# Preface

The purpose of law relating to the employment of minors is to provide equal protection for both minors and employers. The minor is protected from performing harmful or hazardous work, and the employer is protected from placing a minor into employment based on falsified information.

Additional information relating to labor law is available through the Connecticut Department of Labor (CTDOL), Wage and Workplace Standards Division, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the Wage and Workplace Standards Division at 860-263-6791.

The **Certificate of Age Form ED-301** is in compliance with Connecticut statutes and regulations relating to the employment of minors, and the policies set forth by the Connecticut State Board of Education (CSBE) for issuing such certificates. The Connecticut State Department of Education (CSDE), Academic Office has been designated as the agent to provide access to these certificates to: superintendents of schools of any local or regional board of education, their designated agents (i.e. issuing agents), or the supervisory agent of a nonpublic school. Connecticut General Statutes (C.G.S.) Section 10-193(a) states that:

The superintendent of schools of any local or regional board of education, or an agent designated by such superintendent, or the supervisory agent of a nonpublic school shall, upon application and in accordance with procedures established by the State Board of Education, furnish, to any person desiring to employ a minor under the age of eighteen years (1) in any manufacturing, mechanical or theatrical industry, restaurant or public dining room, or in any bowling alley, shoe-shining establishment or barber shop, a certificate showing that and such minor is sixteen years of age or older, (2) in any mercantile establishment, as a staff member at a youth camp, as defined in section 19a-420, who will not be employed by a municipality, or as a lifeguard who will not be employed by a municipality, a certificate showing that such minor is fifteen years of age or older, and (3) at any municipal or private golf course, a certificate showing that such minor is fourteen years of age or older.

Requests for further information relating to these certificates for minors may be directed to Marcy Reed, Education Consultant, Connecticut State Department of Education, Academic Office, 450 Columbus Boulevard, Suite 508, Hartford, CT 06103, 860-807-2130, [Marcy.Reed@ct.gov](mailto:Marcy.Reed@ct.gov).

## General Requirements for Issuance

To ensure that there is an effective and timely process for the issuance of the Certificate of Age Form ED-301 to minors seeking employment, the following guidelines are provided to assist the designated agent in issuing the certificates.

### 1. Purpose and Prerequisites for the Certificate of Age Form ED-301

As outlined in Section 10-193 of the C.G.S., the purpose of the Certificate of Age Form ED-301 is to ensure that individuals under the age of eighteen have proper documentation of their age and are employed in occupations that are acceptable under the law.

The Sample Certificate of Age Form ED-301 (Appendix A) is used as verification of a minor's legal age for employment purposes. The superintendent of schools of any local or regional school district, their designated agents, or the supervisory agent of a nonpublic school, shall issue the Certificate of Age Form ED-301 to any minor who desires Connecticut employment and has met all the requirements for being issued a Certificate.

In performing their duties as issuing agents of the Certificate of Age Form ED-301, all issuing agents of any local or regional school district must adhere to the following minimum requirements:

- all supporting documents must be authentic, and must not contain any erasures or alterations;
- a minor must have reached the exact age required by law - under no circumstances should a certificate be issued before the required age is reached;
- The Certificate of Age must have the current date of issue. Under no circumstances can the form be back-dated.
- the Certificate of Age Form ED-301 must be completed in triplicate: one copy for the minor, one copy for the employer, and one copy for the issuing agent's files;
- the Certificate of Age Form ED-301 must be signed by the issuing agent in the appropriate place;
- the issuing agent must maintain a list of all certificates issued which includes the date of issue, name of minor to whom each was issued, and the name and location of the employer;
- the issuing agent must maintain a file for each minor who has applied for or has received a Certificate of Age Form ED-301;
- the file should contain a copy of the signed Certificate of Age Form ED-301, a copy of the signed Promise of Employment (refer to page 3), and other supporting documents, e.g., birth certificate, baptismal certificate, driver's license, etc.; and
- the issuing agent must follow the criteria for issuing a Certificate of Age Form ED-301 as noted on the following page.

