<p>1. School Performance Best Practices: In 250 words or less, describe the practice or practices in use at the school that have resulted in strong student outcomes and a positive school climate during the 2022-2023 school year. Explain the rationale for establishing the practice(s) and the issue(s) it was intended to address. Describe impact of the practice(s) on the school outcomes referencing evidence of effectiveness (i.e. quantitative, qualitative data). Provide evidence of collaboration with local school districts in this area as appropriate.</p> <p>Explorations is a state charter school serving students in grades 9 through 12. During the 2022-2023 school year we served students from sixteen towns in Litchfield, Hartford, and New Haven Counties. While most of our students come from Torrington (60%) and Winsted (14%), we continue to see strong interest from students who are looking for alternatives to their local school district. Over the past 27 years, we have built a strong reputation of helping students achieve success when they felt unsupported or unsuccessful in their local school district, and we continue to receive many referrals and recommendations from local school counselors.</p> <p>Through a School Based Mental Health Grant in association with our partners at EdAdvance, we have added a part time school counselor to our staff. This staff member is working with our team on areas of SEL, school climate and supporting student transition. We are gathering data using Aperture / DESSA to help support student SEL Growth and are very excited as we plan to add the Student Survey Results to our data.</p> <p>Analysis of Alternative Assessments for individual students showed growth as measured by of previous year scores in both ELA and Mathematics as evaluated by STAR 360. To help students who have experienced academic challenges related to navigating the pandemic, support has been put in place during our Friday Academic Enrichment period for students to receive individualized help based on their testing results.</p> <p>The Superintendent of Winchester Public Schools continues to be an active member of our Governing Board and we have collaborated on various professional development, conversations, and other activities throughout the year.</p>	

PART 2: SCHOOL PERFORMANCE

1. School Goals: State the school's mission statement. Provide the school's mission-specific, measurable goals. Analyze school progress toward these goals, providing data as appropriate. Add/Remove rows as necessary.

MISSION STATEMENT

The mission of Explorations Charter School is to meet the unique educational, social, and emotional needs of our diverse student population in a safe, nurturing, and non-traditional environment.

Goal Statement:

By the end of the 2021-2022 school year, Explorations Charter School will improve our cases of chronic absenteeism by continuing to implement and enhance an attendance framework based on improving school climate using a system of leveled support for all students, decreasing the percentage of chronic absenteeism from 28.8 for 2016-17 to:

- 26.9% for 2017-18
- 25.1% for 2018-19
- 23.3% for 2019-20
- 21.4% for 2020-21
- 19.6% for 2021-22
- 17.8% for 2022-23
- 16.0% for 2023-2024

Evidence of Progress Toward Target Goals:

At the end of the 22-23 school year, Explorations had a chronic absenteeism rate of **48.8%**. This is an all-time high and working with our corrective action plan, we continue to develop new strategies to address these concerns.

The School achievement team, continued to call parents daily when students were absent, sent letters and emails for at risk students, and met with student/parents virtually to brainstorm ways to remove the barriers preventing them from attending school.

At the end of the school year, the team met with every student who was chronically absent to discuss root causes why they missed school and to brainstorm solutions. During the summer, the Executive Director met with the same students and their parents to further brainstorm solutions and offer support prior to the school year beginning.

Goal setting contracts were signed and will be reviewed with students and families during the upcoming school year.

By the end of the 2021-2022 school year, Explorations Charter School will improve our suspension rate by continuing to implement and enhance a restorative practices model as the primary and preferred method of attending to behavior referrals, decreasing the percentage of suspensions from 17.4 for 2016-17 to:

- 14.7% for 2017-18
- 12.0% for 2018-19
- 9.3% for 2019-20
- 6.6% for 2020-21
- 6.6% for 2021-22 and ongoing

At the end of the 2022-2023 school year, the school suspension rate was 8.54% (7 students), slightly above our target rate.

To reduce our suspension rate, we continue to work on building relationships with students. Staff have all been trained in school climate and restorative practices and additional training will be offered this upcoming school year.

Staff have all added links to SEL in their newly revised curriculum.

