CT-SEDS: State-wide Accommodations for Smarter Balanced and Next Generation Science Standards Assessments

The following designated supports and accommodations were recently updated in CT-SEDS. If one or more of these were selected in a finalized IEP **prior to February 10, 2023,** please select the associated attribute manually in TIDE or update it directly in CT-SEDS prior to testing. This does not require an amendment or a technical edit to the IEP or 504 Plan. If these designated supports and accommodations were selected after February 10, no action is required.
