees and runs the Finance committee meetings - Ensuring that all Board minutes are marked as draft and posted until ratified by the Board in a subsequent meeting - Supporting the Board Chair to ensure there is an annual Board training for all Board members - Ensuring there is an annual CMO review, which took place for the 25-26 SY, by the Principal(s) of the charter - Ensuring all of our fiscal policies and manual are up to date and in compliance
Demographic Representation	The school was to submit a plan for continuous improvement focused on recruitment and retention strategies for students who are currently underrepresented within the demographics of the school.	We are committed to reducing the barriers families may encounter throughout the enrollment process. This includes improving the accessibility of recruitment and enrollment materials by offering them in languages other than English, so that families can engage with our process in the language they are most comfortable with. We are also working to ensure that information about special education services and other support resources are shared proactively rather than only in response to a family's question. Our goal is to support families in feeling informed and supported throughout the entire enrollment journey from the very beginning of their relationship with us.
Students with Disabilities	The school was to submit a plan focused on ensuring operational compliance related to the provision of services and support for the school's students with disabilities population and on the continuous improvement of practices related to special education.	We will submit the required improvement plan addressing operational compliance and the continuous improvement of special education practices by the designated deadline of August 31, 2026.
Chronic Absenteeism	In 2023-24, ECCP had a chronic absenteeism rate of 29.9%, compared to the state rate of 17.7%. In 2024-25, ECCP's rate decreased to 25.8%, whereas the state rate was 17.2%. The school was required to submit a plan focused on reducing chronic absenteeism and should continue efforts to lower the chronic absenteeism rate.	Chronic absenteeism has steadily improved over the past three years, decreasing from 33.2% in 2022-23 to 25.8% in 2024-25. This consistent decline reflects stronger student attendance and meaningful progress toward reducing chronic absenteeism across the charter. ECCP promotes student attendance and engagement through consistent family communication, proactive attendance monitoring, individualized attendance plans, targeted interventions, and school-wide incentive systems across all academies. Strategies such as advisor outreach, attendance tracking, celebrations, dress-down days, field trips, and weekly attendance incentives have helped strengthen student accountability, increase engagement, and improve attendance outcomes, particularly among students with historically high rates of absenteeism. ECCP will continue to strengthen these efforts through ongoing attendance monitoring, family engagement, and

		targeted supports to further reduce chronic absenteeism and improve student outcomes.
School Culture and Climate	ECCP's suspension rate for the 2023-24 school year was 5.8%, whereas the state rate was 7.0%. The school's rate for the 2024-25 school year was 8.7%, whereas the state rate was 6.8% The school was to submit a plan to reduce suspensions and should continue efforts to review student data, examine alternatives to exclusionary discipline, and assess positive behavior supports for students.	ECCP has established systems for collecting and analyzing behavioral data through ClassDojo and Kickboard, which track behavioral incidents by type, location, and time and inform school-wide and grade-level decision-making. School leaders regularly review behavioral trends to identify patterns, implement proactive Tier 1 strategies, and provide targeted supports for students requiring additional intervention. These efforts are reinforced through discipline huddles, where school and network leaders review incidents, determine appropriate interventions, and engage families in supporting student success. In addition, principals, academic leaders, and culture leaders participate in data deep dives to analyze behavioral trends and address disparities. We also partner with network school climate support leads to ensure strong implementation of behavior systems and policies. ECCP's suspension rate was 5.8% in 2023-24, below the state average of 7.0%, and 8.7% in 2024-25, above the state average of 6.8%, reflecting an area for continued focus. ECCP will continue strengthening its behavior systems, data practices, and family engagement strategies to improve student outcomes and school climate.
English Learners/ Multilingual Learners	The school was to submit a plan focused on the education of ELs/MLs and rights of EL/ML student households. ECCP must continue to ensure compliance in the provision of services and supports to students designated with the status of English learner and demonstrate the continuous improvement of supportive practices related to EL/ML students and student households.	Achievement First remains committed to ensuring compliance in the provision of services and supports for English Learners/Multilingual Learners (ELs/MLs) and protecting the rights of EL/ML students and their households. The organization continues to strengthen systems that support high-quality instruction, language development, family communication, and regulatory compliance. To address ongoing staffing shortages, Achievement First continues to actively recruit certified TESOL and bilingual educators while expanding internal certification pathways through the ACES ARCTEL TESOL program. Staff participating in the program receive organizational support and commit to remaining with Achievement First for two years following certification. Additionally, the MLL Department has established retention efforts focused on supporting and retaining qualified MLL staff. To ensure fidelity of services, the MLL Department regularly reviews student identification, service delivery, schedules, language proficiency data, and compliance requirements. School leaders and MLL staff collaborate to ensure all identified students receive appropriate language development services and supports.

