

STATE OF CONNECTICUT
STATE BOARD OF EDUCATION

May 8, 2018

Dear Superintendent:

It's that time of year again to encourage your school leaders and students to participate in **CONNECTICUT READS, the 2018 Governor's Summer Reading Challenge**. On May 8, 2018, Governor Dannel P. Malloy kicked off the annual Summer Reading Challenge highlighting the importance of reading to Connecticut's educators and students.

Many districts hold a variety of activities to support summer reading and strive to coordinate their activities with community-wide programs run by their local public libraries. School and public library partnerships increase students' access to books and reading activities during the summer months. The Governor's Summer Reading Challenge builds upon and links these efforts by reinforcing the importance of reading.

Many public libraries will utilize Evanced's Wandoo Reader system for managing their reading programs. The system allows student's access to their summer reading logs anywhere they have an Internet connection (including mobile devices). Schools that coordinate with their public library may choose to have students use this online reading log, rather than a paper one. In addition, libraries using Evanced's Wandoo Reader can assist schools with reporting requirements for the Governor's Summer Reading Challenge.

As in the past, all information and printable materials for the Governor's Summer Reading Challenge can be found on the Connecticut State Department of Education Web site at <http://portal.ct.gov/SDE/CTRead/Connecticut-Reads>.

I ask that you forward this e-mail to your principals and literacy leaders so that they can include all materials in their summer programming.

Please contact Joanne White at joanne.white@ct.gov or 860-713-6751 if you have any questions.

Sincerely,

Dr. Dianna R. Wentzell
Commissioner of Education
