Q4. Describe the timeline for the TCC to meet. Include in the plan when the TCC will meet with central office personnel, principals and mentors.

The TCC will meet in September launch the TEAM process for 2019-2020. This meeting will include principals and mentors as well as TCC committee members. The TCC will meet after the Beginning Teachers have completed each module during the year to review the submissions.

Q48.
District Facilitator (DF).

The District Facilitator must be a certified teacher or a certified administrator in the district who will lead the TEAM Coordinating Committee and function as liaison between the CSDE, the district, beginning teachers, and mentors regarding requirements of the TEAM program.

The superintendent is asked to appoint the individual (DF) who will be responsible for the facilitation of the TEAM Program in the district. A DF may continue to serve in the role for multiple years. However, when a new DF is appointed, the superintendent must notify the CSDE by sending an email to Gady Weiner at gady.weiner@ct.gov

For a full description of the role and responsibilities, please see the [TEAM Program Manual](#).

- The superintendent has appointed the following individual to the role of DF:

Tammy Cassile

Q6. Goals, Activities and Budget

Local and regional school districts shall develop a three-year teacher education and mentoring plan that incorporates the Department of Education's goals and instructional priorities, as well as any local considerations based on community and student needs. The plan shall include a statement of three-year objectives related to the state's goal statement for the teacher education and mentoring program.

The Mission of the TEAM Program: *To promote excellence, equity and higher achievement for Connecticut students by engaging teachers in purposeful exploration of practice through guided support and personal reflection.*

The goals of the TEAM Program are to:

- Provide all beginning teachers with the support they need to develop as effective educators;
- Ease the beginning teacher's transition into the teaching profession in order to retain effective teachers;

- Develop teachers who are reflective practitioners, able to critically assess their practice against CT's teaching standards, and are committed to continuous professional learning;
- Cultivate an understanding of the professional responsibilities of an educator;
- Foster collaborative learning communities for all educators; and
- Provide excellent teachers the opportunity to develop as educational leaders.

Q7. List your district's three-year objectives related to the state's mission and goal statement for the Teacher Education And Mentoring Program.

(Consider: alignment to district/school initiatives related to teaching and learning; teacher retention, professional development, etc.)

Objective 1: Provide all beginning teachers with the support they need to be effective educators assign all beginning year teachers a mentor provide monthly professional development Objective 2: Develop educators who are reflective in their practice and can embrace continuous improvement and learning in their work. bi-weekly TEAM meetings to discuss practice and develop teaching and learning mentor will provide monthly informal observations and provide feedback to support teacher's growth Objective 3: Consistent with Capital Prep Harbor's learner expectations, foster collaboration through smaller learning communities of teachers. teachers will participate in weekly professional learning communities on-going professional development will be provided throughout the school year and teachers shall have access to professional development outside of school

Q8. Local and regional boards of education shall:

1. ensure substitute teacher coverage for mentors and beginning teachers to participate in the activities and modules required in the three-year teacher education and mentoring plan;
2. communicate regularly with beginning teachers about training opportunities, state-wide workshops and support group work;
3. coordinate the teacher education and mentoring program and teacher evaluation and supervision program, provided they are kept separate;

4. take steps to make time available, as needed, to help teachers achieve the goals of their mentoring plans;
5. coordinate the activities and schedules of mentors and beginning teachers to ensure faithful implementation of the district plan; and
6. submit annual report on mentor-teacher activities to the superintendent or director for review and approval.

Q9.

For each of the following requirements, check those that that your LEA is currently implementing, or, in the space provided, describe your plan for how the LEA plans to implement the requirement.

1. Ensure substitute teacher coverage for mentors and beginning teachers to participate in the activities and modules required in the three-year teacher education and mentoring plan.

We have professional development on Friday afternoons and have provided time for mentorship during those periods, so substitutes will not be necessary.

2. Communicate regularly with beginning teachers about training opportunities, state-wide workshops and support group work.

3. Coordinate the teacher education and mentoring program (TEAM) and teacher evaluation and support , provided they are kept separate.

4. Ensure mentors and beginning teachers have time to meet by coordinating their activities and schedules to ensure faithful implementation of the TEAM Program.

- 5. Submit an annual report on mentor-teacher activities to the superintendent or director for review and approval.

Q10. Local and regional boards of education will develop an annual budget to support the activities detailed in the three-year teacher education and mentoring plan and submit such budget annually to the Department of Education to receive state assistance for such activities. The CSDE will allocate funding directly to LEAs to offset the costs of TEAM implementation based on student population in the LEA.

Identify the areas that the LEA will use the allocated TEAM funding to support beginning teacher induction:

Q58.
Module Five - Professional Responsibility

Module Five Facilitated Conversations are meant to raise teachers' level of awareness about responsible, professional behavior. Districts have the opportunity to select the facilitator for the discussion of the scenarios. It is recommended that the facilitator be knowledgeable about district policies and procedures as well as the *Code of Professional Responsibility for Educators* within the *Common Core of Teaching*. Facilitators could be the District Facilitators, Human Resource Directors, Building Administrators; Central Office Administrators; or Teacher Leaders.