		Achievement First is also investing in continuous improvement through ongoing professional development for both MLL specialists and general education staff. Training focuses on effective Tier I instruction, differentiation, scaffolding, co-planning, WIDA implementation, and the responsible use of approved AI tools to increase access to grade-level content for multilingual learners. To strengthen progress monitoring, Achievement First will implement ELlevation Benchmark Assessments to measure language acquisition growth throughout the school year. Benchmark data will be used alongside ACCESS results and academic performance indicators to inform instruction and interventions. The organization is also introducing Medley Learning, a tool that provides real-time language and content scaffolds tailored to a student's native language, English proficiency level, and grade level, increasing access to rigorous academic content. Achievement First remains committed to continuous improvement through strategic hiring, staff development, data-driven decision-making, family engagement, and cross-departmental collaboration to ensure EL/ML students and their households receive equitable access to services, supports, and educational opportunities.
Teacher/Staff Credentials	The school was required to submit a plan focused on ensuring legal compliance and on improving practices related to talent recruitment, development, and retention. As of April 24, 2026, the Bureau of Educator Standards and Certification reported 4 staff out of compliance. In the Educator Data System for the 2025-26 school year, 4 staff have no active certificate/authorization or permit on file. In accordance with state statutes, schools are responsible for ensuring that 100% of their staff hold the appropriate certificates, permits, or authorizations within the mandated credentialing requirements for their assigned roles, and that all required instructional positions are appropriately staffed.	Certification: ECCP is developing a corrective action plan to ensuring legal compliance and on improving practices related to talent recruitment, development, and retention by August 31, 2026. As of 6/30/26, 1 educator was out of compliance and did not hold an appropriate certificate. The charter has taken appropriate action to ensure these employees are fully certified for the 26-27 school year. TEAM: AF is invested in beginning teacher development. During the 25-26 school year, Elm City's TEAM program had 6 beginning teachers, who were all matched with a mentor. We offered 3 modules throughout the school year, held a Module 5 meeting, and 3 teachers fully completed their TEAM requirements. We are actively working to add TEAM reviewers for the 26-27 school year. Our Team District Facilitator is a committee member for the state-level TEAM Advisory committee.

The Connecticut State Department of Education's charter school performance framework establishes transparent accountability standards aligned with both state law and National Association of Charter School Authorizers' best practices. These four comprehensive performance standards—with their specific indicators—serve as the foundation for evaluating charter school effectiveness and sustainability. This robust framework guides all phases of the CSDE's oversight process, from initial charter approval through annual monitoring and renewal decisions, ensuring consistent, evidence-based evaluation of each school's educational impact and organizational viability.

Performance Standards:

1. **School Performance:** Is the school a successful model resulting in strong student outcomes and a positive school climate?
2. **Stewardship, Governance, and Management:** Is the school financially and organizationally healthy and viable?
3. **Student Population:** Is the school promoting equity by effectively attracting, enrolling, and retaining students, particularly among targeted populations?
4. **Legal Compliance:** Is the school acting in compliance with applicable laws and regulations?

