## Summer 2026

Residential camps may submit claims for SFSP meal reimbursement only for children individually identified as eligible for free or reduced-price school meals. Sponsors must track meal distribution to each individual camper at each meal service; and must maintain documentation of meals to support claims for reimbursement submitted to the Connecticut State Department of Education (CSDE). All campers must have equal access to the same meals. The U.S. Department of Agriculture (USDA) prohibits overt identification of children who are eligible for free or reduced-price school meals.