Q12. Who will facilitate Module Five?

- The District Facilitator
- Human Resource Director
- Central Office Administrator
- Building Administrator
- Teacher Leader

Q13. When will Module Five be conducted?

- At the beginning of the first year of teaching
- Mid-year of the first year of teaching
- Beginning of the second year of teaching
- Mid-year of the second year of teaching
- Other

Q14. How will Module Five be structured?

- Beginning teachers only
- Beginning teachers and their mentors
- Beginning teachers, mentors and experienced staff
- Other

Q15. How will teachers document the completion of Module Five?

The teachers will engage in an activity and conversation to demonstrate to the District Facilitator and the mentors their understanding of the components of Module Five.

Q24.
Mentors

Local and regional boards of education shall develop a three-year teacher education and mentoring plan that includes a description of the process used to select mentors and assign them to beginning teachers, based on subject areas, grade levels, and needs; and a description of the process to ensure mentors are trained and updated in best practices and essential knowledge.

Those persons eligible to serve as mentors for such programs shall hold a provisional educator certificate or a professional educator certificate pursuant to section 10-145s, and have at least three years teaching experience in Connecticut, including at least one year of experience in the district in which they are presently employed. Retired certified teachers may also serve as mentors, provided they successfully complete a mentor training program.

Q17. Describe the criteria and process used to recruit and select mentors who meet the statutory criteria (see above).

Senior illuminators, ideally within the same building will be selected to mentor the new Illuminators or beginning teachers (BT). Bi-weekly meetings are scheduled into the PD calendar to ensure that there is a high level of support for new teachers. The District Facilitator shall select and assign in consultation with the school leaders and the Superintendent considering experience, schedules, grade level and subject area experience. The District Facilitator shall ensure compliance with appropriate initial and refresher training for the DF and the mentors.

Q18.

Assigning mentors to beginning teachers is a critical first step in providing support. Describe the criteria and process, including the timeline for assigning trained mentors to new teachers. How soon after a teacher is hired will the LEA assign a mentor?

Consider: matching beginning teachers and mentors based on subject areas, grade levels, proximity, and needs where possible when making an assignment.

Please Note: *TEAM Guidelines state:*

*A mentor **must** be assigned to all beginning teachers at the start of the school year or as soon as possible upon hire. It is strongly encouraged that mentors be matched and assigned to a beginning teacher within 30 days of the beginning teacher's hire date. The district is responsible for ensuring that all beginning teachers are assigned a mentor (p. 9).*

Q19. Beginning teachers are assigned a mentor within 30 days of hire.

Yes

No (Explain)

Beginning teachers are assigned as soon as possible; however, we lost a mentor due to a last minute resignation and need to identify and train other qualified mentors.

Q20. All beginning teachers are matched with a mentor according to the following criteria (select all that apply):

Grade level

Content Area

Proximity

Needs

Other

Q21. All mentors must be trained and updated by state approved training(s) in best practices and essential knowledge on a regular basis.

Mentors are required to attend a state approved training and update training.

Mentors are trained by in-district trainers (lead/master mentors) who have been trained and updated by the state.

Other: Please explain

Q22. Describe any additional professional development opportunities provided by the LEA to mentors to address further development of best practice and essential content knowledge. (Optional)

Q32.

Mentoring Hours

Each mentor shall provide fifty contact hours to each beginning teacher during the program, with the expectation of approximately ten contact hours per module.

Q24.

Describe how your LEA will monitor the number of mentoring hours provided to each beginning teacher to ensure support hours are meeting the mandated requirements and a process for addressing possible issues during the year.

The DF shall meet quarterly with the mentors to review the meeting logs and completion of mandated requirements. All staff participate in professional development workshops on a weekly basis. Bi-monthly time will be provided specifically for mentors and new teachers. The DF will have regular access to the TEAM Dashboard to monitor documentation.

Q25.
Beginning Teachers

Beginning teachers shall satisfactorily complete instructional modules (classroom environment, planning instruction, instructing, assessing and professional responsibility). Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

Beginning teachers shall complete two modules in their first year in the program and three modules in their second year in the program, except as otherwise provided by the Commissioner of Education.

Q26.
Describe how the LEA will orient all beginning teachers to the TEAM program (generally within 45 days from their first day in the classroom).

The TEAM Guidelines require all LEAs to provide an orientation to TEAM which includes, but is not limited to the following: an overview of the TEAM Program requirements, an introduction to TEAM, a review of the district's three-year TEAM support plan, timelines for TEAM completion, including any district specific requirements, and a schedule for district-based support.

Q27.

Describe how the LEA will ensure BTs know the consequences of not completing all TEAM requirements by their deadline date.

Teachers who do not successfully complete all five modules by the end of three years in TEAM for Category I teachers, and two modules within two years for Category II teachers, and who do not receive an approved extension of time, will not be eligible for an extension of their initial educator certificate and will not be eligible to advance to the provisional certificate. In such case, in order to earn eligibility for the reissuance of the initial educator certificate, the teacher would need to fulfill the requirements of intervening study and experience (Sec. 10-145f) as approved by the State Board of Education.

