The Connecticut State Department of Education (CSDE) presents the second English learner/Multilingual learner (EL/ML) education summit, Building Bridges to Success: Sustaining the Linguistic and Cultural Assets of Connecticut's ELs/MLs.

Join educators from across Connecticut for a dynamic day of learning, collaboration, and inspiration at the EL/ML Summit. This event offers rich opportunities to connect with colleagues; explore effective tools, strategies, and practices; and strengthen instructional programming for ELs/MLs.

The Summit will also spotlight Connecticut's EL/ML Framework, which provides guidance to elevate and align districtwide practices that support building bridges to success for ELs/MLs.

Join us as we work to sustain and celebrate the linguistic and cultural assets of Connecticut's English learners/multilingual learners.