<p>By the end of the 2021-2022 school year, Explorations Charter School will improve our English Language Arts performance on SAT School Day Testing, increasing the average score of all Juniors from 466 in 2016-17 to:</p> <ul style="list-style-type: none"> • 482 for 2017-18 • 498 for 2018-19 • 514 for 2019-20 • 530 for 2020-21 • 530 for 2021-22 • 530 for 2022-23 	<p>In 2022-23, the average score for Juniors on the English Language Arts sections of the SAT school day was 458 with 44% of our students meeting or exceeding benchmark. While the average score decreased from the previous year (482), the percent of students who met or exceeded benchmark remain constant</p> <p>While these numbers do not meet the goal set, we are pleased to see the percent of students meeting or exceeding benchmark remain constant. We continuously evaluate our curriculum, looking to enhance classroom practices to help students advance learning and overcome the obstacles faced since the beginning of the pandemic.</p> <p>Administrators and staff evaluate the data at the individual student level keeping in mind students with IEPs and students who have increased gaps in structured learning due to the pandemic.</p>
<p>By the end of the 2021-2022 school year, Explorations Charter School will improve our mathematics performance on SAT School Day Testing, increasing the average score of all Juniors from 458 in 2016-17 to:</p> <ul style="list-style-type: none"> • 476 for 2017-18 • 494 for 2018-19 • 512 for 2019-20 • 530 for 2020-21 • 530 for 2021-22 • 530 for 2022-23 	<p>In 2022-23, the average score for Juniors on the Mathematics sections of the SAT school day was 418, this average remained constant from the previous year.</p> <p>While these numbers do not meet the goal set. 3. Legal Compliance Best Practices: In 250 words or less, detail how specific practices employed at the school result in ensuring that the school operates in compliance with applicable laws and regulations (e.g. support for students with disabilities, English learners/Multilingual learners, employee and student rights) overtime. Describe the areas of operation including policies and procedures that ensure compliance with applicable laws and regulations. Include quantitative and qualitative information associated with compliance. Provide evidence of collaboration with local school districts in this area as appropriate.

Our Governing Council along with the Policy Committee has been engaged in significant work to ensure that our policy manual is complete and reviewed on a regular basis. The Policy Committee works with CABA and our Board Attorney to ensure legal compliance.

Our student population includes 33.3% of our students identified as needing the support of an IEP and another 41.8% receiving accommodations under a 504 Plan. In addition to continuing our strong relationships with the Special Education Administration of the seven towns who serve as NEXUS/OSEP Districts for our students, we continue our internal work and professional development on topics such as IDEA and Special Education Law, Differentiated Instruction, and Reading and Understanding Special Education Modifications and Accommodations. Our staff use a program called Education Modified to communicate about the individual learning needs of students and ideas for modifications and accommodations.

Our Executive Director participates in a variety of local and state-wide Superintendent meetings to ensure that the school is kept up to date on new and upcoming recommendations or changes to regulations or practices. Additionally, our School Nurse and Executive Director have ensured 100% compliance with all regulations related to COVID protocols. This included weekly and monthly meetings as well as regular communication to staff, students and families to keep them up to date on any changes to protocols.

The schools accounting manual has been fully updated and the 403(b) plan is properly in place.

4. Renewal Terms and Other Issues: Provide a progress update on terms established in the charter school's most recent renewal; summarize actions taken and progress data to substantiate efforts to address such terms. Provide an update on how the charter school is addressing or plans to address the issues noted. The chart below is pre-populated to include terms documented in the school's last renewal resolution or issues identified by the CSDE.