The DF and mentors will orient the new teachers and explain the importance of TEAM and the consequences for certification if they fail to successfully complete the requirements.

Q28.

Describe the process for monitoring beginning teachers are on track to complete TEAM by their deadline dates.

The DF receives the planned module completion from the mentors and tracks the completion against the data in the Dashboard. Further, the regular meetings will provide the opportunity to monitor compliance.

Q29.

Describe supports for teachers who are not on track to complete TEAM by their deadline dates.

Mentors and school leaders, including principals, deans, and instructional coaches, as well as CMO staff will provide needed support to encourage new teachers to meet requirements.

Q31. Module Completion

Beginning teachers shall satisfactorily complete five instructional modules (based on their teaching endorsement, some teachers will complete two instructional modules);

Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

For each instructional module, beginning teachers shall submit **a reflection paper or project**, to be signed by the mentor, that summarizes, describes or analyzes what has been learned by the beginning teacher and their students throughout the module and how the learning contributed to the development of such beginning teacher.

Q31. How will teachers demonstrate completion of each instructional module?

- Teachers will submit a reflection paper to demonstrate completion of each module.
- Teachers will submit a project to demonstrate completion of each module.
- Other

Q32. You selected Project - Please describe the requirements of the project including, but not limited to, how teachers will demonstrate and document module activities and outcomes aligned with the Criteria for Successful Completion of a Module.

This question was not displayed to the respondent.

Q33. You selected Other- Please describe the requirements for module completion, including, but not limited to, how teachers will demonstrate and document module activities and outcomes aligned with the Criteria for Successful Completion of a Module.

Beginning Teachers (BTs) will work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module, to complete each instructional module. For each module, the BT must - (A) apply the knowledge gained through such activities in a lesson, project, or demonstration of how the activity impacted student learning; and (B) engage in an activity, approved by the mentor, that summarizes, describes, or analyzes what has been learned by the BT and his/her students throughout the module and how the learning contributed to the development of such BT. The project or the sign-off of the activity should be forwarded to the TCC for approval by the mentor.

Q51.

Review of Modules

For each instructional module, beginning teachers shall **apply the knowledge gained** through such activities and describe how the activity **impacted student learning**.

PLEASE NOTE: Regardless of whether a district elects to review module completion in-district or participate in a regional review process, all reviewers must be trained prior to conducting reviews and participate in update training in subsequent years.

Review Criteria

For each instructional module, beginning teachers shall submit **a reflection paper or project**, to be signed by the mentor, that summarizes, describes or analyzes **what has been learned** by the beginning teacher and

their **students** throughout the module and **how the learning contributed to the development of such beginning teacher.**

PLEASE NOTE: Regardless of whether a submits a reflection paper or a project, the review criteria is the same.

Q35. How are reviewers trained and updated?

- Reviewers are required to attend a state approved training.
- Reviewers are trained in-district using a state-approved training.
- Other: Explain

Q36. How will modules be reviewed for successful completion?

- Regional Review (RESC Collaborative)
- In-district Review
- Consortium (in a collaboration with other districts)

Q37. Describe the in-district or consortium review process including, but not limited to:

- Assigning reviews of module completion
- Criteria for successful completion
- Process for module resubmission for modules that did not meet the completion standard
- Process for communicating results to teachers
- Assuring confidentiality of the results

Beginning Teachers (BTs) will work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module, to complete each instructional module. For each module, the BT must - (A) apply the knowledge gained through such activities in a lesson, project, or demonstration of how the activity impacted student learning; and (B) engage in an activity, approved by the mentor, that summarizes, describes, or analyzes what has been learned by the BT and his/her students throughout the module and how the learning contributed to the development of such BT. The mentors review the activity/project against the standards laid out for the module. The rubric used for this review comes from the TEAM Criteria for Success for each module. The mentors collaborate to determine if the beginning teacher appropriately demonstrated successful completion. The results are share privately with the beginning teacher after the mentor provides the submission to the TCC.

Q38. Describe the process that the district will use to resolve internal disputes or appeals, including, but not limited to, disputes concerning the mentoring module process; mentor-beginning teacher relationships, - including a process to dissolve placements, if necessary; module outcomes (if reviewed in-district); and, requests for special accommodations based on disabilities.

If an Illuminator (BT), has a concern or a dispute, he/she shall first raise the issue with the involved decision-maker. If after the matter is raised, the Illuminator (BT) believes that there is a violation of the Harbor Plan, he/she may bring the matter to the Superintendent via email. Any requests for accommodations should be made to the Assistant Superintendent for Student Services, Tammy Cassile.

Q39. The TEAM Coordinating Committee (TCC) approved the 2019-2022 Three-year Support Plan for Beginning Teachers and Mentors.

- Yes
- No

Q40.
TEAM Coordinating Committee Approval

District Facilitator or TCC Chairperson Signature - Signature indicates the plan has been shared with and approved by the superintendent.
