Don't miss this  
opportunity to  
position your school  
at the forefront  
of educational  
innovation!

School leaders are invited to a **Day of AI**, a transformative day-long summit exploring the future of AI in education.

Join us for engaging sessions featuring keynote speaker Jeffrey C. Riley, former Massachusetts Commissioner of Education.

This program, part of the MIT Initiative to Innovate Learning and Education in the Era of AI, is for school leaders. The summit will provide an understanding of how to apply AI effectively in the learning environment, as well as general knowledge about AI.

**Featured Learning Sessions:**

- AI Literacy for Students
- AI Tools for Educators
- AI Guidelines & Policy for Schools
- Designing AI-Enhanced Lessons with Standards Alignment
- Interactive exploration of the CSDE K-12 Digital Citizenship Model Curriculum
