

THE COMMISSIONER'S
2025 SUMMER
MATH
CHALLENGE

Connecticut's Summer Math Passport Students Entering Kindergarten

Family Learning Beach

Collect a group of rocks or shells and sort them into different groups: color, size, and shape.

Family Learning Farmer's Market

Observe the farmer's market. How are items sorted? *(If you can't go to a farmer's market, use the image below.)*

Family Learning Walk or Hike

Count how many steps it takes for you to get from the car to the trail.

Family Learning Ice Cream Shop

Your local ice cream shop has many flavors to try on a hot summer day! A few popular flavors are cookie dough, chocolate brownie, mint chip, and strawberry. If you want to order a two-scoop ice cream cone, what are some possible combinations you could try?
