

Apex Learning Summer Learning

Join us for a series of sessions to assist with your planning efforts and use of Apex Learning Courses for summer learning. Whether you are new or looking to learn more about how to effectively use Apex Courses to accelerate learning recovery and credit accumulation, these timely sessions will help assure you are ready.

Below you will find the initial registration link to start the summer learning process, along with a current list of upcoming sessions.

****To start the registration process for your district, please complete this form: <https://bit.ly/ApexCTSummer>****

What is Apex Learning and How Can it be Used for Summer Learning? (Length: 45 min)

Participants learn how Apex Courses accelerate credit accumulation, review features for differentiating support for all learners, and leave able to identify support contacts, resources, and key next steps.

5/17 3:30 PM, 5/19 10:00 AM, 5/24 3:30 PM, 5/26 4:00 PM, 5/31 9:00 AM, 6/3 9:00 AM

Implementation Planning for Summer Learning (Length: 60 min)

Participants identify or review their goals and vision for summer learning, identify evaluation metrics, establish start and end dates, review program settings, determine eligibility requirements and student selection processes, and determine scheduling, registration, and enrollment procedures.

5/25 10:00 AM, 5/26 10:00 AM, 5/31 3:30 PM, 6/2 9:00 AM, 6/7 9:00 AM, 6/9 3:30 PM, 6/13 3:30 PM, 6/20 3:30 PM

Functionality Training and Best Practices for Summer Learning (Length: 90 min)

Participants receive a curriculum overview and learn to use the learning management system with summer learning in mind. Best practices for instruction, assessment, classroom management, student motivation, learning goals, feedback, progress monitoring, intervening while maintaining a high level of rigor, and communication options are explored with an emphasis on credit recovery and accumulation.

6/8 3:00 PM, 6/14 9:00 AM, 6/16 3:00 PM, 6/21 9:00 AM, 6/23 3:00 PM, 6/28 9:00 AM, 6/30 3:00 PM

Office Hours for Summer Learning (Length: 45 min)

We are here to partner with you and help you adopt, monitor, evaluate, and prioritize where needed. Participants can drop in during this time to ask any questions about using Apex Courses. Do you have questions about the gradebook, reporting data, unlocking or resetting a quiz, or others? We have you covered.

6/16 9:00 AM, 6/22 3:30 PM, 6/23 9:00 AM, 6/27 3:30 PM, 6/29 9:00 AM, 7/7 9:00 AM, 7/12 9:00 AM, 7/14 3:00 PM, 7/19 9:00 AM, 7/21 3:00 PM, 7/26 9:00 AM, 7/28 3:00 PM, 8/2 9:00 AM, 8/4 3:00 PM

Apex Learning: Math and ELA Bridge Summer Program (Length: 45 min)

Early intervention and remediation are critical to ensure that middle students are grade-level proficient. Participants will learn how Apex Tutorials help ensure grade level proficiency and high school readiness through adaptive, personalized learning.

6/10 9:00 AM, 6/15 3:30 PM, 6/21 3:30 PM
