The Primary Sanction is not tied to Incident Type - Part 1 and the Secondary Sanction is not tied to Incident Type - Part 2 field. It does not matter what order the incidents and sanctions are listed in.	When two incidents take place on the same day but at different times, they should be recorded as separate incidents. The time of incident must be included since both incidents occurred on the same day. The example above illustrates only the 10:00 a.m. incident.

- Sanction Type - Part 1 CANNOT equal Sanction Type - Part 2.

APPENDIX C – CGS 10-233c.(g) SUSPENSION OF PUPILS

On July 1, 2015 CGS 10-233c.(g) limited Out-of-School Suspensions and Expulsions of students in grade two and below to offenses that are

- 1) violent
- 2) sexual in nature, or
- 3) those that endanger others.

Table C of this document, the Incident Type table, includes a column indicating which codes fall into one of these categories. In addition LEA's can utilize the PK-Grade 2 Exclusionary Discipline Compliance Report, housed within the ED166 application, to determine if incidents have sanctions in accordance with the law. Please note this list is not an endorsement by CSDE to impose a particular sanction.

Records listed on the PK-Grade 2 Exclusionary Discipline Compliance Report are students who received a OSS or expulsion in PK-2 and whose incident type does not fall into one of the categories listed in CGS 10-233c.(g). This report gives your LEA an opportunity to review the records reported and revise any inaccuracies. Your LEA can also use this report as a tool to ensure you are correctly following CGS 10-233c.(g). The report is live, so any changes to the data are reflected immediately. **Your LEA must not change the records on the report if they are correct as is.**