Independent Auditor's Report

To the Board of Directors
Elm City College Preparatory, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Elm City College Preparatory, Inc., which comprise the statement of financial position as of June 30, 2025, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Elm City College Preparatory, Inc. as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Elm City College Preparatory, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elm City College Preparatory, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Elm City College Preparatory, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Elm City College Preparatory, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Reported on Summarized Comparative Information

We have previously audited Elm City College Preparatory, Inc.'s June 30, 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 13, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary schedules of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State Single Audit Act (C.G.S. Sections 4-230 to 4-236), are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the schedules of expenditures of federal awards and state financial assistance are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 23, 2025, on our consideration of Elm City College Preparatory, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Elm City College Preparatory, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Elm City College Preparatory, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements June 30, 2025

Note 1 - Nature of operations

Elm City College Preparatory, Inc. (the "School") was incorporated to prepare every student to excel in college and career, deepen their knowledge of self and community, and lead lives of purpose. In partnership with their families and communities, the School works to disrupt the legacy of inequity in education. On March 3, 2004, the Board of Education of the State of Connecticut granted the School a charter which has been renewed through June 30, 2026. The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "IRC"). The School's primary sources of income are per pupil and other government funding. Today the School serves students from low-income households in New Haven, Connecticut. In fiscal year 2025, the School operated classes for students in grades K-12.

Note 2 - Summary of significant accounting policies

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the School and changes therein are classified and reported as follows:

Net assets without donor restrictions represent available resources other than donor-restricted contributions. Included in net assets without donor restrictions are funds that may be earmarked for specific purposes.

Board-designated net assets represent net assets established by the Board of Directors, which represents funds without donor restrictions set aside for future needs of the School. The School aspires to have a reserve of 2.5% of its annual budget at any time. Cash basis operating surpluses, if they exist at year-end, may be used to accumulate the board-designated reserve. Utilization of the reserve may be approved by the Board of Directors and used for emergency funds in case of an unexpected financial crisis, start-up costs for growth needs, facility capital requirements, principal-in-residence salaries and one-time projects which have significant future potential. The reserve balance will be generated from the School's budgeted per-pupil operating revenue, excluding state and federal nonoperating grants.

Net assets with donor restrictions are subject to donor- (or certain grantor-) imposed restrictions which are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Statement of cash flows

For purposes of reporting cash flows, the School considers all highly-liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2025.

Building reserve

The building reserve at June 30, 2025 was \$347,000. The School is required to fund a building reserve under the loan agreement entered into on May 13, 2021. Beginning June 1, 2021, the School is required to make monthly deposits in the amount of \$3,000 into the reserve. The reserve is maintained in a separate cash account. The building reserve will be maintained for the life of the loan. Upon approval by the lenders, funds may be used for capital improvements.

Elm City College Preparatory, Inc.

Notes to Financial Statements June 30, 2025

Grants and other receivables

Grants receivable represent amounts owed to the School for federal or state funding. There are \$149,535 in grants receivable at June 30, 2025.

Revenue recognition

Contributions and grants

Contributions are classified as either conditional or unconditional. A conditional contribution is a transaction where the School has to overcome a barrier or hurdle to be entitled to the resource and the resource provider is released from the obligation to fund or has the right of return of any advanced funding if the School fails to overcome the barrier. The School reports unconditional promises to give as revenue when the promise is received. Conditional promises to give are recognized as revenue when the condition is met. Grants and contributions received are recorded as with or without donor restrictions depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and changes in net assets as net assets released from restrictions. Donor-restricted contributions whose conditions and restrictions are met in the same reporting period have been reported as support increasing net assets without donor restrictions in the statement of activities and changes in net assets.

Grants may be considered an exchange transaction or a conditional/unconditional promise to give. Federal, state and private awards are used to finance education programs and capital improvements. The School recognizes conditional grants to the extent that eligible grant costs are incurred. Receivables are recognized to the extent costs have been incurred, but not reimbursed for conditional grants. Unconditional grants are recognized upon receipt of notification of the award. Receipts of grant awards in advance, which are payable back to the funding agency if not used, are classified as refundable advances in the accompanying statement of financial position.

The School receives a substantial portion of its support and revenue from the State Department of Education. If the charter school laws were modified, reducing or eliminating these revenues, the School's finances could be materially adversely affected.

Lessor

When the School enters into a contract or amends an existing contract, the School evaluates whether the contract meets the definition of a lease. To meet the definition of a lease, the contract must meet all three criteria: (i) One party (lessor) must hold an identified asset; (ii) The counterparty (lessee) must have the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of the contract; and (iii) The counterparty (lessee) must have the right to direct the use of the identified asset throughout the period of the contract.