### 2. Criteria for Issuing a Certificate of Age Form ED-301

A minor who wishes to be issued a Certificate of Age Form ED-301 must:

- be 14, 15, 16 or 17 years of age, depending upon the type of employment;
- provide documentation of age or a Notarized Affidavit of Parent;
- provide a written promise of employment signed by the prospective employer;
- have an apprenticeship approval card if applicable; or
- have Certification Form LED 75-1, if the minor is a student enrolled in a CSDE-approved Career Pathways/Cooperative Work Education Program and is assigned to a worksite experience in a potentially hazardous experience as defined by the CTDOL; and
- appear in person at the local education agency (LEA) or the administrative office of the nonpublic school in which the student is enrolled.

## PART A – Certificate of Age Form ED-301: Working Papers

---

### 3. Authentic Documentation/Evidence of Age

There are various documents which are legally acceptable as proof of a person's age. The following documents are listed in order of preference (e.g., a birth certificate is preferred over a driver's license):

- a birth certificate issued by a town official;
- a baptismal certificate that shows date and place of birth;
- a hospital certificate imprinted with the hospital's name;
- an attending physician's certificate;
- a U.S. Census record supported by a Notarized Affidavit of Parent;
- a Bible record in existence for five years prior to submission;
- a driver's license;
- a passport when month, day and year of birth are listed; or
- official school records.

Persons who were born in a foreign country lacking the documentation may use the following additional sources:

- a vaccination certificate (often used by other countries in lieu of a birth certificate);
- an immigration identification card that includes month, day, and year of birth;
- a United States immigration record that includes month, day, and year of birth; or
- citizenship papers of either the minor or a parent.

### 4. Notarized Affidavit of Parent

Occasionally, a minor will have a written Promise of Employment, but will be unable to produce the required evidence of age document. In this case, the parent must swear to the minor's correct date of birth (i.e., day, month, and year) in a notarized affidavit. The parent's sworn affidavit may be used as authentic documentation of age.

### 5. Written Promise of Employment

A Promise of Employment letter is a legal document and must contain all required information including: physical address where the minor will be working, manager name and signature, business contact information, correct hourly wage (as a dollar amount), maximum hours per week (as a number), and a detailed list of tasks to be performed on the job. (No vague job descriptions such as helper, general worker, laborer, maintenance, cleaner, messenger, errand person, gas station attendant or other title should be accepted.) If any changes or alterations appear on the written Promise of Employment, they should be authenticated and verified by the employer's signature adjacent to the change(s). See the Sample Promise of Employment (Appendix B).

A promise of employment should be written on the employer's letterhead. If the employer does not have letterhead, the following are considered acceptable substitutions:

- name, address, and phone number of the employer, typewritten or stamped at the top of the written Promise of Employment;
- name, address, and phone number of the employer, typewritten below the signature of the employer; or
- name, address, and phone number of the employer, legibly handwritten below the signature of the employer.

### 6. Limitations of the Certificate of Age Form ED-301

The following are some of the limitations that should be considered regarding employment and the issuance of the Certificate of Age Form ED-301:

- a. Employment in more than one establishment: If a minor is employed by more than one employer, the minor must have a separate, original Certificate of Age Form ED-301 for each employer. The total hours for all jobs may not exceed the allowable hours for the minor's age.
- b. Out-of-state employment for Connecticut minors: Connecticut's Certificate of Age Form ED-301 is not valid for out-of-state work because the laws and regulations for issuing certificates in other states are not the same as those in Connecticut. If Connecticut minors are planning to work in a different state, they should be advised to apply for their employment certificates using the process governed by the laws and/or regulations of that state. The reverse is also true, in that employment certificates from other states are not valid for work in Connecticut. **EXCEPTION**: If the minor is employed by an out-of-state entity, but the minor is working remotely from his/her home in Connecticut, then Connecticut designees may issue Working Papers, provided the minor is at least 16.
- c. Out-of-state minors obtaining employment in Connecticut: If an out-of-state minor obtains work in Connecticut and a certificate is required, the minor may apply to the town where the prospective place of employment is located. If the minor is temporarily residing in Connecticut, the town in which he or she resides may issue the certificate. The out-of-state minor must meet the criteria outlined on page 2 of this Manual.
- d. Homeschooled, out of school and out-of-state minors: Any designee in any school may issue working papers for any minor who has received an offer of employment in Connecticut with a correct Promise of Employment letter and official proof of age. The minor must meet the criteria outlined on page 2 of this Manual.
- e. Transfers/Reissues: Each employer of a minor must have a Certificate of Age Form ED-301 for each minor in its employ. A minor's Certificate of Age Form ED-301 is *nontransferable*. Any minor who has lost their original Certificate of Age Form ED-301 must apply for a reissued ED-301 in the same manner as for an original application. If an employer misplaces the Certificate of Age Form in order to avoid potential penalties from the CTDOL during a workplace standards inspection, the employer may request a copy of the original Form from the issuing school. If the date of the original Form predates the date of the workplace standards inspection, the penalty will be waived.

