Districtwide Data for School Year 2026-27

State Agency: Connecticut State Department of Education

The data below may not be fully reflective of the number of identified students and are intended only for informational purposes. The data do not confer final LEA eligibility for participation in the CEP. LEAs are eligible to participate in the CEP if the Identified Student Percentage (ISP) for the entire district, groups of schools, or individual schools meets or exceeds 25 percent. For more information about the CEP, visit the Connecticut State Department of Education's [CEP](#) webpage.
