Keeping Data Current

- It is extremely important that student enrollment and demographic status is correct in PSIS.

- This information informs testing platforms (LAS Links, TIDE, College Board)

- Incorrect data fed into the PSIS system will result in downstream reporting issues as well as incorrect data for the Connecticut Accountability System Reporting.

Student Testing Demographic Data
Due June 3, 2022

PSIS Registration Reports-Check Daily

Missing LAS Links / CT Comprehensive Assessment Program Demographic Values
- Students in tested grades who do not have *all seven* of the Testing Demographic fields completed.
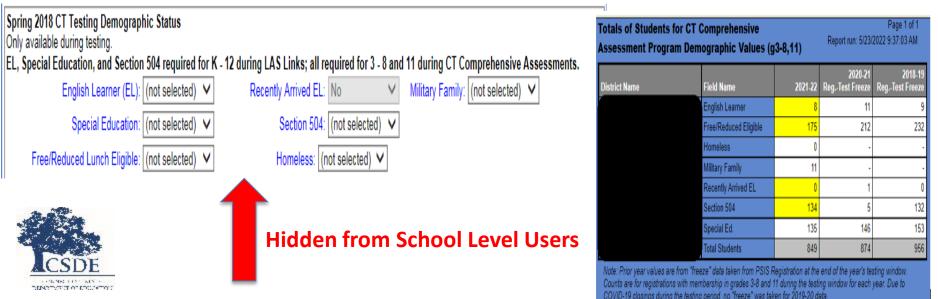

Totals of Students for CT Testing Demographic Status Values
- Items highlighted in yellow have a greater than 10% difference compared to last year's data.