### 7. Employment Not Requiring Certificate of Age Form ED-301

**Governmental Jobs**, State, Federal or municipal jobs (such as public schools, libraries or parks & recreation), do not require working papers but are subject to all other requirements and prohibitions. 14 and 15 year-old workers may be employed only during school vacation.

**Other jobs not requiring working papers for 14 and 15 year-olds** (see appendix C) only during school vacations.

**Workforce Development Board Summer Youth Program Exemption**: The law exempts employers from the requirement to obtain a minor's working papers when they employ minors through a regional workforce development board's youth development program. Specifically, C.G.S. Section 10-193(b) exempts employers from the requirement to obtain a certificate showing the age of an employee under age 18 (i.e., his or her "working papers") when the employer wants to employ the minor through a regional workforce development board's youth development program.

**Supervised Agricultural Experience (SAE)** - 14 and 15 year-olds employed as part of an SAE may work during the school year and are not issued working papers.

See: [https://portal.ct.gov/-/media/sde/cte/wbl/sae\\_placement\\_manual.pdf](https://portal.ct.gov/-/media/sde/cte/wbl/sae_placement_manual.pdf)

**Child Performers** - Minors in Connecticut may work as child performers, are exempt from child labor laws and are not issued working papers

### 8. Apprenticeship Programs

Employment of minors in occupationally licensed trades [electrical, plumbing, heating, piping, air conditioning and fire protection (sprinkler fitting)] requires registration as a pre-apprentice prior to the issuance of the Certificate of Age Form ED-301. Apprentices must be at least 16 years of age.

An apprenticeship is usually defined as a prescribed period during which an individual (apprentice) learns a trade through on-the-job training and classroom instruction. In Connecticut, apprenticeship programs are usually two to four years in duration. State law permits a minor at least 16 years of age who is enrolled in an apprenticeship or pre-apprenticeship program to work in jobs considered hazardous when he/she is enrolled in an approved apprenticeship program (or other approved CSDE work experience programs) and is registered as an apprentice with the Apprenticeship Training Unit of the CTDOL.

**Please note: No Certificate of Age Form ED-301 shall be issued for apprentice trades UNLESS the minor presents the following documents:**

- a fully completed apprenticeship approval card signed by the Office of Apprenticeship Training of the CTDOL;
- authentic documentation of age (see Part A, number 3, page 2); and
- a written Promise of Employment.

When such a placement is made, particularly if it is initiated by school officials, employers should be advised of the requirement for a Certificate of Age Form ED-301 so that they will not be liable for a potential penalty if monitored by the CTDOL during a workplace standards inspection.

Additional information regarding approved apprenticeship programs may be obtained from the Connecticut Department of Labor, Office of Apprenticeship Training, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the Office of Apprenticeship Training at 860-263-6085, or [visit their website](#).

### 9. Career Pathways/Cooperative Work Programs

The CSDE offers programs in which students participate in structured/mentored, work-based learning opportunities aligned with Career Pathways. Work-based learning placements are typically paid internships for which students earn credit. Some exceptions to hazardous work restrictions exist for students who are approved by the CSDE and CTDOL through the LED-75 form, entitled "Approval Form: Workplace Learning Experiences for Minor Students in Hazardous Occupations."

Minors receive the Certificate of Age Form ED-301 after the LED-75 is completed. For more information regarding the LED-75, contact Suzanne Loud at 860-713-6746 or [Suzanne.Loud@ct.gov](mailto:Suzanne.Loud@ct.gov).