Standard/Indicator:	Term or Condition:	Progress Update:
1.1 Academic Achievement	<p>Explorations' corrective action plan was submitted and accepted by the CSDE. Its important Explorations take every effort to improve student academic outcomes in the 2022-23 school year.</p> <p>In October 2022, the school was required to submit a bimonthly report to the CSDE monitoring its year-to-date progress toward improving student academic achievement.</p>	<p>Explorations has implemented the approved corrective action plan. Our curriculum has been updated and we have added targeted intervention and support sessions for students during our Enrichment Activities on Fridays.</p> <p>Explorations administration has participated in multiple meetings with CSDE Academic Office and Turnaround office to review curriculum progress, as well as updates to work on Portrait of and Explorations Graduate.</p>
2.2 Financial Reporting and Compliance	The Accounting and Procedures Manual (APPM) required amendments, including budget development process, school asset inventory, special education billing process, payroll adjustments, travel pre-approval and reimbursement, Board approval of annual audit findings, purchases and contract authorization thresholds and signatories, handling of cash within school to Business Office and cash deposits, and bank and credit card reconciliations.	The APPM has been updated in accordance with renewal terms.
2.4 Governance and Management	As of March 2023, a review of the school website determined the school's March 3 policy committee minutes were not posted.	The board has subscribed to a program called "Board on Track" which includes agendas, minutes, and board documents in one combined platform.
3.3 Demographic Representation	In 2022-23, the school's English Learner/Multilingual Learners (ELs/MLs) population was suppressed. To better reflect the demographics of the surrounding community, the school must seek to enroll more students who are English/Multilingual learners.	

<p>3.5 Chronic Absenteeism</p>	<p>The school's chronic absenteeism rate for the 2020-21 school year was 32.5%, whereas the state average was 19.0%. The school's rate in the 2021-22 school year was 33.3%, whereas the state average was 23.7%.</p> <p>The school should continue its efforts to lower the chronic absenteeism rate.</p>	<p>Administrators participated in the APLN (Attendance Peer Learning Network) to continue to develop strategies to reduce our Chronic Absenteeism Rate.</p> <p>Using guidance from CSDE Consultants and members of the Charter School office the board has revised policies related to attendance and earning course credits.</p>
<p>4.2 Students with Disabilities</p>	<p>The school's last charter renewal revealed special education and related services were provided in resource rooms. This does not meet the requirement of least restrictive environment (LRE) as determined by the student's IEP. LRE should be planned individually within Planning and Placement Team (PPT) meetings.</p> <p>Explorations reported the school's Director and Special Education Directors were in discussions to address any concerns that may exist and to ensure that full discussions will happen at all upcoming PPT meetings.</p>	<p>Each PPT includes specific conversations regarding Least Restrictive Environment to ensure that the team agrees that the student is being educated in the least restrictive environment. Goals and programming are reviewed in detail.</p> <p>Following our last renewal, our director discussed the recommendation with Special Ed Directors to address any concerns that may exist and to ensure that full discussions would happen at all upcoming PPTs. Special Ed Directors concurred that all services provided by Explorations were done in the least restrictive environment while focusing on what is best for the students.</p>

5. Stewardship, Governance, and Management Best Practices: In 250 words or less, summarize practices/processes established in the areas of stewardship, governance, and management (e.g., financial management, reporting compliance, sustaining financial viability, and school operations) that ensure the school is financially viable, organizationally healthy, strong, and held accountable to established goals. Explain the rationale for establishing and/or continuing the practice(s). Explain the impact on the school, referencing quantitative and qualitative data. Provide evidence of collaboration with local school districts in this area as appropriate.

Explorations is in full compliance with all state mandates related to issues regarding students and staff. Background checking on all staff and board members is complete. Additionally, we are compliant with state laws regarding nepotism with Charter School Administration and Board Members that is in addition to the laws and regulations followed by more traditional public schools. Our board regularly reviews, reaffirms, and adds new policies as necessary under the guidance of CABE and Board Legal Counsel.

Explorations employs an external CPA firm to manage all financial operations (AP, Payroll, Monthly Reports, etc...) and to work with our Auditing Firm to ensure compliance to all legal requirements. A CPA from the firm attends every Board Meeting to present the monthly report and to answer any/all questions that board members may have.

We employ two special education teachers, a school social worker, and a math specialist to meet the needs of our special education population and are fully compliant with all IEPs. We continue to have a very strong relationship with all nine districts from which our special education students come to us. Due to the blind lottery process required for Charter School admission, we are often unaware of the special education status of our students upon acceptance. We continue to work on procedures to facilitate the transfer of special education files to our staff to enable us to have sufficient time to plan for their education.

