LEXILE WORDLISTS

Easily download lists of important words by grade and domain, including math, science, social studies and general, that students are likely to encounter in textbooks and other learning materials. Hub.Lexile.com/wordlists
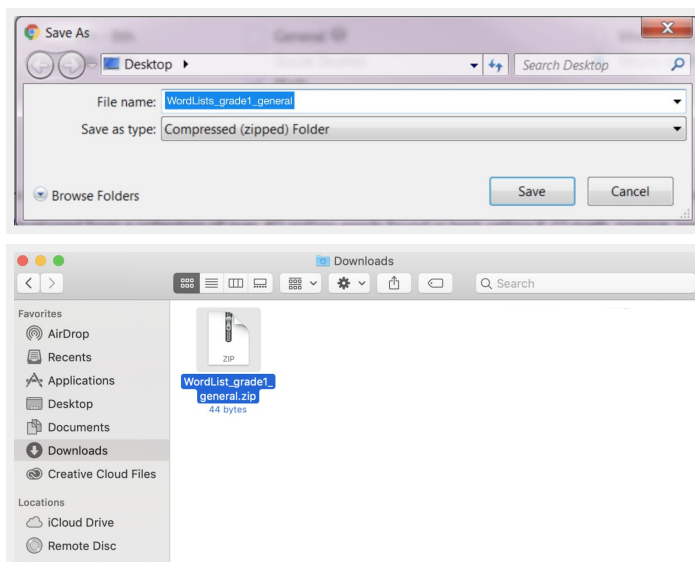

WordList Criteria

LEXILE WORDLISTS

WordLists is a tool used to create customized lists of consequential words from across domains including math, science, social studies, and General, which contains English Language Arts. WordLists was created to address vocabulary gaps in a student's knowledge and prepare them for words they will encounter in their learning or assessment of their learning. Pick from the selections below to create your custom word list.

WordLists is now in version 2.3 (updated on 9/12/18)

Select Grade(s):
- 1st
- 2nd
- 3rd
- 4th
- 5th
- 6th – 8th
- 9th – 12th

Select Domain(s): Select All
- General
- Social Studies
- Math
- Science*

Select Content(s):
- Words Only
- Words and Occurrences of Words Across Grades

Select File Format(s): Select All
- Spreadsheet
- PDF

Download

By proceeding, you declare that you have read and agreed to our Terms of Use.

NOTE: These Science words were drawn from textbooks published before the Next Generation Science Standards were released.

WordLists was developed from a collection of over 40 million words found in best-selling K-12 math, science, social studies, and English language arts textbooks.

MAKE SELECTIONS

- Select the desired grade from the Select Grade(s) list. **Note:** This is required information.
- Select the desired domain(s) from the Select Domain(s) list. **Note:** Domain-specific lists are only available for *Basic+* and *Premium* members.
- Select the desired content from the Select Content(s) list. **Note:** Words and Frequency are only available for *Premium* members.
- Select the desired file format from the Select File Format(s) list. **Note:** This is required information.
- Click **Download** to select whether to save or print your PDF and/or Spreadsheet file(s).

Results Download

RECEIVE DOWNLOAD

You will receive your results as a spreadsheet and/or PDF, depending on the file format(s) selected. If both are selected the files will download in a Compressed or "Zip" Folder. Your computer's settings will impact how files are downloaded.

Results

	A	B	C	D	E	F
1	version: 1.0	published: 02/13/2019	date queried: 04/25/2019	grade: 3	domains: general	
2						
3	Word	Domain	Grade			
4	affect	general	3			
5	organize	general	3			
6	represent	general	3			
7	critical	general	3			
8	factor	general	3			
9	separate	general	3			
10	locate	general	3			
11	prediction	general	3			
12	operation	general	3			
13	active	general	3			
14	depend	general	3			
15	section	general	3			

UNDERSTAND RESULTING WORDS

The words displayed have been designated as the most relevant academic words for the selected grade(s) and/or domain(s). **Note:** Lexile WordList is based on textbooks prior to Next Generation Science Standards.

UNDERSTAND CLASSROOM USES

Some common uses of WordLists results include:

- Identify grade-appropriate words to target classroom vocabulary instruction and assessment.
- Identify words to include in teacher-made instructional materials for domain-specific content.
- Select important academic words by grade and domain to highlight in assigned reading passages, books or other instructional materials.

LEXILE WORDLISTS   GRADE 3 | SCIENCE WORDS

WORD	WORD FREQUENCY	WORD	WORD FREQUENCY
ecosystem	91	germinate	16
organism	54	microscope	16
adaptation	40	dioxide	15
signal	38	invertebrate	15
milliliter	34	roadrunner	15
electrical	28	wildfire	15
cell	27	freshwater	14
reproduce	27	mercury	14
potential	25	panda	14
atmosphere	24	screw	14
renewable	23	germ	13

UNDERSTAND WORD FREQUENCIES

The frequency associated with a written word reflects how often it occurs in a body of text. WordLists frequencies measure the number of occurrences of a word in relation to the texts that make up the Lexile Landscape Corpus.

- In the example results, 3rd Grade Math words and their frequencies are returned.
- The word *axis* occurs within the Lexile Landscape Corpus 144 times in the 3rd Grade Math texts.

System Requirements

Operating System: Windows 10, Windows 8.1, Windows 8, Mac Mojave, Mac High Sierra, Mac Sierra, Mac El Capitan, Mac Yosemite, Mac Mavericks, Mac Mountain Lion, iPad Pro, Galaxy Tablet. Browser: Firefox 63 and above, Google Chrome 70 and above, Safari 6.2 and above. Min resolution: 1024x768.
