Implementing Student Led Conferences to Improve Achievement

Goal: To empower students to take ownership of their learning, to increase students' monitoring of their progress and increase parent participation during conferences.

The Process:

- **Training of Staff: Student Growth Model**
- **Training Students: Developed "Talking Stems"**
- **Template of how work samples are chosen**

Outcomes:

- **Survey Data-Feedback on progress**

Next Steps:

- **Expand implementation: grades 2-12 (2022-2023)**
- **Expand to Grades K-12 (2023-2024)**
