May 22, 2018

File No. 447

House of Representatives, April 12, 2018

The Committee on Education reported through REP. FLEISCHMANN of the 18th Dist., Chairperson of the Committee on the part of the House, that the substitute bill ought to pass.

AN ACT CONCERNING MINOR REVISIONS AND ADDITIONS TO THE EDUCATION STATUTES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (NEW) (*Effective July 1, 2018*) On and after July 1, 2018, any school nurse who is initially qualified as a school nurse pursuant to the regulations adopted under section 10-212 of the general statutes shall complete twelve hours of professional development during the first year such school nurse is employed by a local or regional board of education. The Department of Education, in collaboration with the Association of School Nurses and the Connecticut Nurses' Association, shall approve a curriculum for such professional

File No. 352

February Session, 2018

Substitute House Bill No. 5213

House of Representatives, April 10, 2018

The Committee on Public Health reported through REP. STEINBERG of the 136th Dist., Chairperson of the Committee on the part of the House, that the substitute bill ought to pass.

AN ACT CONCERNING ORAL HEALTH ASSESSMENTS OF CHILDREN AND THE PROVISION OF FLUORIDE TREATMENTS BY DENTAL ASSISTANTS.

Section 2 (b) Each health care provider, as defined in section 19a-7h, who has provided immunizations pursuant to section 10-204a, [and] each health care provider as described in section 10-206 who has provided health assessments pursuant to section 10-206, [and each dentist, dental hygienist or pediatrician who has provided an oral health assessment pursuant to section 1 of this act](#), to a child who is seeking to enroll in a public school in this state shall provide reports of such immunizations, [and] health assessments [and oral health assessments](#) to the designated representative of the local or regional school district governing the school in which the child seeks to enroll. Such health care providers shall also report the results of health assessments required pursuant to section 10-206 and report on immunizations provided pursuant to section 10-204a to such representative for each child enrolled in such public school. [Such dentists, dental hygienists and pediatricians shall also report the results of oral health assessments performed under section 1 of this act to such representative for each child enrolled in such public school.](#) Each local and regional board of education shall annually designate a representative to receive such reports from health care providers.

**Substitute Bill No.
5341**

AN ACT PROVIDING IMMUNITY FROM LIABILITY FOR SCHOOL BUS DRIVERS WHO MAY ADMINISTER EPINEPHRINE TO A STUDENT IN AN EMERGENCY SITUATION.

- (i) A school bus driver, on or in the immediate vicinity of a school bus during the provision of school transportation services, who renders emergency care by administration of medication with a cartridge injector to a student in need thereof who has a medically diagnosed allergic condition that may require prompt treatment in order to protect the student against serious harm or death, shall not be liable to the student assisted for civil damages for any injuries which result from acts or omissions by the school bus driver in rendering the emergency care of administration of medication with a cartridge injector, which may constitute ordinary negligence. The immunity provided in this subdivision does not apply to acts or omissions constituting gross, wilful or wanton negligence. For the purposes of this subsection, "cartridge injector" has the same meaning as provided in subdivision (1) of subsection (e) of this section.