Minors may also work in Supervised Agricultural Experience (SAE) programs. This includes minors aged 14 or 15 who are permitted in this limited circumstance to work during the school year. In order to qualify for this exemption, the minor receives prior approval through the LED 31-23 form. Working papers are not issued to 14 or 15 year-olds for this purpose. Questions regarding SAE programs may be directed to the CSDE Academic Office or you may view the manual here: [https://portal.ct.gov/-/media/sde/cte/wbl/sae\\_placement\\_manual.pdf](https://portal.ct.gov/-/media/sde/cte/wbl/sae_placement_manual.pdf)

## General Operational Procedures

In issuing employment certificates to minors, the following procedures are provided to assist the designated agent:

### 1. Local Program Operations

It is important that the public be informed regarding the location and hours of operation where they may receive the Certificate of Age Form ED-301. In addition, the local school district, regional school district or private school should make provisions for issuing certificates during school vacation periods. To inform the public about “working papers,” various means of communication should be used. Some examples include:

- announcements on local radio or television;
- news items in local newspapers;
- school assemblies, school newspapers or bulletins;
- student handbooks; and
- school district or private school websites.

### 2. Obtaining the Electronic Certificate of Age Form ED-301

The Electronic Certificate of Age Form ED-301 is available to designated agents upon request to Marcy Reed, Education Consultant, Connecticut State Department of Education, Academic Office, 450 Columbus Boulevard, Suite 508, Hartford, CT 06103. You may also contact Marcy at 860-807-2130 or [Marcy.Reed@ct.gov](mailto:Marcy.Reed@ct.gov).

### 3. Preparation of the Certificate of Age Form ED-301

The Certificate of Age Form ED-301 is a form that must be completed electronically to ensure that all information is legible. If alterations in supporting documents have been made, no Certificate of Age Form ED-301 should be issued. The name of the applicant and the date of birth on each document must be legible and not altered in any form. All forms must be properly signed by the issuing agent.

### 4. Designation of Agent

State statute permits superintendents of schools, their designated agents, or supervisory agents of nonpublic schools to issue the Certificate of Age Form ED-301. Issuing agents shall ensure that all statutory and regulatory requirements which govern working papers are met.

The CSDE has an electronic process for providing information regarding designated agents for working papers. The information and the link to authorize designated agents are provided to superintendents of schools or supervisory agents of nonpublic schools. Only superintendents or supervisory agents may authorize designated agents, and must make requests for such authorizations directly to the CSDE Academic Office.

Whenever there are any changes in the name of the issuing agent(s), the address of the issuing office or other changes, the CSDE must be notified. New names must be submitted by the superintendent’s office. To request changes please contact Marcy Reed at 860-807-2130 or [Marcy.Reed@ct.gov](mailto:Marcy.Reed@ct.gov).

### 5. Maintenance of Records

Each issuing agent must maintain a file for each minor who has applied for or has received a Certificate of Age Form ED-301. The file should contain at least one copy of the signed “working papers,” as well as copies of all supporting documents. Each issuing agent should maintain records alphabetically by last name. Records may be destroyed three years after the minor has reached 18 years of age. \*For public schools, the issuing agent must receive

## PART A – Certificate of Age Form ED-301: Working Papers

---

permission from the Public Records Administrator before destroying records. However, if any record is being contested for accuracy, the record must be maintained until the contested record has been resolved.

\*Public school districts must comply with the records destruction requirements published by the State Public Records Administrator.

### 6. Programs of Job Training and Work Experience

Minors who are students under the age of 18 and enrolled in school programs may participate in job training and work experience programs (e.g., approved Career Pathways Programs, apprenticeship programs). Before supplying an employment certificate, the issuing agent or agents should verify that the minor has submitted any documents required by the job training or work experience program (e.g., Apprenticeship Approval Card, LED-75) for worksite assignments in potentially hazardous occupations. Those documents must be submitted in addition to any documentation required for the issuance of the Certificate of Age Form ED-301.

Career Pathways Programs must have all proper documentation (e.g., Apprenticeship Approval Card, LED-75 and Certificate of Age Form ED-301) on file before the individual begins employment.

### 7. Allowable Work Location and Tasks

Requests for working papers may include descriptions of job duties or tasks that are neither specifically permissible nor prohibited. In such cases, the CTDOL will make a determination as to the legality of the worksite or duties. Designees having questions regarding allowable locations or tasks not listed or addressed in this manual should contact the CSDE for guidance: Marcy Reed at 860-807-2130 or [Marcy.Reed@ct.gov](mailto:Marcy.Reed@ct.gov).

Because statutes governing restrictions are subject to annual legislative changes, for questions not addressed through this manual please contact the Wage and Workplace Standards Division of the Connecticut Department of Labor, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the CTDOL Wage and Workplace Standards Division at 860-263-6791.