For leases the School enters into after July 1, 2022, the School determines lease classification at commencement date. Leases not classified as sales-type or direct financing leases are classified as operating leases. The primary accounting criteria the School uses that results in sales-type lease classification are (a) the lease transfers ownership of the underlying asset to the lessee by the end of the lease term, (b) the lease grants the lessee a purchase option that the lessee is reasonably certain to exercise, (c) the lease term is for a major part of the remaining economic life of the underlying asset and (d) the present value of the sum of the lease payments and residual value guarantee from the lessee equals or exceeds substantially all of the fair value of the underlying asset. When none of the sales-type lease criteria have

Elm City College Preparatory, Inc.

Notes to Financial Statements June 30, 2025

been met, leases are classified as direct financing leases when the present value of the sum of the lease payments and residual value guarantee purchased from a third party equals or exceeds substantially all of the fair value of the underlying asset.

Base rental revenues from rental properties are recognized on a straight-line basis over the terms of the related leases. If the collectability of future lease payments is not probable, the School recognizes revenue at the lesser of: (1) straight-line lease income, plus variable lease payments, or (2) lease payments, including variable lease payments collected.

Contract revenue

Contract revenue is primarily derived from special education services provided by the School to students from the City of New Haven and surrounding towns that are sent to the School.

The School charges the City of New Haven and surrounding towns for special education services based on the services prescribed in each student's individualized education plan. The School bills the towns quarterly for reimbursement of the costs of special education services provided, which are treated as a single performance obligation. The special education services are provided continuously over the course of the School year. Revenue is recognized by the School quarterly based on meeting the performance obligations. Invoices related to these services do not have any payment terms.

The portion of services provided, but not yet paid by the towns is recorded as accounts receivable and is reported as an asset on the statement of financial position. The outstanding receivable balance related to these services was \$581,579, \$197,835 and \$0 as of June 30, 2025, 2024 and 2023, respectively.

Donated goods and services

The School occasionally receives contributed goods and services. Such goods and services are only recorded as in-kind contributions at their fair value, provided they meet the criteria for recognition. Such criteria include contributions of services that (i) create or enhance nonfinancial assets or those that require specialized skills, (ii) are provided by individuals possessing those skills, and (iii) would typically need to be purchased, if not provided by donation, and are recorded at their fair value in the period received.

Contributed services received from Board Members and volunteers are not recorded in the financial statements since these services do not meet the criteria for recognition as contributed services.

Property and equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. The School has established a threshold equal to or greater than \$3,000 for the capitalization of assets. Leasehold improvements are amortized on a straight-line basis over the lesser of the term of the related lease or the estimated useful lives of the assets. Long-term projects that have not been placed in service are included in construction in progress; depreciation does not commence until the asset is placed in service. Maintenance and repairs are charged to expenses as incurred; major renewals and betterments are capitalized.

Elm City College Preparatory, Inc.

Notes to Financial Statements June 30, 2025

Depreciation and amortization are provided on a straight-line basis over the estimated useful lives or lease terms as follows:

Buildings	27 years
Leasehold improvements	3 - 27 years
Furniture and fixtures	3 - 5 years
Computers and hardware	3 - 7 years
Equipment	5 years

Long-lived assets

The School recognizes an impairment loss when the carrying amount of a long-lived asset exceeds its fair value. In the event that facts and circumstance indicate that the carrying amounts of long-lived assets may be impaired, an evaluation of recoverability would be performed. The evaluation process consists of comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write down is required. If the review indicates that the asset will not be recoverable, the carrying value of the asset would be reduced to its estimated realizable value. There was no impairment loss recognized for the year ended June 30, 2025.

Debt issuance costs

Debt issuance costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the mortgage loan payable to which such costs related. Amortization of debt issuance costs is reported as a component of interest expense and is computed using an imputed interest rate on the related loan.

Functional allocation of expenses

The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on management's assessment. Health and retirement benefits and payroll taxes are allocated to programs based on the percentage of salary expense of the program to total salary expense. Other expenses are allocated based on time and effort.

Tax-exempt status

The School is exempt under Section 501(c)(3) of the IRC and is exempt from private foundation status under IRC Section 509(a)(3) and as such is not subject to federal or state income taxes.

