PART 2: SCHOOL PERFORMANCE

1. School Goals: State the school’s mission statement. Provide the school’s mission-specific, measurable goals. Analyze school progress toward these goals, providing data as appropriate. Add/Remove rows as necessary.

MISSION STATEMENT

The mission of Park City Prep is to maximize the academic achievement of each student in preparation for admission to, and success at, selective college preparatory high schools.

As part of a rigorous curriculum that emphasizes mathematics, scientific inquiry and technology, the faculty and staff work to instill in each student the “PREP” values of responsibility, excellence and perseverance, and to imbue students with a vision of a future filled with opportunity and promise.

Goal Statement:	Evidence of Progress Toward Target Goals:
Students will make continuous progress in reading, mathematics & science as measured by standardized assessments, such as <i>SBAC & STAR Reading & Math</i> .	Refer to the data tables below, which detail the performance and growth in reading and math on both <i>SBAC</i> and <i>STAR</i> assessments, as well as our <i>2022 – 2023 Performance Metric</i> .
Students will gain admission to selective private and public “choice” high schools.	More than 90% of grade 8 students gained admission to one or more selective private and/or public “choice” high schools.
Students will acquire skills and understanding in math, science & computer science and develop an appreciation of their value in influencing our daily lives.	35% of our grades 5 & 8 students scored at level 3 or higher on the NGGS test. Performance assessments in computer science are evidence of students’ mastery of Microsoft Office (Word, Excel & PowerPoint) as well as Computer Programming Skills (Coding).

The School has 112 days of unrestricted cash to cover operating expenditures.

The School's financial statements reflect a strong financial history because of well-managed finances and sound business practices.

PART 4: STUDENT POPULATION

2. Enrollment Efforts: Summarize the school’s efforts to attract, enroll and retain a diverse student population, representative of students of color, low-income students, English Learners/Multilingual Learners, and students with disabilities.

We make every effort to attract, enroll and retain a diverse population of students, which represent a genuine cross section of the broader Bridgeport community, including a representative high needs population of students – those with histories of low performance, low-income, those with behavioral issues, special education students and those who are English language limited.

For 2022-2023, we recruited in the same manner as we had in prior years and enrolled students from the very same feeder schools and neighborhoods as we had the year before. Park City Prep does a direct mailing to all families who have their children enrolled in any Bridgeport public school, thereby reaching out to all students, including students of color, low-income students, English learners/Multilingual learners, and students with disabilities.

In addition, we recruit students from parochial and other private schools and charter schools both in and outside of Bridgeport. Our student population reflects that diversity every year.

3. Waitlist Data: Provide waitlist totals below, illustrating demand and community support for the school.

2023-2024 Waitlist:	2024-2025 Waitlist:
187	136

4. Student Population Best Practice: In 250 words or less, summarize practice(s)/system(s) used in the area of student population (e.g., family and community engagement, recruitment processes, retention strategies) to ensure the school promotes equity by effectively attracting, enrolling and retaining students, particularly among targeted populations. Explain the rationale for establishing and/or continuing the practice(s). Include a brief narrative on the school’s unique model and describe the practice(s) and its impact on the school, referencing quantitative and qualitative data. Provide evidence of collaboration with local school districts in this area as appropriate.

Nearly all our students at Park City Prep are from “targeted populations” and the performance of our students speaks to quality of the educational programs, caliber of the faculty and the overall environment and culture that Park City Prep provides for its students and families.

Students in the Bridgeport Public Schools constitute almost all our student population. Most students who come to us, primarily in grades 4 & 5, are well below grade level in both reading and math. Annually, nearly 80 % of our students qualify for free- or reduced-price meals.

Although some of our new students come to us with histories of behavioral issues, in most cases, the problems that these students had in their former schools are much less severe at Park City Prep, demonstrating that, in an environment which is supportive, structured and well-supervised, problems are minimized.

In the 2022-2023 school year, 10% of our students had IEP’s or 504 plans and nearly 12.5% were English Learners (EL’s)

The fact that we attract, recruit and enroll a population of students whose needs are high, and, that they perform at the level that they do, is clear evidence that Park City Prep is doing the job it was intended to do.

APPENDIX B: CHARTER SCHOOL PERFORMANCE FRAMEWORK

The Connecticut State Department of Education’s (CSDE) charter school performance framework promotes clear and transparent expectations for all charter schools. The four performance standards are central to measuring schools’ efficacy and viability, and align to state law and national best practices among charter school authorizers as accumulated by the National Association of Charter School Authorizers. Within each standard area, the framework identifies a series of indicators used to evaluate charter schools. The framework drives the CSDE’s charter school accountability systems and processes, including initial approval decisions, annual monitoring, and renewal determinations.

Performance Standards:	
<ol style="list-style-type: none"> School Performance: Is the school a successful model resulting in strong student outcomes and a positive school climate?
