

CT STATE REGIONAL EARLY COLLEGE SUMMITS

Please join us at a Connecticut State Community College Early College Summit. CT State regional campus teams will partner with Connecticut school district teams to design expanded early college pathways through dual enrollment options. These summits will include:

- An overview of new CT State policies and procedures.
- Information on the National Alliance of Concurrent Enrollment Partnerships (NACEP) accreditation.
- The development of early college pathways tied to Connecticut's labor market demands.

We look forward to engaging with your school district teams to create meaningful higher education opportunities for Connecticut students.

To register for a summit of your choice, please scan the QR code at left or visit [2024 CT State Regional Early College Summit](#).

Registration for all sessions will close on **Friday, September 20**. For more information, please contact Kathleen Czarnota at kczarnota@commnet.edu.
