#### Q6. Goals, Activities and Budget

Local and regional school districts shall develop a three-year teacher education and mentoring plan that incorporates the Department of Education's goals and instructional priorities, as well as any local considerations based on community and student needs. The plan shall include a statement of three-year objectives related to the state's goal statement for the teacher education and mentoring program.

The Mission of the TEAM Program: To promote excellence, equity and higher achievement for Connecticut students by engaging teachers in purposeful exploration of practice through guided support and personal reflection.

#### The goals of the TEAM Program are to:

- Provide all beginning teachers with the support they need to develop as effective educators;
- Ease the beginning teacher's transition into the teaching profession in order to retain effective teachers;

- Develop teachers who are reflective practitioners, able to critically assess their practice against CT's teaching standards, and are committed to continuous professional learning;
- Cultivate an understanding of the professional responsibilities of an educator;
- Foster collaborative learning communities for all educators; and
- Provide excellent teachers the opportunity to develop as educational leaders.

Q7. List your district's three-year objectives related to the state's mission and goal statement for the Teacher Education And Mentoring Program.

(Consider: alignment to district/school initiatives related to teaching and learning; teacher retention, professional development, etc.)

Ben Bronz Academy will support the TEAM program by: - Providing funding to continue to utilize the TEAM Collaborative Dashboard Providing staff training and professional development to meet TEAM objectives and requirements - Appointing members to the TCC to provide direction and program updates to the district's three year plan - Establishing meeting times, roles and responsibilities of all staff involved in the TEAM program (TCC, mentors, administration, and support staff) - Reviewing and updating the district's teacher evaluation policies and procedures to align with the CCT, the SEED program of teacher evaluation, and the TEAM requirements for beginning teachers - Ensuring mentor update training is current for existing mentors, as well as identifying and recruiting additional mentors as needed - Providing trained reviewers to participate in reflection paper review within the regional consortium - Providing substitute coverage, teacher release time and funds (when available and at the discretion of the education director) for observations, mentor/mentee meetings, and outside professional development opportunities Distributing mentor stipends upon completion of the mentor's obligation. Ben Bronz Academy will support new teachers and objectives related to school initiatives by: - Providing opportunities for participation in a range of professional learning communities within content areas, grade levels and data teams - Providing on-going and systematic professional learning towards goals established by the teachers and their mentors (offering opportunities to connect PGAPs and SLOs in goal setting and data collection) - Providing teachers with regularly scheduled coaching opportunities with master teachers - Providing new staff with induction training sessions and materials Ben Bronz Academy will identify opportunities to retain teachers by: - Providing financial support for graduate work beneficial to the school - Providing release time for professional learning opportunities and continued education in the

on subject areas, grade levels, and needs; and a description of the process to ensure mentors are trained and updated in best practices and essential knowledge.

Those persons eligible to serve as mentors for such programs shall hold a provisional educator certificate or a professional educator certificate pursuant to section 10-145s, and have at least three years teaching experience in Connecticut, including at least one year of experience in the district in which they are presently employed. Retired certified teachers may also serve as mentors, provided they successfully complete a mentor training program.

Q17. Describe the criteria and process used to recruit and select mentors who meet the statutory criteria (see above).

Teachers will be invited/encouraged to participate in the mentor program based upon years of experience, grade-level and specialty (special education,
reading, academic content, etc), current training, and recommendation from the Education Director or District Facilitator. Teachers will be selected by the
Tool Track and the contents of the content training, and recommendation not the Education Director of District Training and the contents of th
TCC. Teachers participating in the mentor training program must have: - a minimum of 3 years experience in district - an intermediate or professional
certification - an expressed interest in leadership opportunities within the school

#### Q18

Assigning mentors to beginning teachers is a critical first step in providing support. Describe the criteria and process, including the timeline for assigning trained mentors to new teachers. How soon after a teacher is hired will the LEA assign a mentor?

<u>Consider</u>: matching beginning teachers and mentors based on subject areas, grade levels, proximity, and needs where possible when making an assignment.

#### Please Note: TEAM Guidelines state:

A mentor **must** be assigned to all beginning teachers at the start of the school year or as soon as possible upon hire. It is strongly encouraged that mentors be matched and assigned to a beginning teacher within 30 days of the beginning teacher's hire date. The district is responsible for ensuring that all beginning teachers are assigned a mentor (p. 9).

