2022 - 23 Training Resources

- [Test Administrator Training](#)  - This PowerPoint is intended for District Administrators (DA's in TIDE) as an option to train test administrators. It can be used (partially or as a whole) as a supplement to the information that was presented at the District Administrator Training conducted on January 18 and 20, 2023.
- [Connecticut Alternate Assessment Updates](#)  (recorded version) During this brief overview, topics such as the 2022-23 assessment window, teacher training, and processes for submitting the Connecticut Alternate Assessment Eligibility Form for students that qualify for the academic alternate assessments are discussed. The eligibility form also is used for students in Grades K-12 that are dually identified English learners/multilingual learners with significant cognitive disabilities that qualify for the new Connecticut Alternate English Language Proficiency Assessment (CAAELP).

Speaking of Professional Development...

- The CSDE Performance Office is starting a new professional learning series called [Behind the Numbers: From Data to Dashboards](#).
- Sessions in this series will show how data from different sources are incorporated into EdSight reports/dashboards including Next Generation Accountability reports.
- They will also highlight the proactive steps that districts can take to ensure that their data are accurate and complete when submitted to the CSDE.
- Three virtual sessions will be offered for the 2022-23 school year. The second session *Find Contacts Report; Chronic Absenteeism Accountability Indicator* will review two different types of reports — Find Contacts and Indicator 4 of the accountability system (i.e., chronic absenteeism). The session will be offered on **May 12, 2023**. To learn more and to register, please check out the [flyer](#).

Friendly Reminder About Another Assessment

- The CSDE will be collecting individual student assessment achievement levels for the **Connecticut Physical Fitness Assessment (CPFA)** for the first time in 2022-23. The *CPFA Individual Student Collection* application is now open.
- Information on the collection and application (e.g., Test Administration Manual, CPFA Individual Student Collection Application Users Guide and Sample/Template File) can be found on the [CPFA Individual Student Collection Page](#).
- Note: As of this morning, there was a large number of districts who have not assigned staff to the new *CPFA Individual Student Collection* application. We urge you to check with your LEA Security Manager to ensure staff are assigned for your district. You can look up your district's LEA Security Manger on EdSight in the Find Contacts report (EdSight -> Overview-> Find Contacts).
- **The deadline for data submission is July 6, 2023 and a freeze date of July 21, 2023. No data submissions/changes will be accepted after that date.**

Important Reminders

- All materials posted to the Connecticut Comprehensive Assessment Program Portal:
<https://ct.portal.cambiumast.com/>
- Paper TAMs/TCM were delivered in late January. If your district needs more, please contact the Cambium Help Desk 844.202.7583.
- The testing window closes **June 2, 2023**.

Preliminary Results Delivery

- All results (NGSS, Smarter, CTAS and CTAA) will be posted by mid-June.
- CSDE will likely be providing results taken earlier in the window on a “rolling release” in the [Centralized Reporting System](#) (CRS). This will be dependent on the quality control process, so a hard date has not been set. The tentative date is set for May 12, 2023.
- NGSS, CTAA, and CTAS will be available almost immediately.
- Smarter Balanced will be available within 10 business days to account for scoring.

Appeals

- Since we opened the window, we have had over 512 appeals.
- This week over 153 new appeals.
- Please submit requested documentation in a timely manner, and we ask that you **do not include students' names** in any email correspondence.
- Interims do not need to be reset or invalidated.
- Page 62 in the [TIDE User Guide](#) explains the appeals process.

- There is a [Test Administrator Training](#) developed for districts that can be used when preparing staff for statewide assessments.
- Consider asking teacher to revisit this training if they test students in error.

CT-SEDS and TIDE

- A one-way import occurs nightly between implemented/active IEP/504 plans in CT-SEDS and TIDE. This import is additive only. Accommodations may need to be turned off in TIDE if they are no longer reflected in the current or amended IEP/504 Plan.
- There is a timing mater which may affect access to the accommodations in TIDE. Depending on when documents are finalized in CT-SEDS (per the Begin Date), it could take up to 2 days for they data to populate in TIDE.
- Typically, PCG posts the IEP/504 accommodations file (marked by the solid blue star) daily in the morning.
- The CSDE pulls the data accommodations file in the evening and exports to TIDE over night. Therefore, if plans are updated after PCG's data posting, they should be reflected in TIDE within 48 hours.

Note: This one-way data import **does not apply** to the CT SAT School Day. Also note that Connecticut Alternate Assessment System Eligibility Forms entered in CT-SEDS **do not import to** TIDE. These forms must be submitted directly into the Data Entry Interface by the trained TEA.

CT-SEDS and TIDE

- Once the amendment is implemented/active, any *new* accommodations will import to TIDE (Note: this may take up to 2 days to reflect in TIDE).
- If you identify accommodation discrepancies within an implemented/active IEP/504 plan in CT-SEDS and TIDE, please email Deirdre or Janet, and provide the student SASID (no names) and accommodation type.
- Best practice is to wait to test students until the records in CT-SEDS and TIDE are the same.
- It is recommended that districts develop a local process for reviewing, tracking, and updating discrepancies in CT-SEDS and TIDE.

Refer to [CT-SEDS to TIDE Designated Supports/Accommodation Sync FAQ](#) for more information.

Special Documented Accommodations Resources for Proctors Providing Non-Standard Accommodations

When the PPT/504 plan rules out that a student's needs cannot be met through the standard supports/accommodations, there are specific guidelines that must be provided to the teacher (and reviewed/signed by teacher administering the accommodation(s)) prior to testing.

- Minimize disruptions (e.g., fire drills, announcements, etc.)
- Transcribe large-print and braille materials and submit into DEI, then return paper materials.

ACTIVE PROCTORING!

NGSS Assessment

- In the TA interface, there are three different science test forms: English, braille and Spanish. These are determined by the student’s test settings in TIDE. They are not interchangeable.

Troubleshooting Access to Alternate Assessments

If you have difficulty accessing the alternate assessment for a student, confirm the following:

- Has the Alternate Assessment Eligibility Form submitted in the Data Entry Interface (DEI)?
- Was the Alternate Assessment Eligibility Form submitted on or after March 1, 2023? If yes, then the Help Desk (844-202-7583) must be called to set the Alt Indicator to “Yes”.
- Is the test administrator trained?
- Does the test administrator have a TEA user role in TIDE?
- Is the test administrator going to the Test Administration Card to access the test?
- Does the student have access to the student interface with the current Secure Browser installed on their device?
- Has the student been approved for the Early Stopping Rule?