Connecticut has several other types of working certificates or permits for minors, not all of which are issued through the Local or Regional School Districts.

#### 1. Agricultural Work Permit

When school is in session, no minor under 16 years of age can be employed in agriculture. For all employment in agriculture, the minor must present to the employer a birth certificate, an agricultural work permit, or other legal proof of age showing that they are at least 16 during the school year and at least 14 when school is out of session for the summer. Each employer must retain in their possession, and make available to the Commissioner of Labor or their agent, such legal proof of age, until the minor leaves their employment. When the minor leaves their employment, the employer must return to each minor such proof of age. Working papers are not issued.

#### 2. Apprenticeship Approval Card

To receive an **Apprenticeship Approval Card**, a minor at least 16 years of age must be enrolled in an official apprenticeship program and be registered as an apprentice. This card is issued only through the CTDOL and must be approved by the Office of Apprenticeship Training. For further information, please visit [CTDOL Office of Apprenticeship Training](#).

## PART A – Certificate of Age Form ED-301: Working Papers

### 3. LED 75-1: Workplace Learning Experiences for Minor Students in Hazardous Occupations

Minors who are 16 and 17 years of age cannot work on hazardous tasks at an on-the-job training worksite **UNLESS** they are students enrolled in a Career Pathways/Cooperative Work Education Program, an approved pre-apprenticeship/apprenticeship program, or a training worksite that has been approved by the CTDOL.

The local education agency (LEA) must complete and submit a LED 75-1, Workplace Learning Experiences for Minor Students in Hazardous Occupations, to the CSDE for each minor student participating in the work-based component of the Career Pathways/Cooperative Work Education Program. Once approved by the CSDE, the LED 75-1 will be forwarded to the CTDOL for approval. Please also note that the LEA must complete a Certificate of Age Form ED-301 for each participating student. Under no circumstances should the individual begin hazardous employment tasks until the LED 75-1 has been submitted to the CSDE and forwarded to the CTDOL for final approval.

Each LEA and employer must keep on file, and make available to the Commissioner of Labor and Commissioner of Education or their agents, a copy of the current approved training agreement between the LEA and the employer. These files must include a duly executed copy of each participating student minor's Certification Form LED 75-1 approved by the CSDE and CTDOL, and a duly executed copy of each participating student minor's Certificate of Age Form ED-301.

The following sections provide guidelines regarding certain restrictions that affect the employment of minors. These guidelines are not intended to be all-inclusive, and cannot be all-inclusive, as many new laws and regulations are passed annually. Whenever there are questions concerning legal restrictions in the employment of minors, we strongly recommend contacting the CTDOL, Wage and Workplace Standards Division, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the Wage and Workplace Standards Division at 860-263-6791.

#### 1. Hazardous Employment

**No minor under the age of 18 may be employed in any job that the CTDOL or Federal Fair Labor Act declares hazardous or operate equipment so designated** with the exception of minors who are students enrolled in approved programs, or minors enrolled in apprenticeship programs. For list of permitted occupations and prohibited places of employment, see Appendix D.

Rethermalizer and fryolator equipment operate with hot water and hot oil respectively, and require users, or employees, to wear protective gloves and use tongs to access the products within them. Severe injuries can result from the use of this equipment by inexperienced minor employees. CTDOL declares that minors sixteen- and seventeen-years-of-age may be employed in occupations where duties include the use of fryolators and rethermalizers. The use of rethermalizer and fryolator equipment remains declared hazardous for the employment of minors fourteen- and fifteen-years-of-age under CGS 31-23(c), and employees in this age group are prohibited from employment in such occupations.

Employers are required to provide training to all sixteen- and seventeen-year-olds employed in occupations where duties include the use of fryolators and rethermalizers. Such training must be:

- Provided within 30 days from the hire date;
- Facilitated by a person who is eighteen years old or over; and
- Must be specific to the machine(s) used.

Employers are required to maintain records relating to the training of minors in such occupations. Such records must include a description of the equipment the employee has been trained on and must be signed off by the employee and employer after completion of the training. Employers who fail to provide such training will be subject to a civil penalty of \$300.00 for each violation.