$\bigcirc$	Other: Please explain
	Describe any additional professional development opportunities provided by the LEA to mentors to ess further development of best practice and essential content knowledge. (Optional)

Q19. Beginning teachers are assigned a mentor within 30 days of hire.

While the district has limited resources for training and professional development, teachers are encouraged to take advantage of district and regional training opportunities. Teachers seeking professional development out of district must file a professional development form with the Education Director, seeking release time and funding (if applicable and available). The district will continue to apply for grants to offers monies for outside training opportunities.

### Q32. Mentoring Hours

Each mentor shall provide fifty contact hours to each beginning teacher during the program, with the expectation of approximately ten contact hours per module.

#### Q24.

Describe how your LEA will monitor the number of mentoring hours provided to each beginning teacher to ensure support hours are meeting the mandated requirements and a process for addressing possible issues during the year.

	The District Facilitator will monitor mentor hours through the dashboard. The DF will communicate with each mentor/BT pair quarterly. If any issues arise, the DF will meet with the TCC, including the Education Director, address the problem and make an updated plan.

# Q

Beginning teachers shall satisfactorily complete instructional modules (classroom environment, planning instruction, instructing, assessing and professional responsibility). Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

Beginning teachers shall complete two modules in their first year in the program and three modules in their second year in the program, except as otherwise provided by the Commissioner of Education.

#### Q26.

Describe how the LEA will orient all beginning teachers to the TEAM program (generally within 45 days from their first day in the classroom).

The TEAM Guidelines require all LEAs to provide an orientation to TEAM which includes, but is not limited to the following: an overview of the TEAM Program requirements, an introduction to TEAM, a review of the district's threeyear TEAM support plan, timelines for TEAM completion, including any district specific requirements, and a schedule for district-based support.

The DF provides an orientation presentation to all BTs and their mentors. This training session includes an overview of the TEAM requirements, a review	
of the district's three-year support plan, timelines for module completion, and a schedule for support.	

#### Q27.

Describe how the LEA will ensure BTs know the consequences of not completing all TEAM requirements by their deadline date.

Teachers who do not successfully complete all five modules by the end of three years in TEAM for Category I teachers, and two modules within two years for Category II teachers, and who do not receive an approved extension of time, will not be eligible for an extension of their initial educator certificate and will not be eligible to advance to the provisional certificate. In such case, in order to earn eligibility for the reissuance of the initial educator certificate, the teacher would need to fulfill the requirements of intervening study and experience (Sec. 10-145f) as approved by the State Board of Education.

The consequences of failure to complete TEAM requires is covered in the TEAM orientation session. TEAM teacher completion of required modules is closely monitored by the DF. When a teacher is within a year of his/her completion deadline, the DF, BT and mentor will meet to review the plan for
completion.

Q28.

Describe the process for monitoring beginning teachers are on track to complete TEAM by their deadline dates.

ne district uses the TEAM collaborative to monitor beginning teacher progress and ensure that teachers are keeping to the district deadlines. The	e DF
Il review the mentor meeting logs and hours monthly and will communicate any concerns directly with the mentor. The DF will update the Educa rector on BT progress on a quarterly basis.	uon

## Q29.

Describe supports for teachers who are not on track to complete TEAM by their deadline dates.

	Beginning teachers who are unable to adhere to module completion guidelines will be provided additional support and guidance by the Educational Director and/or District Facilitator. A completion plan is developed after a review of the potential consequences for failure to complete the TEAM program.
Į.	31. Module Completion
	eginning teachers shall satisfactorily complete five instructional modules (based on their teaching adorsement, some teachers will complete two instructional modules);

Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

For each instructional module, beginning teachers shall submit **a reflection paper or project**, to be signed by the mentor, that summarizes, describes or analyzes what has been learned by the beginning teacher and their students throughout the module and how the learning contributed to the development of such beginning teacher.

Q31. How will teachers demonstrate completion of each instructional module?

- Teachers will submit a reflection paper to demonstrate completion of each module.
- Teachers will submit a project to demonstrate completion of each module.
- Other

Q32. You selected <u>Project</u> - Please describe the requirements of the project including, but not limited to, how teachers will demonstrate and document module activities and outcomes aligned with the Criteria for Successful Completion of a Module.
