Data Entry

Main Menu

The Main Menu contains: a link for contact information; links to separate data entry screens for each member town; and a link to the data certification page.

Contact Information

Self explanatory. Click on the link and complete all fields.

Assessment Data for Member Towns

Click on a town link, provide the required data, and "Save" the page. Proceed to the next town, and continue until all member towns are completed and saved. Specific data elements include:

Line 1) 2023-2024 Assessment to the Member Town

Report the final 2023-2024 assessment, inclusive of all supplemental assessments and/or changes subsequent to the initial approved assessment.

Line 2) 2023-2024 Amount Reported in Line 1 for Land, Buildings, Capital and Debt Service

If Line 1 includes costs for the purchase of land, capital building activity and/or debt service, isolate those amounts, sum them as necessary, and report them on Line 2.

Line 3) 2024-2025 Assessment to the Member Town

Report the final 2024-2025 assessment, inclusive of all supplemental assessments and/or changes subsequent to the initial approved assessment.

Line 4) 2024-2025 Amount Reported in Line 3 for Land, Buildings, Capital and Debt Service

If Line 3 includes costs for the purchase of land, capital building activity and/or debt service, isolate those amounts, sum them as necessary, and report them on Line 4.

Certification

Prior to certifying your data, use the Print link (located at the left margin of the Main Menu) to print your report; review it for accuracy and completeness. Data corrections must be made prior to certification, after which revisions can only be processed if authorized by the Bureau of Fiscal Services.

Once you have reviewed your report, certify by clicking on the Certification link and entering the Superintendent's code.
