**TO:** Superintendents of Schools

**FROM:** Dr. Dianna R. Wentzell *Dianna R. Wentzell*  
Commissioner of Education

**DATE:** February 22, 2016

**SUBJECT:** Designation of Certification Shortage Areas, 2016-17 School Year

Pursuant to Section 10-8b of the Connecticut General Statutes (C.G.S.), the following endorsement areas are designated as certification shortage areas for the 2016-17 school year:

**Certification Endorsements**

- Bilingual Education, PK-12
- Comprehensive Special Education, K-12
- Intermediate Administrator
- Mathematics, 7-12
- School Library and Media Specialist
- School Psychologist
- Science, 7-12
- Speech and Language Pathologist
- Technology Education, PK-12
- World Languages, 7-12

Teachers who teach in one of the shortage areas can benefit from the following state programs:

**Teachers' Mortgage Assistance Program**

Section 8-265pp of the C.G.S. provides for a mortgage assistance program for the purchase of a principal residence for certified teachers who are:

1. employed by priority or transitional school districts;
2. employed by the State of Connecticut, in a technical high school that is located in a priority or transitional school district; and
3. teaching in a subject matter shortage area pursuant to Section 10-8b of the Connecticut General Statutes.

In the case of certified teachers teaching in a priority or transitional school district, or in a technical high school located in a priority or transitional school district, the dwelling must be located in the district in which the school is located.

The Teachers' Mortgage Assistance Program is an important incentive designed to alleviate shortage areas and to have educators live in the community in which they teach. The program is administered by the Connecticut Housing Finance Authority (CHFA) through its participating lenders.

All eligible teachers seeking a mortgage through this program will be required to have a Statement of Eligibility signed by the Superintendent of Schools in their district. Attached is the Statement of Eligibility that you may copy and distribute to eligible teachers. This signed Statement will be required by the mortgage lender for proof of eligibility.

**Any questions or concerns regarding the Teachers' Mortgage Assistance Program may be directed to the Single Family Underwriting Unit at CHFA at 860-571-3502.**

### **Rehiring of Retired Teachers**

Retired teachers may be reemployed without being subject to the statutory earnings limit if they teach in a subject shortage area for the school year in which they are employed. The period of employment may last one full school year and may be extended for an additional year, subject to prior approval of the Teachers' Retirement Board. If you have questions about this program, please contact Darlene Perez at the Teachers' Retirement Board at 860-241-8400.

### **Federal Shortage Area Programs**

Teachers holding certifications in the state-designated shortage areas may be eligible for:

- targeted teacher deferment for borrowers under the Family Federal Education Loan (FFEL) and Federal Supplemental Loans for Students (SLS) programs [34 CFR 682.210(q)];
- cancellation of up to 100 percent of their debt under the Federal Perkins Loan Program for full-time teaching in fields of expertise [34 CFR 674.53(c)]; or
- reduction of the teaching obligation for scholars under the Paul Douglas Teacher Scholarship Program [34 CFR 653.50(a)].

Additionally, teaching in a shortage area enables grant recipients under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program to fulfill their teaching obligations [34 CFR 686.12(d)].

Please refer Federal Stafford/SLS and Federal Perkins Loan borrowers who have general questions concerning their loan(s), including the teacher shortage area deferment, to the Federal Student Aid Hotline at 1-800-4-FED-AID, and refer Douglas Scholars to the state agency that awarded the scholarship.

### **Connecticut Recruitment and Training Initiatives to Address Shortage Areas**

The Connecticut State Department of Education's (CSDE) Talent Office continues to implement strategic initiatives that attract qualified candidates to the education profession, especially in the shortage areas.

Among the talent initiatives approved by the State Board of Education (SBE) are a variety of alternate route to certification programs which focus on recruiting and training educators for high needs teaching and administration areas. These programs vary from training educators for a first-time certificate to training certified educators for additional advanced certification endorsement areas of teaching, reading or administration. *A bachelor's degree or higher is a prerequisite for these alternate route programs.* Candidates without a bachelor's degree should refer to a [Guide to Approved Educator Preparation Programs in Connecticut](#).
