

STATE OF CONNECTICUT

STATE BOARD OF EDUCATION

January 13, 2023

Dear Superintendents and High School Principals:

Since July 1998, two Grade 12 public school students have been seated on the Connecticut State Board of Education ("Board"). The students, who are appointed by the Governor, serve a one-year term, beginning July 1 of each year.

We are now beginning the search process for the 2023-24 student Board members. The application package is attached and can be downloaded by accessing the Department's Web site: <https://portal.ct.gov/sde>. Please inform your students of the 2023-24 application process by posting the "Notice to Grade 11 Students" on a centrally located bulletin board and on your Web site, and including this information in your "morning announcements." *Please distribute this notice to your school counselors, PTA presidents, and student council members.*

Completed application packages must be received by mail **or** email (in .pdf format) by February 24, 2023. The **submitted .pdf order** is (1) signed Application form; (2) three reference letters from your teachers or school administrators; (3) your resume; and (4) a one-page statement describing why you would like to serve on the Board and your opinion on the education issue that you consider to be most critical.

Applications received after February 24th will not be accepted. The State Student Advisory Council on Education (SSACE) will review all applications in March 2023 and will select students for an interview. A SSACE panel will conduct interviews in March 2023, and will refer five of those individuals to the Governor for his consideration. The Governor will appoint two students to serve on the Board from July 1, 2023, through June 30, 2024.

Please encourage qualified students in your school to submit their applications. I look forward to your school's participation in this unique opportunity for students.

Sincerely,

Charlene M. Russell-Tucker