Management has analyzed the tax positions taken by the School and has concluded that, as of June 30, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The School's federal information returns prior to fiscal year 2022 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If the School has unrelated business income taxes, it will recognize interest and penalties associated with any tax matters as part of the income tax provision and include accrued interest and penalties with the related tax liability in the statement of financial position.

Prior year summarized information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of

Elm City College Preparatory, Inc.

Notes to Financial Statements June 30, 2025

America. Accordingly, such information should be read in conjunction with the School's financial statements for the year ended June 30, 2024, from which the summarized information was derived.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations of credit risk

The School maintains cash in one financial institution. Accounts at this institution are insured by the Federal Deposit Insurance Corporation. From time-to-time, the School's balances may exceed these limits. At June 30, 2025, the School's uninsured bank balances totaled approximately \$1,335,000. The School limits its credit risk by selecting financial institutions considered to be highly creditworthy.

Reclassification

Certain amounts in the 2024 financial statements have been reclassified to conform to the 2025 presentation.

Subsequent events

Management has reviewed subsequent events through December 23, 2025, which is the date the financial statements were approved and available for issuance.

Note 3 - Liquidity

The School regularly monitors liquidity required to meet its annual operating needs and other contractual commitments. As of June 30, 2025, the School has the following financial assets available to meet annual operating needs for the next fiscal year as follows:

Cash	\$ 1,559,622
Grants and other receivables	731,519
Due from other schools	<u>29,847</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 2,320,988</u>

These financial assets are not subject to any donor or contractual restrictions. The School supports its general operations primarily with federal and state grants, which are restricted as to use, state and local per pupil funds and contributions without donor restrictions and contributions with donor restrictions whose time or purpose restriction has been met.

Note 4 - Concentrations

The School currently receives approximately 100% of its operating revenue, which is subject to specific requirements, from the federal and state Departments of Education. Additionally, the School's grants and other receivables consist of approximately 20% from the state and federal Departments of Education and 80% of the City of New Haven receivables.

Elm City College Preparatory, Inc.

**Notes to Financial Statements
June 30, 2025**

Note 5 - Conditional contributions

During the year ended June 30, 2021, the School was awarded the American Rescue Plan Elementary and Secondary Schools Emergency Relief ("ARP ESSER") Funds grant in the amount of \$3,100,800. Prior to June 30, 2025, \$2,008,335 of grant revenues were recorded related to this grant. The remaining balance of the grant will not be recorded as the School did not meet the conditions of the grant before the expiration of the grant period.

Note 6 - Property and equipment

The following is a summary of property and equipment at June 30, 2025:

Buildings	\$ 30,899,579
Land	2,330,931
Leasehold improvements	2,334,621
Furniture and fixtures	14,767
Computers and hardware	10,152
Equipment	<u>133,490</u>
	35,723,540
Less accumulated depreciation	<u>(13,900,661)</u>
Net property and equipment	<u><u>\$ 21,822,879</u></u>

Depreciation expense was \$1,419,249 for the year ended June 30, 2025.

Note 7 - Related party transactions

The School entered into an Academic and Business Services Agreement (the "Agreement") with Achievement First, Inc. ("AF, Inc."), a not-for-profit organization dedicated to helping start and run charter schools. The Agreement provides management and other administrative support services to the School.

Pursuant to the terms of the Agreement, the School pays a service fee equivalent to 10% of all eligible public revenues received by the School during or for that school year. Public revenues include all sources of revenue from a public source, but specifically exclude in-kind contributions such as student transportation, start-up funding, funding for student meals, and funding from competitive public grants. The term of the Agreement is through the Charter renewal date of June 30, 2026. The Agreement automatically renews to coincide with the charter renewals. The Agreement covers services including bookkeeping, facilities acquisition and management, special education delivery support, data analysis management support, and tutoring program support. The School is to pay AF, Inc. an ancillary services fee that is mutually negotiated by the School and AF, Inc. For the year ended June 30, 2025, the School incurred management and ancillary service fees of \$1,384,259, which are included in the accompanying statement of functional expenses.

AF, Inc. pledged \$633,772 in operating funding for the year ended June 30, 2025. AF, Inc. also passed through miscellaneous grants to Elm City in the amount of \$11,004 for the year ended June 30, 2025. At June 30, 2025, the net amount due to AF, Inc. was \$152,170.

