Schedule for Submission of Online Reimbursement Claim Data

The Code of Federal Regulations for the Child and Adult Care Food Program (CACFP) [7 CFR §226.10(e)] outlines the time limits for submitting claims for reimbursement to state agencies by participating institutions. The due date for the claim form is the 15th of the month that follows the month covered by the claim. Final claims, including revisions, must be submitted no later than 60 days following the last day of the month covered by the claim. Claims not filed or corrected within the 60 days are at risk of not being paid.

Connecticut CACFP institutions submit claims online through the Connecticut State Department of Education's (CSDE) [Online Application and Claiming System for Child Nutrition Programs](#) (CNP System).

Timely payment: Institutions must adhere to the CSDE's "Schedule for Submitting Claims for Reimbursement" on page 2 of this memo to ensure timely payment of claims. A claim that is entered after the due date noted in column 2 of this schedule cannot be processed until the next month. **Institutions must ensure that monthly reimbursement claims are entered and submitted for payment in the CNP System by the deadline to ensure timely payment.**

Late claims: Although institutions may prepare and submit a claim in the CNP System at any time that the system is open, a claim that is submitted after the final deadline (column 4 of the CSDE's "Schedule for Submitting Claims for Reimbursement") will only be paid if the institution is eligible and approved for a one-time exception. The CSDE has the authority to approve a **one-time exception** every 36-months for one monthly original or revised claim submitted after the 60-day deadline that results in increased reimbursement when the lateness is due to reasons within the control of the institution. The one-time exception must be from the federal fiscal year (October 1 through September 30) to which the claim applies. To be considered for payment, one of the two approved authorized signers must submit a request for the one-time exception (including a corrective action plan) no later than December 15, 2022. For additional guidance, contact your CACFP consultant.

Separation of duties: The CSDE reminds institutions that separation of duties is a requirement for properly submitting claims. The CNP System includes security measures to support

separation of duties and prevent any single individual from having control over all aspects of a particular transaction, thereby minimizing the opportunity for errors and unintended reporting. For additional guidance, refer to the CSDE’s handout, [CACFP User IDs and Passwords for Accessing Connecticut’s Online Application and Claiming System](#), which is available in the “Documents/Forms” section of the CSDE’s CNP System webpage.
