Purpose of the Connecticut School Discipline Collaborative

The Connecticut School Discipline Collaborative will:

1. Advise the State Department of Education on issues, policies and practices relating to school discipline;
2. Evaluate and recommend plans for statewide school discipline reform initiatives to the State Board of Education;
3. Review effective practices carried out in Connecticut and other states to increase alternatives to exclusionary discipline and determine the feasibility of carrying out those practices in this state; and
4. Develop or identify tools for district and school personnel to implement alternatives to exclusionary discipline.