Elm City College Preparatory, Inc. entered into a lease agreement for a building with Amistad Academy, Inc. ("Amistad"). See Note 10 for information about this lease.

Elm City College Preparatory, Inc.

**Notes to Financial Statements
June 30, 2025**

Note 8 - Due to/from other schools

The School entered into a Cooperative Arrangement Agreement (the "Arrangement") with Amistad. The Arrangement provides educational services to high school students of Elm City College Preparatory, Inc. and sets forth the terms and conditions of the joint program. Under the Arrangement, Amistad was permitted to pay operating expenses incurred and then bill the School for a proportionate share of those costs. The proportionate share was based on the number of students enrolled in the high school as of October 1 divided by the total enrollment of the high school as of the same date. At June 30, 2025, the amount due to Amistad was \$653,352.

Throughout the year, the School shares various costs with other schools. The following amounts are outstanding at June 30, 2025:

Due to Amistad Academy, Inc.	\$ (653,352)
Due from Achievement First Bridgeport Academy, Inc.	29,847
Due to Achievement First Brooklyn Charter Schools	(11,519)
Due to Achievement First Hartford Academy, Inc.	(485)
Due to Achievement First Rhode Island Academy, Inc.	(185)
	<u>\$ (635,694)</u>

Note 9 - Mortgages payable

On May 13, 2021, the School entered into a \$4,055,000 loan agreement with a financial institution that matures on March 13, 2044, as a co-borrower responsible for \$2,475,500. The School is jointly and severally liable for the full \$4,055,000 to the financial institution with Amistad. The remaining \$1,579,500 of this loan is recorded on Amistad's financial statements. The proceeds are net of debt issuance costs of \$125,242. The amortization of debt issuance costs for the year ended June 30, 2025 was \$5,485. Principal and interest payments of \$15,332 are due in monthly installments. The interest rate shall be fixed for the duration of the loan at 5.137%. The loan is secured by a mortgage on the property at 580 Dixwell Avenue, New Haven, Connecticut and a security interest in all corporate assets. The School is required to meet certain financial covenants with Amistad. All covenants were met as of June 30, 2025.

Future maturities of long-term debt for the five years subsequent to June 30, 2025 and thereafter are as follows:

2026	\$ 111,881
2027	121,030
2028	127,333
2029	134,279
2030	141,442
Thereafter	<u>739,511</u>
	1,375,476
Less current portion	(111,881)
Less unamortized debt issuance costs	<u>(103,302)</u>
Total long-term debt	<u>\$ 1,160,293</u>

Elm City College Preparatory, Inc.

**Notes to Financial Statements
June 30, 2025**

Interest expense after allocation to other schools for the year ended June 30, 2025 was \$76,449.

Note 10 - Leases

The School leases various office equipment. All contracts that implicitly or explicitly involve property, plant and equipment are evaluated to determine whether they are or contain a lease.

At lease commencement, the School recognizes a lease liability, which is measured at the present value of future lease payments, and a corresponding right-of-use asset equal to the lease liability, adjusted for prepaid lease costs, initial direct costs and lease incentives. The School has elected and applies the practical expedient available to lessees to combine nonlease components with their related lease components and account for them as a single combined lease component for all its leases. The School remeasures lease liabilities and related right-of-use assets whenever there is a change to the lease term and/or there is a change in the amount of future lease payments, but only when such modification does not qualify to be accounted for as a separate contract.

The School determines an appropriate discount rate to apply when determining the present value of the remaining lease payments for purposes of measuring or remeasuring lease liabilities. As the rate implicit in the lease is generally not readily determinable, the School estimates the risk-free rate as the discount rate. The School's risk-free rate, which is determined at either lease commencement or when a lease liability is remeasured, is the rate on the U.S. government securities over a period commensurate with the lease term.

