5. Start Exam Set-Up

The screenshot displays the Bluebook Student Readiness Check interface. At the top, the Bluebook logo is on the left, and the user's name 'Stella Swift' with a profile icon is on the right. A welcome message reads 'Welcome, Stella! Good luck on test day!'. Below this, the 'Your Tests' section features a toggle for 'Active' (selected) and 'Past'. A link 'Don't see your test here?' is on the right. The main content area shows details for the SAT test, including the date, location (Lincoln High School), and testing accommodations. At the bottom of this section, a green checkmark icon is next to the text 'It's time to set up your exam.', and a yellow 'Start Exam Setup' button is positioned to its right. A red circle highlights both the message and the button. Below the SAT section, the 'Practice and Prepare' section has an 'Active' toggle and a link 'Learn more about Bluebook practice'.

The screenshot shows a web interface for "SAT Testing Rules". At the top, there is a "Help" link with a question mark icon and a "Return to Home" link with a house icon. The main heading is "SAT Testing Rules". Below this, the "Introduction" section states that the rules are a legal contract between the student and the College Board, and that they must be read carefully. It also mentions that all disputes will be resolved through binding arbitration. The "Section 1. Requirements for the SAT" section begins by stating that the SAT School Day is taken at a school (typically the school the student attends) on a Testing Device as defined below. It is administered on Bluebook, the College Board digital testing application (Exam App) that is...

SAT Testing Rules

Introduction

These Testing Rules ("**Testing Rules**," "**Terms and Conditions**," or "**Agreement**") are a legal contract between you and College Board ("**College Board**" or "**we**"). They set forth important rules and policies you must follow related to taking the digital SAT® ("**SAT**" or "**SAT School Day**"). Please read these carefully.

All disputes between you and College Board will be resolved through binding arbitration in accordance with Section 9 of this Agreement. You understand that by agreeing to arbitration, you are waiving your right to resolve disputes in a court of law by a judge or jury except as otherwise set forth in this Agreement.

Section 1. Requirements for the SAT

The SAT School Day is taken at a school (typically a school you attend) ("**your school**") on a Testing Device as defined below. It is administered on Bluebook™, the College Board digital testing application ("**Exam App**") that is

Exam Set-Up Complete

Recommended:

Take 20 minutes after exam set-up is complete to enable students to use the Test Preview provided in Bluebook™ with your support and/or guidance.

Be certain to point out the full-length practice tests that are available.

SAT Bluebook™ Practice Tests

Accessing Full-Length Practice Tests

- Four full-length practice tests are available anytime of the year by signing into Bluebook™ **with College Board account credentials** (anyone can create a College Board account at www.collegeboard.org), and are also available Spring 2026 by signing into Bluebook™ **with that student's Sign-In Ticket credentials** printed out by you from Test Day Toolkit.
- Single-click access is always from the student's home screen in Bluebook™.
- No time lost for exiting and coming back.
- Retake as often as you want.

SAT Bluebook Practice Tests- Full Length Practice Tests

Accessing Full-Length Practice Test Scores

After completing the full-length practice test, students can sign in to [My Practice](#) to:

- View practice score results and practice exam questions, answers, and explanations.
- Access progress bars representing knowledge of all the content domains on the test.
- Use practice test scores to inform the following activities in College Board's [Question Bank](#):
 - Filter questions by domain, skill, and difficulty, allowing targeted practice in areas with the most opportunity to grow.
 - Generate a set of Practice Specific Questions based on practice test results to provide additional review in the areas with the greatest opportunities for improvement.
- Similarly, use scores to inform your official College Board test prep with Khan Academy.

To provide your students with a full tour of all these resources, please share this QR Code:

SAT Bluebook™ Practice Tests- Khan Academy

Khan Academy Official College Board SAT Prep

- Once students have identified the knowledge and skills they need the most support on in [My Practice](#), they can also start Official Digital SAT Prep on Khan Academy®.
- Khan Academy® includes thousands of practice questions, videos, lessons, and hints to help students build the skills needed.

The screenshot displays the 'Official Digital SAT® Prep' interface on Khan Academy. The top navigation bar is dark blue with the text 'Test prep' and 'Official Digital SAT® Prep' on the left, and the Khan Academy logo on the right. A left sidebar contains a 'Course summary' section with a scrollable list of topics: 'Digital SAT Math' and 'Digital SAT Reading and Writing'. The main content area is divided into two sections. The first section, 'Digital SAT Math', lists topics on the left: 'About the digital SAT', 'Foundations: Algebra', 'Foundations: Problem solving and data analysis', 'Foundations: Advanced math', 'Foundations: Geometry and trigonometry', and 'Medium: Algebra'. On the right, corresponding skill levels are listed: 'Medium: Problem solving and data analysis', 'Medium: Advanced math', 'Medium: Geometry and trigonometry', 'Advanced: Algebra', 'Advanced: Problem solving and data analysis', 'Advanced: Advanced math', and 'Advanced: Geometry and trigonometry'. The second section, 'Digital SAT Reading and Writing', lists 'About the digital SAT', 'Foundations: SAT Reading and Writing', and 'Medium: SAT Reading and Writing' on the left, with 'Advanced: SAT Reading and Writing' on the right.
