SUBJECT: Operational Memorandum No. 01-23
Second Allocation of Supply Chain Assistance (SCA) Funds to Alleviate
Supply Chain Disruptions in the School Meal Programs

This guidance outlines an additional \$943 million of SCA funds that the U.S. Department of Agriculture (USDA) Food and Nutrition Service (FNS) is providing directly to schools and school districts. These funds enhance local school districts' ability to purchase foods for school meals by offering the resources needed to address supply chain challenges. FNS expects that these funds, in addition to any unspent funds from the May 2022 SCA allocation, will support school food authority (SFA) operations in school year (SY) 2022-23.

Funding is limited to SFAs currently operating the National School Lunch Program (NSLP) and/or the School Breakfast Program (SBP) in SY 2022-23. These funds may only be used by SFAs to purchase unprocessed or minimally processed domestic food products for the NSLP and SBP. For additional guidance on the proper use of SCA funds, refer to *Questions and Answers: Allocation of Supply Chain Assistance (SCA) Funds to Alleviate Supply Chain Disruptions in the School Meal Programs*, at the end of [Operational Memorandum No. 08-22](#), *Supply Chain Assistance Funds*.

The Connecticut State Department of Education (CSDE) determined the amount of funding provided to eligible SFAs using a predetermined formula outlined in [USDA Memo SP 15-22](#), *Second Allocation of Supply Chain Assistance (SCA) Funds to Alleviate Supply Chain Disruptions in the School Meal Programs*. The allocation includes:

- a base payment of \$5,000 to all eligible SFAs; and
- a proportional amount of funding based on each SFA's share of statewide student enrollment as of October 1, 2022.

The base payment is intended to ensure that the smallest districts receive a meaningful level of funding. The proportional amount is intended to provide resources that scale with the size of the student population served by the SFA.

Attachment 1 is the list of eligible SFAs and their formula-calculated payment amount. SFAs may choose to elect or decline their SCA allocation. SFAs electing to receive SCA funds will receive the full amount in one payment. If the SFA declines its allocation, their SCA funds will be available for reallocation by the CSDE. The CSDE must obligate all SCA payments to eligible SFAs by September 30, 2023.

For the purposes of distributing this second round of SCA funding, SFAs that have already signed the CSDE's *Supply Chain Assistance Funds Attestation Statement* as part of accepting the first SCA allocation are not required to sign another statement to receive additional funds. In lieu of the attestation statement, SFAs electing to receive these funds must notify the CSDE of their intent to accept these funds by completing the [opt-in survey](#) by **October 12, 2022**, to be eligible to receive SCA funds. The survey must be completed by the SFA's authorized signer 1 or 2, as approved on the ED-099 Agreement for Child Nutrition Programs.
