

Section V

A. Maintenance of State Financial Support

Pursuant to the authority established in IDEA section 618(a)(3), each applicant for funds under section 611 must provide the following State fiscal data with a certification of its accuracy by the State budget office or an authorized representative thereof. Amounts should be shown in whole dollars and are for the State fiscal year (SFY). States may meet the maintenance of State financial support (MFS) requirement in IDEA section 612(a)(18) and 34 CFR § 300.163 on either a total or per capita basis. In order to complete Section V.A. of the Application, States must provide in whole dollars the total amount of State financial support made available for special education and related services for children with disabilities during SFYs 2022 and 2023. However, if a State met the MFS requirement on a per capita basis, it **must** complete the first chart and then may also complete the second chart by providing, in whole dollars, the amount of State financial support made available for special education and related services per child with a disability during SFYs 2023 and 2024.
