2026-27 Grade 11 Connecticut SAT School Day

SSD Form Upload for Documentation Requests

Students who have a finalized and implemented **Individualized Education Program (IEP)** or a **Section 504 Plan** are eligible to receive accommodations on the Connecticut SAT School Day. While these accommodations should be documented in CT-SEDS, they do not sync with the College Board's SSD Online System. Instead, designated SSD Coordinators should submit accommodation requests in SSD Online before or during the Connecticut submission window of November 18, 2026, through January 11, 2027.

In most cases, no additional documentation will be required.

However, in rare instances when **DOCUMENTATION IS REQUIRED** during the SSD online request process, complete the submission process using **THIS** document, and proceed to upload **THIS** form through the SSD Online dashboard.
