

Attendance & Engagement System of Support & Professional Communities

Talk Tuesdays

2024-2025 Training Sessions

Talk Tuesdays, offered by SERC in collaboration with CSDE, are biweekly “drop-in” virtual training opportunities that engage state agency, district, and school staff in an open dialogue around student attendance and engagement. Participants learn what’s new, hear from topic experts, and support one another and their work.

All sessions are held virtually.

Dates: Every other Tuesday beginning September 17, 2024 through the end of the school year

Time: 10-11 a.m.