For accounting purposes, the School's leases commence on the earlier of (i) the date upon which the School obtains control of the underlying asset and (ii) the contractual effective date of a lease. The commencement date for most of the School's office equipment leases coincides with when the School obtains control of the underlying assets. The School's leases generally have minimum base terms with renewal options or fixed terms with early termination options. Such renewal and early termination options are exercisable at the option of the School and, when exercised, usually provide for rental payments during the extension period at then current market rates or at pre-determined rental amounts. Unless the School determines that it is reasonably certain that the term of a lease will be extended, such as through the exercise of a renewal option or nonexercise of an early termination option, the term of a lease begins at lease commencement and spans for the duration of the minimum noncancellable contractual term. When the exercise of a renewal option or nonexercise of an early termination option is reasonably certain, the lease term is measured as ending at the end of the renewal period or on the date an early termination may be exercised.

Leases involving equipment

Office equipment leases have lease terms that generally range from less than one year to five years and generally do not have renewal options. Rental payments on these leases have fixed payments.

As lessor

The School entered into a lease agreement in 2021 to lease a school building to Amistad Academy, a nonprofit charter school located in New Haven, Connecticut, for a term of 25 years expiring on May 13, 2046. The lease will automatically renew for five years thereafter unless there is a written termination. Annual rent income related to this lease is \$146,890 to be paid in twelve monthly installments. The scheduled future minimum rental revenues from the rental property under the terms of the agreement as of June 30, 2025, are summarized as follows:

<u>Fiscal year</u>	<u>Minimum rental revenues</u>
2026	\$ 146,890
2027	146,890
2028	146,890
2029	146,890
2030	146,890
Thereafter	<u>2,330,497</u>
Total lease payments	<u><u>\$ 3,064,947</u></u>

Note 11 - Pension plan

The School adopted a 403(b) profit sharing plan (the "Plan") which covers employees not eligible for the Connecticut State Teachers' Retirement Board Plan (the "TRB Plan"). The Plan is a defined contribution plan. Employees are eligible to enroll in the Plan upon employment. Those employees who have completed at least one full year of service are also eligible for employer contributions. The Plan provides for the School to contribute up to 4% of an employee's salary. The School contribution is not vested until the employee's third year, when they become fully vested. For the year ended June 30, 2025, the School's contribution was \$62,192.

Certain employees of the School are required to participate in a defined benefit plan established and administered by the Connecticut State Teachers' Retirement Board Plan (the "TRB Plan"). The School is not required to and does not contribute to the TRB Plan.

Note 12 - Risk management

The School is exposed to various risks of loss related to torts; thefts of, damage to and destruction of assets; actions by employees and parents; and natural disasters. The School maintains commercial insurance to protect itself from these risks.

The School entered into contractual relationships with certain governmental funding sources. The governmental agencies may request return of funds as a result of noncompliance by the School, as well as additional funds for the use of facilities. The accompanying financial statements make no provision for the possible disallowance or refund because management does not believe that there are any liabilities to be recorded.

Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

To the Board of Directors
Elm City College Preparatory, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Elm City College Preparatory, Inc., which comprise the statement of financial position as of June 30, 2025, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 23, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Elm City College Preparatory, Inc.'s internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Elm City College Preparatory, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Elm City College Preparatory, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Elm City College Preparatory, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for the Major Federal Program
and Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors
Elm City College Preparatory, Inc.

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Elm City College Preparatory, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on Elm City College Preparatory, Inc.'s major federal program for the year ended June 30, 2025. Elm City College Preparatory, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Elm City College Preparatory, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2025.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Elm City College Preparatory, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Elm City College Preparatory, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Elm City College Preparatory, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Elm City College Preparatory, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Elm City College Preparatory, Inc.'s compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Elm City College Preparatory, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Elm City College Preparatory, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Elm City College Preparatory, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Notes to Schedule of Expenditures of Federal Awards
June 30, 2025**

Note 1 - Basis of presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Elm City College Preparatory, Inc. under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of Elm City College Preparatory, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Elm City College Preparatory, Inc.

Note 2 - Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3 - Indirect cost rate

Elm City College Preparatory, Inc. has not elected to use the de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 4 - Noncash federal awards

Elm City College Preparatory, Inc. received and expended \$31,241 of USDA donated commodities under the National School Lunch Program.

Independent Auditor's Report on Compliance for Each Major State Program
and Report on Internal Control over Compliance Required by the State Single Audit Act

To the Board of Directors
Elm City College Preparatory, Inc.