### 2. Wages

Minors must be paid for all work that is typically paid work. The rates for all persons under the age of 18 years, except emancipated minors, shall be not less than eighty-five per cent of the minimum fair wage for the first ninety days of employment **in a minor's first job** and shall equal the minimum fair wage thereafter, except in institutional training programs specifically exempted by the Labor Commissioner. Connecticut's minimum wage is as follows:

- \$15.69 beginning January 1, 2024
- In each subsequent year there will be an increase announced prior to January 1
- Minors who work more than 40 hours in any week must be paid overtime (1.5 times hourly rate).

#### Exemptions to the requirement for minimum wage:

- Effective July 1, 2019, persons employed in the hotel and restaurant industry. The business must be filed with the Department of Revenue as a restaurant or hotel in order to qualify for this exemption.  
\*See PA 19-4: <https://www.cga.ct.gov/2019/ACT/pa/pdf/2019PA-00004-R00HB-05004-PA.pdf>
- A minor who has received a first job offer may be paid 85% of the current minimum wage for the first ninety (90) days of employment and current minimum wage thereafter. This must be stated in the letter and is only applicable for a minor's first job.
- Licensed Youth Camps\* open no more than six months of the year are not mandated to pay minimum wage. (C.G.S. Sec 31-58) A business open more than six months per year is not eligible for this exemption.

\*A youth camp will apply for a license through the Office of Early Childhood (OEC), Division of Licensing. This license is needed for all programs that have five or more students under the age of 16 years old, who are participating in a program lasting three days or more. **No person shall establish, conduct or maintain a youth camp without a license issued by the Office of Early Childhood.** (C.G.S. Sec. 19a-421)

### 3. Hours of Employment

**No minor who is enrolled in school and under the age of 18 may be employed during school hours.** Exceptions are state-approved apprenticeships, approved Cooperative Work Education Programs, Career Pathways Programs, and Vocational Probation/Parole Employment Programs. For a list of all time and hour restrictions, see Appendix D.

**Exemption** – a homeschooled minor may receive Working Papers for work hours during the school day but must provide a document to the employer from the public school stating that the minor is not enrolled in the school system and is homeschooled. This document shall accompany the working papers.

### 4. Employment Involving a Motor Vehicle (see also Appendix G - Federal Hazardous Occupations Orders H02)

A minor under the age of 17 may not operate a motor vehicle as part of employment. Seventeen-year-olds may drive in limited circumstances: the driving is restricted to daylight hours; the driving takes place within a 30 mile radius of the place of employment; the driving is occasional (not more than two trips per day) and the driving is not time sensitive (such as food delivery). The minor must have a valid Connecticut driver's license, have completed a state-approved driver education course and have no record of moving violations at the time of hire. Driving is limited to vehicles 6,000 pounds or less with seatbelts, proper bodily injury liability and property damage insurance. Driving of forklifts, bobcats and all construction equipment is strictly prohibited. Transporting of persons in a bus or other vehicle including boats is strictly prohibited.

### 5. Exemption from Connecticut Child Labor Laws

## Hazardous Occupations Orders

The following Hazardous Occupations (HO) Orders are published by the U.S. Department of Labor (USDOL) under the federal Fair Labor Standards Act. States are permitted to have regulations and requirements that exceed federal regulations, but may not have less rigorous standards. All employers are responsible for complying with both federal and state standards. If the state standard is more restrictive, employers must comply with that state requirement.

Eighteen is the minimum age for employment in non-agricultural occupations declared hazardous by the Secretary of Labor. The rules prohibiting working in Hazardous Occupations (HO) apply either on an industry basis, or on an occupational basis no matter what industry the job is in. Parents employing their own children are subject to these same rules. Additional information and definitions may be found in [Child Labor Bulletin 101](#).

### These rules prohibit work in, or with the following:

#### HO 1. Manufacturing and storing of explosives.

This includes any type of explosives, fireworks, blasting caps etc.

#### HO 2. Driving a motor vehicle and being an outside helper on a motor vehicle.

A minor under the age of 18 cannot work as a driver or an outside helper on any public roadway or highway as part of employment.

