

# Districts Required to Submit Lists of Foods and Beverages for Healthy Food Certification Documentation

## School Year 2025-26

All districts participating in Healthy Food Certification (HFC) for the current school year under Section 10-215f of the Connecticut General Statutes must submit the online HFC Compliance Form to the Connecticut State Department of Education's (CSDE) by **November 30, 2025**.

In addition to submitting the HFC Compliance Form, the districts indicated below must also submit lists of foods and beverages available for sale to students from all sources in the district, for the current school year. This documentation includes all schools in the district and any recipient schools under interschool agreements that have agreed to participate in HFC.

### Categories of Districts Required to Submit Lists of Foods and Beverages

The CSDE determines the districts required to submit lists of foods and beverages based on the three categories below.

1. Districts scheduled for an Administrative Review of the National School Lunch Program (NSLP) in the current school year.
2. Districts implementing HFC for the first time this school year or returning to HFC after a year or more of discontinuation.
3. Districts with HFC compliance issues for the prior school year.

This list is subject to change pending revisions to the CSDE's Administrative Review schedule.

## What the Lists Must Include

The lists must include all foods and beverages (commercial products and foods made from scratch) sold in school cafeterias, vending machines, school stores, kiosks, concession stands, other school-based enterprises, fundraisers that do **not** meet the exemption criteria of the state HFC statute (refer to the CSDE's resource, [Requirements for Food and Beverage Fundraisers in HFC Public Schools](#)), and any other sources of food and beverage sales to students on school premises, e.g., culinary arts programs, family and consumer sciences classes, afterschool programs, and recipient schools under interschool agreements.

- **Submit one list for the entire district for each source of food and beverages:** For example, submit one list for a la carte sales in all school cafeterias in the district and one list for foods and beverages sold from all vending machines in the district. Do not submit a separate list of items for each individual school.
- **Simplify the documentation process:** For each individual source of food and beverage sales (e.g., cafeteria, vending machines, and school stores), highlight all items sold to students in the appropriate sections of the CSDE's [List of Acceptable Food and Beverages](#) and attach to the first page of the appropriate CSDE documentation form. For example, attach the highlighted list of all items sold in cafeterias to *Form 1: Commercial Foods and Beverages Sold in School Cafeterias*.
