2025 Connecticut SAT School Day

Universal Tools
Available to ALL students

Embedded within Bluebook

*Available if configured on the operating system of the student's testing device

- Highlights & Notes
- Answer Eliminator
- Calculator (Desmos)
- Clock (Counts down the time left for each section and gives a 5-minute warning)
- Color Contrast*
- Expand Passage or Item
- Mark for Review (Allows students to flag questions for later review)
- Math Reference Sheet
- Question Navigator (To quickly review and navigate to specific questions)
- Zoom (Enlarges the text and images on a test page)

Non-Embedded (Provided by the Proctor)

- Scratch Paper
- Hand-Held Calculator (Refer to the College Board SAT Calculator Policy)

Accommodations

Available to students with a finalized and implemented IEP or Section 504 Plan in CT-SEDS. All accommodations must be requested and approved by the College Board using the College Board's Services for Students with Disabilities (SSD) Online system. Changes or new accommodations should be submitted in SSD between **November 12, 2024, and January 13, 2025.** The College Board will transfer approved accommodations to Bluebook. Updates to this chart will be made as new features are released and additional options are made available by the College Board.

Embedded within Bluebook

*Available if configured on the operating system of the student's testing device

- Assistive Technology (AT)* (Includes screen readers and refreshable braille (RBDs))
- Braille Display (Includes Raised Line Drawings, Contracted)*
- Extended Test Time and Breaks (Various timing scenarios based on documented need)
- Screen Reader* (For students with print or visual disabilities that use screen readers during instruction and on assessments, this accommodation allows all sections of the test, including directions, items, graphics, etc., to be read aloud using the device's operating system or the student's own screen reader software.)
- Text-to-Speech (TTS)* (For students with print or reading disabilities that use TTS during instruction and on assessments, this accommodation allows all sections of the test to be read aloud using the device's operating system.)
- Speech-to-Text/Dictation*

Non-Embedded (Provided by the Proctor)

- Auditory Amplification/FM System
- Braille Paper Test/Raised Line Drawings (For students unable to test using the digital test)
- Color Overlay
- Food/Drink/Medication
- Modified Settings

The accommodations below are **only** for students who cannot access the digital assessment with configurations set on the testing device or Assistive Technology (AT) due to the complexities of a disability or incompatibilities with the student's AT third-party software.

(Paper Tests must be approved in SSD Online by selecting "Other" and specifying details in the response section.)

- Braille Paper Test/Raised line (UEB with Nemeth Math)
- Human Reader (For students unable to test using the digital test with screen reader/text-to-speech software)
- Large-Print Paper Test (14-point, 20-point, other) (For students who cannot use the zoom feature)
- Printed Copy of Verbal Instructions
- Scribe (To record responses for students who are unable to test digitally with dictation/speech-to-text software through the operating system or AT device)
- Signed Exact English or American Sign Language Interpreter (For oral instructions only)

Supports for ELs/MLs

Available to students identified as English learners/multilingual learners in PSIS.

Embedded within Bluebook

- 50% Extended Test Time (Must be selected in SSD Online by January 13, 2025, and approved by the College Board). (Note: From the SSD Online Dashboard, select New Request- English Learner Support portal.)

Non-Embedded (Provided by the Proctor) This support does not require approval by the College Board in SSD Online.

- Translated Directions
- Native Language Reader for Test Directions ONLY
- Word-to-Word Bilingual Dictionary

Refer to the College Board Accommodations Crosswalk and the College Board Accommodations webpage for more information.
IMPORTANT! *Students should trial digital accommodations on digital practice tests in Bluebook early in the year so that SSD Coordinators can request accommodations/submit change requests within the SSD submission window. This will help ensure optimal test conditions and accessibility on test day. Refer to guidance on the Practice and Preparations webpage.*