PART 4: STUDENT POPULATION

1. Enrollment and Demographic Data: Provide 2022-2023 student demographic and enrollment information.

Grades Served:	9-12	American Indian or Alaska Native:	0
Student Enrollment:	93	Asian:	1.1%
		Black/African American:	1.1%
Percent of Free/Reduced-Price Meals:	58.1%	Hispanic/Latino:	15.1%
		Native Hawaiian or Pacific Islander:	0%
Percent of Special Education Students:	33.3%	Two or More Races:	5.4%
		White:	77.3%

2022-2023 Enrollment by Grade Level:

PK	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
-	-	-	-	-	-	-	-	-	-	18	25	25	25	93

2. Enrollment Efforts: Summarize the school's efforts to attract, enroll and retain a diverse student population, representative of students of color, low-income students, English learners/Multilingual learners, and students with disabilities.

Explorations draws the largest number of students from Torrington and Winchester, and the school routinely serves a significantly higher percentage of Special Education Students than each of these districts. Our population of low-income student has gradually increased year after year and is currently 71%. As stated earlier, our current percentage of Special Education students is 33.7%. We have found that the nature of our school – small class sizes, more personal relationship with our students – has attracted a larger population of students in need of a different environment than what it typically provided in large, mainstream schools. In addition, students who have been bullied, students who have had a history of truancy and disciplinary issues, and students from the LGBT community have found that they are provided a chance to “start over” and be accepted for who they are at Explorations.

3. Waitlist Data: Provide waitlist totals below, illustrating demand and community support for the school.

2022-2023 Waitlist:	2023-2024 Waitlist:
15	5

4. Student Population Best Practice: In 250 words or less, summarize practice(s)/system(s) used in the area of student population (e.g., family and community engagement, recruitment processes, retention strategies) to ensure the school promotes equity by effectively attracting, enrolling and retaining students, particularly among targeted populations. Explain the rationale for establishing and/or continuing the practice(s). Include a brief narrative on the school's unique model and describe the practice(s) and its impact on the school, referencing quantitative and qualitative data. Provide evidence of collaboration with local school districts in this area as appropriate.

To improve family/community engagement, we offer a comprehensive schedule of opportunities for families of our students to engage with one another and with the staff of Explorations.

A typical year includes monthly in-person parent meetings, parent-teacher conferences, fundraising/family dinners, and end of year family celebration at Burr Pond (a day full of hiking, beach games, kayaking, and picnicking).

During the 2022-2023 our parent meetings were offered in a hybrid fashion to help increase options for parent participation. The Class of 2023 celebrated their graduation at a full in-person celebration at Thomaston Opera House.

Our model includes using Fridays throughout the year to offer unique experiences to students. Students are exposed to outdoor activities that allow students to earn their Physical Education credit by hiking along the Appalachian Trail, biking on cleared trails, skating on ice-rinks, kayaking on local rivers, lakes, and ponds, snowshoeing and cross-country skiing, and more. Through each of these activities, classroom teachers who facilitate these days take time to make connections to their content areas to reinforce academic links to the activity of the day.

APPENDIX B: CHARTER SCHOOL PERFORMANCE FRAMEWORK

The Connecticut State Department of Education's (CSDE) charter school performance framework promotes clear and transparent expectations for all charter schools. The four performance standards are central to measuring schools' efficacy and viability, and align to state law and national best practices among charter school authorizers as accumulated by the National Association of Charter School Authorizers. Within each standard area, the framework identifies a series of indicators used to evaluate charter schools. The framework drives the CSDE's charter school accountability systems and processes, including initial approval decisions, annual monitoring, and renewal determinations.

Performance Standards:

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

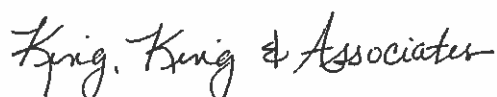

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Explorations, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Explorations, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2022, on our consideration of Explorations, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Explorations, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Explorations, Inc.'s internal control over financial reporting and compliance.

EXPLORATIONS, INC.
Notes to the Financial Statements

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Explorations, Inc. is a public charter school cultivating positive attitudes toward life-long learning in an experimental, non-traditional educational setting. Explorations, Inc. provides an environment that models interdependence as the foundation of society. The program emphasizes activities which foster the acceptance of responsibility, development of positive decision making, and problem-solving skills, and encourages students to develop a healthier attitude towards their school, community, work, family and most importantly, towards themselves. Explorations, Inc. is a not-for-profit organization exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code and has been classified as other than a private foundation. The school is funded primarily through state grants and town tuition payments.

