

# 2020-21 Structured Literacy Program Training Series Calendar At-a-Glance

The CSDE, in collaboration with SERC, is sponsoring a training series featuring structured literacy approaches. These research-based approaches are designed to work with students with SLD/Dyslexia and other decoding challenges.

All events listed below are free of charge for **public school personnel**; however, there are required materials that **must be purchased** by the district *prior to attending* the session in order for each individual to participate. Please see information below. *All non-public school personnel will be required to pay a fee in addition to the required materials that need to be purchased. Detailed information regarding those fees can be found in the event description online.*

Participants **must register for their desired event first** at <https://ctserc.org/events>, then follow the link, if applicable, to order necessary materials.

**Please note that there may be additional registration needed to attend the virtual sessions.**
