CONNECTICUT ALLIANCE OF REGIONAL EDUCATION SERVICE CENTERS

Connecticut Core Standards Cooperating Teachers Summer Academy

Designed specifically for cooperating teachers, this two-day academy will offer participants a variety of breakout sessions with the newest information about the Connecticut Core Standards and teaching and learning, specifically as they relate to the role of a cooperating teacher.

The academy will feature a keynote speaker on day one and a closing session on day two. Participants will have the opportunity to network with other cooperating teachers from around the state. Participants will build the capacity to:

- understand and model the Connecticut Core Standard instructional shifts;
- use an observational guide aligned to the Common Core;
- use effective coaching strategies to guide student teachers; and
- understand and share with student teachers the connections between Connecticut Core, the Smarter Balanced Assessment System, TEAM, and Teacher Evaluation to guide the instructional practices.

Continental breakfast and lunch are included on both days.