Basis of Accounting

The financial statements of Explorations, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. Revenue is recognized when earned and expenditures when incurred.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Agency and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of management and the board of directors.

Net Asset with Donor Restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the entity or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Contributions

All contributions are considered to be without donor restriction unless specifically restricted by the donor. Explorations, Inc. reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. Support that is restricted by the donor is reported as an increase in net assets without donor restriction if the restriction expires in the same reporting period in which the support is recognized.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, Explorations, Inc. considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

EXPLORATIONS, INC.
Notes to the Financial Statements

Income Tax Status

Explorations, Inc. is organized as a Connecticut non-stock corporation and is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code. In addition, Explorations, Inc. qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. The Executive Director, the Governing Council Chair or Treasurer will decide when an accounts receivable balance should be written off. Uncollectible amounts are generally immaterial, and no allowance has been established.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Schedule of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Property and Equipment

Purchases of Property and Equipment over \$1,000 are capitalized and are carried at cost. Depreciation is computed using the straight-line method over the estimated useful life of the asset as follows:

Buildings and Improvements	10 - 40 Years
Vehicles	5 Years
Equipment and Furniture	5 - 10 Years

Donated Property and Equipment

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as without donor restriction support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, Explorations, Inc. reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. Explorations, Inc. reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Donated Services

The majority of voluntary services donated by individuals have not been reflected in the financial statements. These services provided do not meet the criteria for recognition; however, special voluntary services that meet the criteria for recognition are reported as donated services and expensed in the same year.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

**Independent Auditors' Report on Internal Control over Financial Reporting and
on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards**

To the Board of Directors of
Explorations, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States the financial statements of Explorations, Inc., which comprise the statement of financial position as of June 30, 2022 and the related statements of activities, and cash flows for the year ended, and the related notes to the financial statements, and have issued our report thereon dated December 13, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Explorations, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Explorations, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Explorations, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

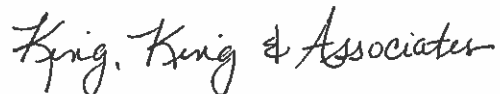

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Explorations, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not

express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of Explorations, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Explorations, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major State Program; Report on Internal Control over Compliance; and Report on the Schedule of Expenditures of State Financial Assistance Required by the State Single Audit Act

To the Board of Directors of
Explorations, Inc.

Report on Compliance for Each Major State Program

Opinion on Each Major State Program

We have audited Explorations, Inc.'s compliance with the types of compliance requirements described in the Office of Policy and Management's *Compliance Supplement* that could have a direct and material effect on each of Explorations, Inc.'s major state programs for the year ended June 30, 2022. Explorations, Inc.'s major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Explorations, Inc., complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2022.

Basis for Opinion on Each Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State Single Audit Act (C.G.S. Sections 4-230 to 4-236). Our responsibilities under those standards and the State Single Audit Act are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Explorations, Inc., and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major state program. Our audit does not provide a legal determination of Explorations, Inc.'s compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Explorations, Inc.'s state programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Explorations, Inc.'s compliance based on our audit. Reasonable assurance is a high level assurance but is not absolute assurance and therefore is not a guarantee that an

audit conducted in accordance with GAAS, *Government Auditing Standards*, and the State Single Audit will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about Explorations, Inc.'s compliance with the requirements of each major state program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the State Single Audit Act, we:

- exercise professional judgement and maintain professional skepticism throughout the audit
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Explorations, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of Explorations, Inc.'s control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the State Single Audit Act, but not for the purpose of expressing and opinion on the effectiveness of Explorations, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weakness in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to

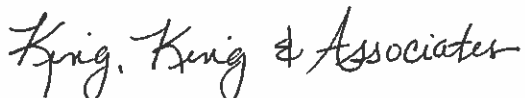

be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the State Single Audit Act. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of State Financial Assistance Required by the State Single Audit Act

We have audited the financial statements of Explorations, Inc., as of and for the year ended June 30, 2022, and have issued our report thereon dated December 13, 2022, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of state financial assistance is presented for purposes of additional analysis as required by the State Single Audit Act and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of state financial assistance is fairly stated in all material respects in relation to the financial statements as a whole.
