

STUDENT SUPPORT SERIES

Professional Learning for Youth Mental and Behavioral Health

SCHOOL YEAR 2026–27

The Student Support Series is a free monthly webinar series providing evidence-informed practices, practical strategies, and connections to resources that help schools support student well-being and foster safe, inclusive, and connected learning environments. Topics are informed by trends in youth mental and behavioral health, feedback from schools, and the evolving needs of students and families.

code to register.

**Supporting Students
Together**

CONNECTICUT
Education

Pending approval, each 90-minute webinar will provide 1.5 Continuing Education Credits (CEC) by the National Association of Social Workers, CT, and will meet the continuing education criteria for CT LCSWs, LMSWs, LMFTs, LPCs, and licensed psychologists.

CECs are available to eligible professionals employed by Connecticut public and private schools, alternative and special education programs, hospital and juvenile justice academic programs, school-based health centers, and embedded community partners.

Visit <http://portal.ct.gov/schoolmentalhealth>, or scan or click the QR code on the left to register for upcoming webinars and to view recordings of previous sessions.

Sign up for the School Mental Health Listserv to stay up to date on the Student Support Series!

- Send an email to listserv@list.ct.gov.
- Remove all text from the body of your email, including your email signature.
- In the body of your email, please type, "Subscribe SDE_SCHOOL_MENTAL_HEALTH (subscriber name)" and then send.

Please reach out to Kate.Bohannon@ct.gov with questions.
