List of Site Eligible Schools (October 2025 Data)

This document provides information on Connecticut's site eligible schools for the Child and Adult Care Food Program (CACFP), Summer Food Service Program (SFSP), Seamless Summer Option (SSO) of the National School Lunch Program (NSLP), Fresh Fruit and Vegetable Program (FFVP), and Afterschool Snack Program (ASP) of the NSLP, effective February 1, 2026. Site eligible schools are schools where at least 50 percent of children are eligible for free and reduced-price meals. These schools cannot be used to determine if other sites under the CACFP, SFSP, SSO, FFVP, and ASP are eligible.

Free and reduced-price percentages are calculated annually by the Connecticut State Department of Education's (CSDE) Child Nutrition Programs based on October data from the previous school year. In districts implementing the Community Eligibility Provision (CEP), the free and reduced-price percentage might not be reflective of individual children's eligibility status.