Report on Compliance for Each Major State Program

Opinion on Each Major State Program

We have audited Elm City College Preparatory, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the Office of Policy and Management's *Compliance Supplement* that could have a direct and material effect on each of Elm City College Preparatory, Inc.'s major state programs for the year ended June 30, 2025. Elm City College Preparatory, Inc.'s major state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Elm City College Preparatory, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2025.

Basis for Opinion on Each Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of the State Single Audit Act (C.G.S. Sections 4-230 to 4-236). Our responsibilities under those standards and the State Single Audit Act are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Elm City College Preparatory, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major state program. Our audit does not provide a legal determination of Elm City College Preparatory, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Elm City College Preparatory, Inc.'s state programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Elm City College Preparatory, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the State Single Audit Act will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Elm City College Preparatory, Inc.'s compliance with the requirements of each major state program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the State Single Audit Act, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Elm City College Preparatory, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Elm City College Preparatory, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the State Single Audit Act, but not for the purpose of expressing an opinion on the effectiveness of Elm City College Preparatory, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State Single Audit Act. Accordingly, this report is not suitable for any other purpose.

Note 1 - Basis of presentation

The accompanying schedule of expenditures of state financial assistance includes the state grant activity of Elm City College Preparatory, Inc. under programs of the State of Connecticut for the fiscal year ended June 30, 2025. Various departments and agencies of the State of Connecticut have provided financial assistance through grants and other authorizations in accordance with the General Statutes of the State of Connecticut. Because the schedule presents only a selected portion of the operations of Elm City College Preparatory, Inc., it is not intended and does not present the financial position, changes in net assets, or cash flows of Elm City College Preparatory, Inc.

Note 2 - Summary of significant accounting policies

The accounting policies of Elm City College Preparatory, Inc. conform to accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations.

The information in the schedule of expenditures of state financial assistance is presented based upon regulations established by the State of Connecticut, Office of Policy and Management.

Basis of accounting

The expenditures reported on the schedule of expenditures of state financial assistance are presented on the accrual basis of accounting. In accordance with Section 4-236-22 of the Regulations to the State Single Audit Act, certain grants are not dependent on expenditure activity and, accordingly, are considered to be expended in the fiscal year of receipt. These grant program receipts are reflected in the expenditures column of the schedule of expenditures of state financial assistance.

If you checked box 12c, Part I, complete Sections A, D, and E. If you checked box 12d, Part I, complete Sections A and D, and complete Part V.)

Section A. All Supporting Organizations

	Yes	No
1 Are all of the organization's supported organizations listed by name in the organization's governing documents? <i>If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.</i>		
2 Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? <i>If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).</i>		
3a Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? <i>If "Yes," answer lines 3b and 3c below.</i>		
b Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? <i>If "Yes," describe in Part VI when and how the organization made the determination.</i>		
c Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? <i>If "Yes," explain in Part VI what controls the organization put in place to ensure such use.</i>		
4a Was any supported organization not organized in the United States ("foreign supported organization")? <i>If "Yes," and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.</i>		
b Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? <i>If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.</i>		
c Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? <i>If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.</i>		
5a Did the organization add, substitute, or remove any supported organizations during the tax year? <i>If "Yes," answer lines 5b and 5c below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).</i>		
b Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?		
c Substitutions only. Was the substitution the result of an event beyond the organization's control?		
6 Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? <i>If "Yes," provide detail in Part VI.</i>		
7 Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? <i>If "Yes," complete Part I of Schedule L (Form 990).</i>

a A person who directly or indirectly controls, either alone or together with persons described on lines 11b and 11c below, the governing body of a supported organization?		
11a		
b A family member of a person described on line 11a above?		
11b		
c A 35% controlled entity of a person described on line 11a or 11b above? If "Yes" to line 11a, 11b, or 11c, provide detail in Part VI .		
11c		

Section B. Type I Supporting Organizations

	Yes	No
1 Did the governing body, members of the governing body, officers acting in their official capacity, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's officers, directors, or trustees at all times during the tax year? If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove officers, directors, or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.		
1		
2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization.		
2		

Section C. Type II Supporting Organizations

	Yes	No
1 Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).		
1		

Section D. All Type III Supporting Organizations

	Yes	No
1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?		
1		
2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).		
2
