Imbalance is determined pursuant to CGS §10-226e-3 and §10-226e-4 of the Regulations of Connecticut State Agencies, comparing school proportions with the district proportions of students in the same grade.

Note: Bold-faced fonts indicate the greater of the district or school minority percentage figures for each school.

Reporting District	Facility Code	School	District % Minority	Dist. Total	School % Minority	Schl. Total	Absolute Imbalance
296		Stamford Charter School for Excellence D					
	2960113	Stamford Charter School for Excellence	99.27%	273	99.27%	273	.00

* The reporting districts include all students in schools, programs and out-placed facilities.

* Diverse Schools are defined by Section 10-226e-1(9) of the Regulations of Connecticut State Agencies: when a school district has a district minority population of fifty percent or more, and the school has a school minority population of at least twenty-five percent but less than seventy-five percent, the district is excluded from the requirement of filing a racial imbalance plan for that school.

* R.C.S.A. Section 1-226e-1(10): "Unique school" means an interdistrict or intradistrict magnet, local or state charter, lighthouse, regional vocational agriculture, regional vocational-technical, alternative, or special education school or other school designated by the Commissioner which offers specialized programs or provides for the voluntary enrollment of students.
