

# All About Me

## Enjoy the Book Together

- Read the labels for the different body parts throughout the book. Ask your child to point to the part on his or her own body.
- Review the “Guess What?” bubbles together. Which fact surprised you the most? Notice if you chose the same one or different ones!

## Make Personal Connections

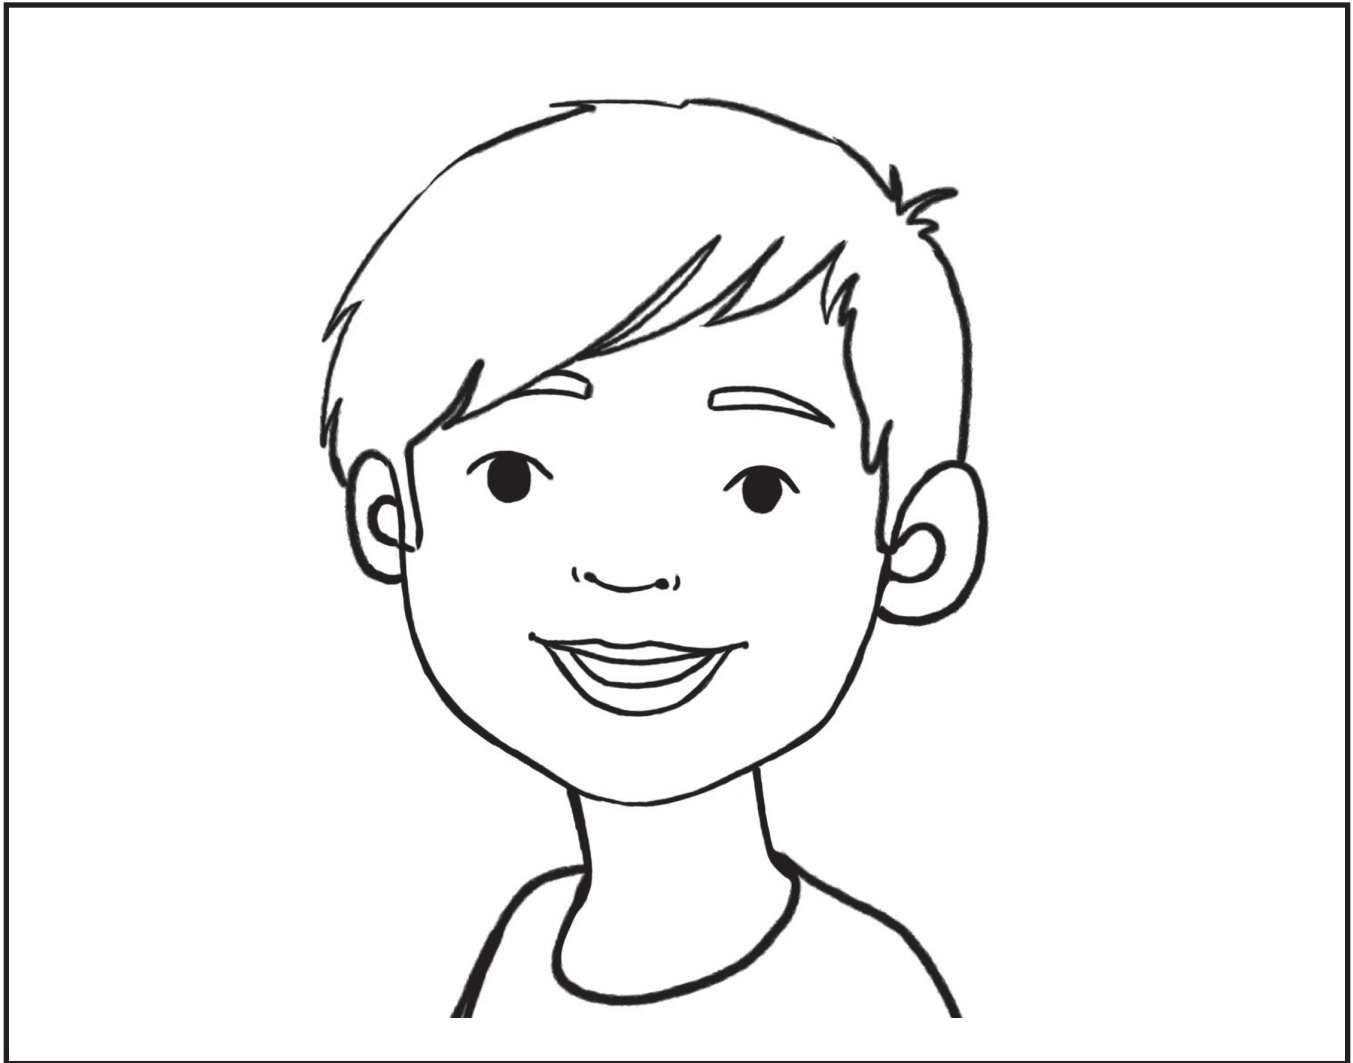

- Take a moment to stretch together. Shrug your shoulders up and down. Shake your hips from side to side. Lift your hands in the air and wiggle your fingers. Repeat as many times as you’d like!

### Literacy Tip

“Sight words” are very common words that young readers should learn by heart. Together, find and point to the following sight words in this book:  
*a, and, her, in, is, of, the, and to.*

# All About Me

Use words from the word bank below to label the parts of the head. Ask for help if you need it!

## WORD BANK

cheek ear eye eyebrow forehead  
hair mouth nose
