

Calendar for Completing Verification: School Year 2023-24

This calendar summarizes the tasks and completion dates required for Connecticut school nutrition programs to comply with the U.S. Department of Agriculture’s (USDA) verification requirements. The CSDE’s verification forms are updated annually in August/September and are available on the CSDE’s [Verification Procedures for School Nutrition Programs](#) webpage. Do not use outdated forms.

Rolling Verification

The USDA allows sponsors to start the verification process prior to October 1, which is known as “Rolling Verification.” Rolling Verification is designed to help ease the administrative burden associated with the verification process, especially for sponsors expecting large verification sample sizes. The due date for completing Rolling Verification is **November 15**, the same as the regular verification process. Prior to implementing this type of verification, interested sponsors **must review** the USDA’s [The Basics of Rolling Verification](#) webinar and [Verification Toolkit](#).

However, such verification efforts cannot delay the approval of applications. If an application is complete and indicates that the child is eligible for free or reduced-price meal benefits, the application must be approved. The LEA can only begin the verification process after the determination of eligibility has been made.
