

Ordering the Brigance® IED-III (2013) Early Childhood Edition

Background

The Connecticut State Department of Education is using the **Brigance Inventory of Early Development III (IED-III) – Early Childhood Edition** to collect and report Early Childhood Outcome (ECO) information. Specific sub-tests of the Brigance IED-III Early Childhood Edition have been identified by the Connecticut State Department of Education as the required sub-tests for which child specific information must be collected. The child specific information from each of the sub-tests will be used as the basis for reporting aggregate information on the developmental, behavioral and functional progress of Connecticut’s children receiving special education and related services in the preschool grade.
