**SUBJECT:** **Operational Memorandum No. 01-22**  
Pandemic Electronic Benefit Transfer (P-EBT) Local Level Administrative Cost Grant

Attached is the list of School Food Authorities (SFAs) eligible to receive payments through the P-EBT Local Level Administrative Cost Grant. The full reimbursement payment was distributed to SFAs on Friday, October 15, 2021, in one payment with the Connecticut State Department of Education (CSDE), coding description of **Emergency Operating Costs Reimb (PEBT)**.

The U.S. Department of Agriculture (USDA) Food and Nutrition Service (FNS) directed all regional offices to extend new Fiscal Year 2021 P-EBT Local Level Administrative Cost Grant Awards to Child Nutrition (CN) State agencies for the purpose of reimbursing local sponsors for administrative costs incurred in support of P-EBT. These grant funds may be used to reimburse allowable local level P-EBT costs. These activities include but are not limited to reporting student-level or school level learning models to the CSDE, fielding questions from the community, and collecting and processing applications solely for P-EBT.

FNS developed three streamlined funding amounts based on FNS’s research into the cost structure of school meal programs to provide an estimate of the costs of local P-EBT activities and scaled them using the distribution of P-EBT eligible children in SFAs to determine the amount of administrative funds that SFAs are eligible to receive.

Number of P-EBT Eligible Children per SFA approved site	Streamlined Funding Amount per SFA approved site
Less than 1,000	\$ 614.00
1,001-5,000	\$ 3,063.00
5,001 - 1,000,000 +	\$ 5,814.00

These funds should be used to offset the SFA’s administrative costs incurred in support of P-EBT benefits and should be deposited in the account from which the costs were originally paid. Use of these funds must be documented and may be reviewed as part of an audit or a Child Nutrition Program Administrative Review.
