PLUG IN to Teaching

A day for **new educators** who are getting ready to teach the Connecticut Core Standards!

This exciting opportunity is specifically designed to support newly hired teachers who are just entering the profession.

This one day conference will assist teachers in the successful implementation of the CT Core Standards (CCS). Participants will have the opportunity to choose from a variety of breakout sessions targeted to the unique needs of newly hired teachers as they implement the instructional expectations of the CCS. Breakout sessions will focus on:

- Effective CCS lesson design;
- Rigorous instructional practices;
- Implementing the instructional cycle; and
- Understanding the intersection of CCS, teacher evaluation, and TEAM.

Continental breakfast and lunch are included on both days.
