

Workgroup: Best Practices
June 9, 2017

Members:

Kelli-Marie Vallieres, Howard Jenkins, Sue Palisano, Tracy Ariel, John Dague, Cliff Thermer, Christine Mahoney, and Paul Murphy

Meeting Minutes:

Initial meeting, group met briefly after CECM full meeting. Discussion around creating a fluid document that included; dual credit programs, Technical High School, CTE High School programs, Higher Ed programs and, others. Document sample provided by Tracy Ariel will be amended to include additional manufacturing programming and remove non-related programming.

The group also decided they needed a list of manufacturing associations to possibly send out a survey of industry and manufacturing education partnerships.

Action Items:

- Chair of workgroups chosen: Sue Palisano
- Scribe chosen: Tracy Ariel
- Send out amended document with manufacturing information to the group- Tracy Ariel
- Send out list of Manufacturing Associations to be updated by workgroup- Tracy Ariel
- Next meeting date chosen: July 20, 8:30am – 10:00am at Connecticut Center for Advanced Technology. Invites to be sent via outlook
