## **VII. CONDITIONS**

1. This RFP is not a contract, and alone, shall not be interpreted as such. This RFP only serves as the instrument through which proposals are solicited. Once the evaluation of the proposals is complete and a firm is selected, the selected proposal and this RFP may serve as the basis for the contract that will be negotiated and executed between the Department and the selected firm. If the Department and the selected firm fail to reach agreement on all issues relative to the contract within a time determined solely by the Department, then the Department may commence and conclude contract negotiations with other proposers.
2. Any contract awarded as a result of this RFP shall be in full compliance with the statutes and regulations of the State of Connecticut, and include the Contract Provisions required by the State. Any statutes, and/or regulations that conflict with any portion of the contract, will take precedence.
3. Proposals are subject to rejection in whole or part if they limit or modify any of the terms and conditions and/or specifications of the RFP or attachments.
4. The successful proposal shall comply with all applicable State of Connecticut and the Department policies including the SDE Ethics Policy. The successful proposer shall also comply with all federal and state statutes and regulations regarding the protection of all confidential data including, but not limited to the Family Educational Rights and Privacy Act (“FERPA”).
5. All proposals submitted in response to this RFP become the property of the State of Connecticut, and are subject to the provisions of the Freedom of Information Act, Conn. Gen. Stat. §1-200 et seq. (See Section IX below.)
6. Any and all prices quoted in a proposal shall be valid for a period of 120 days from the due date of the proposal.
7. Any oral agreement between any agency, or employee, and a proposer shall be superseded by the written agreement.
8. The Department reserves the right to:
  - a. Amend, cancel or reissue this RFP;
  - b. Award in part; reject any and all proposals, in whole or in part;
  - c. Contract with one or more proposers for services;
  - d. Correct any and all inaccuracies due to clerical error in any contract awarded.
9. Proposer shall bear any and all costs incurred in responding to this RFP.

10. Any contract awarded is subject to contract compliance requirements mandated by §§ 4a-60, 4a-60a, and 46a-68j of the Connecticut General Statutes. The Department may require the Contractor to supply the following data to comply with State requirements:
  - a. The Contractor's success in implementing an affirmative action plan;
  - b. The Contractor's success in developing an apprenticeship program complying with §46a-68(a) to 46a-68(k) of the Connecticut General Statutes, inclusive;
  - c. The Contractors promise to develop and implement a successful affirmative action plan;
  - d. The Contractor's promise to set aside a portion of the contract for legitimate small contractors and minority business enterprises, where applicable. (See Conn. Gen. Stat. §4a-60g – 4a-60j.)
11. Any contract awarded shall be subject to and incorporate the Executive Orders of the Governor of the State of Connecticut.
12. For all state contracts as defined in Connecticut General Statutes §9-612(g)(2) having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this Agreement expressly acknowledges receipt of the State Election Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice.
13. The award of any contract pursuant to this RFP is dependent upon the availability of funding to the Department.
14. The Department reserves the right to correct clerical or administrative errors that may be made during the evaluation of proposals or during the negotiation of the contract and to change the contract award accordingly. In addition, the Department reserves the right to re-evaluate proposals and the award of the contract in light of information either not previously known or otherwise not properly having been taken into account prior to contract award. This may include, in extreme situations, revoking the awarding of the contract already made to a firm and subsequently awarding the contract to another firm. Such action on the part of the Department shall not constitute a breach of contract since the contract with the initial firm would be deemed void and of no effect as if no contract ever existed between the Department and such firm. The Department may waive minor irregularities found in proposals or allow the proposer to correct them, depending upon which is in the best interest of the State. "Minor irregularities" means typographical errors, informalities that are matters of form rather than substance and evident from the proposal itself, and insignificant mistakes that can be waived or corrected without prejudice to other proposers as determined in the discretion of the Department.

Due regard will be given for the protection of proprietary or confidential information contained in all proposals received. Conn. Gen. Stat. §1-210(b)(5). However, all materials associated with this RFP are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all applicable rules, regulations and administrative decisions. If a firm is interested in preserving the confidentiality of any part of its proposal, it will not be sufficient merely to state generally that the proposal is proprietary or confidential in nature and not, therefore, subject to release to third parties. Instead, those particular sentences, paragraphs, pages or sections that a firm believes to be exempt from disclosure under FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with § 1-210(b) of FOIA must accompany the proposal. The rationale and explanation must be stated in terms of the reasons the materials are legally exempt from release pursuant to FOIA.
