

# Overview of Meal Counting and Claiming Process for Connecticut School Nutrition Programs

## School Year 2023-24

This document summarizes the Connecticut State Department of Education's (CSDE) requirements for the meal counting and claiming process in local educational agencies (LEAs) and assists LEAs with meeting the U.S. Department of Agriculture (USDA) regulations for the [National School Lunch Program \(NSLP\)](#), [School Breakfast Program \(SBP\)](#), [Seamless Summer Option \(SSO\)](#) of the NSLP, [Afterschool Snack Program \(ASP\)](#) of the NSLP, and [Special Milk Program \(SMP\)](#). The USDA provides reimbursement for each meal (free, reduced price, and paid) that meets program requirements and is served to an eligible student. To obtain this reimbursement, LEAs must accurately count, record, and claim the number of meals served to students by eligibility category. Additionally, the number of free and reduced-price meals served and claimed for reimbursement must have adequate documentation on file to support the claim.

The six essential elements of an acceptable counting and claiming system are listed below.

1. Eligibility documentation
2. Money collection system
3. Point-of-service meal count system
4. Reports (e.g., financial, edit check worksheets, and other required documents)
5. Claim for reimbursement
6. Internal controls

**LEAs must ensure that all meal counting and claiming processes prevent overt identification.** Overt identification is any action that may openly or physically identify a student being recognized as potentially eligible to receive or be certified for free or reduced-price meals. LEAs must ensure that a child's eligibility status is not disclosed at any point in the process of providing free or reduced-price meals, including notification of eligibility, meal service in the cafeteria, at the point of service, and through the payment method.

## Recordkeeping

LEAs (including all schools electing to participate in CEP and Provision 2) must retain all meal count records, eligibility documents, rosters, edit checks, site monitoring forms, and claims for reimbursement for three years plus the current year, or longer if there is an open audit. Provision 2 sites must also retain all required base-year documents until after a new base year is developed, and for a minimum of three additional years beyond the end of the Provision 2 cycle. CEP schools must maintain documentation to support the school’s ISP. All CEP documentation must be maintained 1) the entire time CEP is in operation; 2) for three years after the last claim for reimbursement is submitted; and 3) if an audit is being conducted, until the audit is completed.

## Glossary

**administrative review:** A comprehensive evaluation of schools and institutions participating in the NSLP and SBP, conducted every three years by the CSDE.

**Afterschool Snack Program (ASP):** The USDA's federally assisted snack program implemented through the NSLP. The ASP provides cash reimbursement to help schools serve snacks to children in afterschool activities aimed at promoting the health and well-being of children and youth. Schools must provide children with regularly scheduled activities in an organized, structured and supervised environment that includes educational or enrichment activities, e.g., mentoring/tutoring programs. Programs must meet state or local licensing requirements and health and safety standards. For more information, visit the CSDE's [Afterschool Snack Program](#) webpage.

**attendance factor:** A percentage developed at least once each school year that accounts for the difference between student enrollment and attendance, i.e., the average percentage of enrolled students typically attending school on any given day.

**benefit issuance list:** A list of students who are eligible for free or reduced-price meals.

**claim for reimbursement:** The claim submitted to the CSDE on a monthly basis by LEAs to receive reimbursement for meals served under the USDA Child Nutrition Programs.

**Community Eligibility Provision (CEP):** The CEP allows schools that predominantly serve low-income children to offer free NSLP and SBP meals, without collecting individual household applications for

free and reduced-price meals. For more information, visit the CSDE's [CEP](#) webpage.

**direct certification:** A process conducted by states and LEAs to certify eligible children for free meals without collecting household applications. For more information, visit the CSDE's [Direct Certification for School Nutrition Programs](#) webpage.

**edit check:** A required internal control that ensures an accurate claim for reimbursement by comparing the number of students eligible for free, reduced and paid meals with the number of free, reduced and paid meals served.

**fiscal action:** The recovery of overpayment through direct assessment or offset of future claims, disallowance of overclaims as reflected in unpaid claims for reimbursement, submission of a revised claim for reimbursement, and correction of records to ensure that unfiled claims for reimbursement are corrected when filed.

**late claim:** A monthly claim for reimbursement that is submitted by the LEA after the final deadline required by the CSDE. For more information, refer to the CSDE's first operational memorandum of each school year, *Schedule for Submission of Online Reimbursement Claim Data*, which is available on the CSDE's [Operational Memoranda for School Nutrition Programs](#) webpage.

**local educational agency (LEA):** A public board of education or other public or private nonprofit authority legally constituted within a state for either administrative control or direction of, or to perform a service function for, public or private nonprofit elementary schools or secondary schools in a city, county, township, school district, or other

# Overview of Meal Counting and Claiming Process for Connecticut School Nutrition Programs

political subdivision of a state, or for a combination of school districts or counties that is recognized in a state as an administrative agency for its public or private nonprofit elementary schools or secondary schools. The term also includes any other public or private nonprofit institution or agency having administrative control and direction of a public or private nonprofit elementary school or secondary school, including residential child care institutions, Bureau of Indian Affairs schools, and educational service agencies and consortia of those agencies, as well as the state educational agency in a state or territory in which the state educational agency is the sole educational agency for all public or private nonprofit schools.