There is an exception for 17-year-olds. 17-year-olds can drive in limited circumstances:

1. The gross vehicle weight is 6,000 pounds or less;
2. Driving is limited to hours of daylight;
3. Driving is only occasional or is incidental to the employment;
4. The minor possesses a valid state license for the type of driving involved;
5. The minor has completed a state-approved driver education course;
6. The minor does not have any record of moving violations at the time of hire;
7. The driving takes place within a 30-mile radius of the minor's place of employment;
8. The driving is not "time sensitive" such as delivery, particularly of food; and
9. The vehicle has seatbelts and the employer has instructed the minor that seatbelts must be used when driving.
10. Driving may not involve:
  - Towing vehicles; Route deliveries or route sales; Transportation for hire of property, goods or passengers;
  - Transporting more than three passengers, including employees of the employer;
  - More than two trips away from the primary place of employment in any single day to deliver the employer's goods to a customer (other than urgent, time-sensitive deliveries which are prohibited); and
  - More than two trips away from the primary place of employment in any single day to transport passengers, other than employees of the employer.

Tasks such as pizza delivery, for example, place the minor at risk of rushing or speeding, increasing the possibility of an accident and are prohibited for minors under this order.

#### HO 3. Coal mining.

#### HO 4. Forest fire fighting and fire prevention, timber tract management, forestry services, logging, and sawmill occupations.

This order bans all jobs in logging and saw mills, including cutting firewood, splitting firewood or working in sawmills in any capacity. The equipment used in these operations is also strictly prohibited for minors.

## APPENDIX E

---

### **HO 5. Power-driven woodworking machines.**

This order bans the operation of most power-driven woodworking machines like saws, stapling machines, nailing machines and sanders. The term “operation” includes setting up, adjusting, repairing, oiling or cleaning. Under this HO, the operation of chainsaws is also prohibited.

### **HO 6. Exposure to radioactive substances.**

### **HO 7. Power-driven hoisting apparatus.**

This includes, but is not limited to, forklifts, passenger elevators, freight elevators, service elevators, cranes, derricks, hoists, Bobcat loaders and skid steer loaders. Use of any power-driven hoist is prohibited for anyone under age 18.

### **HO 8. Power-driven metal-forming, punching, and shearing machines.**

Power-driven metal working machines which change the shape of or cut material by means of tools or dies or knives that are mounted on rams, plungers or other moving parts. Operation of machines that involve rolling and bending, hammering or shearing of metal are prohibited.

### **HO 9. Mining, other than coal mining.**

### **HO 10. Meat and poultry packing or processing (including the use of power-driven meat slicing machines).**

Minors cannot operate any power-driven meat processing machines such as meat slicers, meat saws or meat choppers. Use of these types of machines is prohibited regardless of the location of the work. “Operate” includes set up, adjusting, repairing, oiling, assembling, disassembling or cleaning of power-driven machines that have knives, slicers, formers etc. The blades are very sharp, and these machines are extremely dangerous. Food processors are also prohibited when used to process meat. Minors are prohibited from using a meat slicing machine even when slicing something other than meat, such as cheese or vegetables.

### **HO 11. Power-driven bakery machines.**

This order prohibits minors from operating machines used in baking such as horizontal and vertical dough mixers, batter mixers, dough brakes, dough shooters and cake-cutting band saws. “Operating” includes assembling, disassembling or cleaning any parts of these machines.

### **HO 12. Balers, compactors, and paper-products machines.**

This order bans the operation of paper product machines, scrap paper balers and paper box compactors by minors. These are very dangerous machines, often hydraulically powered. (This order does not include office paper shredders.)

There is an exception for minors who are 16 and 17 years old. They can load but never operate or unload certain scrap paper balers or paper box compactors but only under specific and stringent conditions:

1. The employer must make sure the equipment meets American National Standards Institute (ANSI) standards;
2. There must be a sticker on the machine stating that it meets ANSI standards;
3. The on/off switch must have a key-lock system;
4. Control of the key-lock must be in the hands of a manager over age 18;
5. The equipment must be completely inoperable while it is being loaded; and
6. The on/off switch must be in the ‘off’ position whenever the machine is not in operation.

## APPENDIX E

---

Minors may not have jobs in industries that manufacture bricks, tiles or any such products.

Use of any of these power-driven machines by minors is strictly prohibited.

**HO 15. Wrecking, demolition, and shipbreaking operations.**

Minors may not be employed to perform wrecking, building demolition or shipbreaking.

**HO 16. Roofing operations and all work on or about a roof.**

This order bans all jobs in roofing, including work performed on the ground and all work performed on or about a roof or in close proximity to a roof.

**HO 17. Excavation operations.**

This order bans all jobs of trenching and excavating, including working in trenches more than four feet deep. Minors may not work in excavating, work in or backfill trenches or perform any excavating for buildings or other structures.