**meal pattern:** The required food components and minimum serving sizes that schools and institutions participating in the USDA Child Nutrition Programs must provide to children to receive federal reimbursement for meals and snacks served.

**money collection system:** The system used by the school food authority to collect money from students for free, reduced-price, and paid meals. For information on allowable systems, refer to the CSDE's [Site Information on Money Collection and Point-of-Service Meal Count System](#).

**National School Lunch Program (NSLP):** The USDA's federally assisted meal program operating in public and nonprofit private schools and residential child care institutions. The NSLP provides nutritionally balanced, low-cost or free lunches to children each school day. It was established under the National School Lunch Act, signed by President Harry Truman in 1946. For more information, visit the CSDE's [National School Lunch Program](#) webpage.

**offer versus serve (OVS):** A provision that applies to menu planning and the determination of reimbursable school meals in the NSLP and SBP. OVS allows children to decline a certain number of food components or items in the meal. All required meal components must be offered to each child. In the NSLP, students must select at least ½ cup of fruits or vegetables and the full portion (minimum serving size) of at least two other components. In the SBP, students must select at least three food items including at least ½ cup of fruit (or vegetable substitutions, if offered). OVS must be implemented in senior high schools for lunch but is optional for breakfast. For junior high, middle schools and elementary schools, OVS is optional for both breakfast and lunch. For more information, visit the CSDE's [Offer versus Serve for Grades K-12 in School Nutrition Programs](#) webpage.

**on-site monitoring:** A requirement for LEAs with more than one school that requires monitoring of the lunch and breakfast counting and claiming system used in each school under the LEA by February 1 of each year.

**overt identification:** Any action that may openly or physically identify a student being recognized as potentially eligible to receive or be certified for free or reduced-price meals.

**point of service -** The point in the food service operation where a determination can accurately be made that a reimbursable free, reduced-price, or paid meal has been served to an eligible child. Point of service includes two distinct aspects: Identifying a student's eligibility status (free, reduced, or paid) when they receive a reimbursable meal; and identifying the student has selected a reimbursable meal that can be counted and claimed.

# Overview of Meal Counting and Claiming Process for Connecticut School Nutrition Programs

**Provision 2:** An alternative to collecting individual household applications for free and reduced-price meals that requires participating schools to serve meals to participating children at no charge. Provision 2 reduces household applications to once every four years, and simplifies meal counting and claiming procedures by allowing schools to receive meal reimbursement based on claiming percentages. For more information, refer to the USDA's [Provision 2 Guidance](#) manual.

**reimbursable meal:** A meal that meets the USDA meal pattern requirements

**School Breakfast Program (SBP):** The USDA's federally assisted meal program operating in public and nonprofit private schools and residential child care institutions. The SBP provides nutritionally balanced, low-cost or free breakfasts to children each school day. The program was established under the Child Nutrition Act of 1966 to ensure that all children have access to a healthy breakfast at school to promote learning readiness and healthy eating behaviors. For more information, visit the CSDE's [School Breakfast Program](#) webpage.

**segregation of duties:** An internal control process where more than one person involved in the completion of a task so that one person is prevented from having control over all aspects of a particular transaction, thereby minimizing the opportunity for errors and unintended reporting.

**Seamless Summer Option (SSO) of the NSLP:** The USDA's federally assisted summer feeding program that combines features of the NSLP, SBP and Summer Food Service Program (SFSP) and serves meals free of charge to children ages 18 and younger from low-income areas. School districts participating in the NSLP or SBP are eligible to apply to the CSDE to participate in the SSFP. SSFP meals follow the meal patterns of the NSLP and SBP. For more information, visit the [Seamless Summer Option of the NSLP](#) webpage.

**Special Milk Program (SMP):** The USDA's federally assisted program that provides milk to children in schools and child care institutions that do not participate in other federal meal service programs. The SMP reimburses schools for the milk they serve. Schools in the NSLP or SBP may also participate in the SMP to provide milk to children in half-day pre-kindergarten and kindergarten programs where children do not have access to the school meal programs. For more information, visit the CSDE's [Special Milk Program](#) webpage.

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

1. mail: U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW  
Washington, D.C. 20250-9410; or
2. fax: (833) 256-1665 or (202) 690-7442; or
3. email: [program.intake@usda.gov](mailto:program.intake@usda.gov)

This institution is an equal opportunity provider.

The Connecticut State Department of Education is committed to a policy of equal opportunity/affirmative action for all qualified persons. The Connecticut Department of Education does not discriminate in any employment practice, education program, or educational activity on the basis of race; color; religious creed; age; sex; pregnancy; sexual orientation; workplace hazards to reproductive systems, gender identity or expression; marital status; national origin; ancestry; retaliation for previously opposed discrimination or coercion, intellectual disability; genetic information; learning disability; physical disability (including, but not limited to, blindness); mental disability (past/present history thereof); military or veteran status; status as a victim of domestic violence; or criminal record in state employment, unless there is a bona fide occupational qualification excluding persons in any of the aforementioned protected classes. Inquiries regarding the Connecticut State Department of Education's nondiscrimination policies should be directed to: Attorney Louis Todisco, Connecticut State Department of Education, by mail 450 Columbus Boulevard, Hartford, CT 06103-1841; or by telephone 860-713-6594; or by email [louis.todisco@ct.gov](mailto:louis.todisco@ct.gov).
