Those persons eligible to serve as mentors for such programs shall hold a provisional educator certificate or a professional educator certificate pursuant to section 10-145s, and have at least three years teaching experience in Connecticut, including at least one year of experience in the district in which they are presently employed. Retired certified teachers may also serve as mentors, provided they successfully complete a mentor training program.

Q17. Describe the criteria and process used to recruit and select mentors who meet the statutory criteria (see above).

This School District consists of about 120+ professional staff. As a PreK – 12 schools there is a need to have qualified, trained mentors at the primary, middle and upper grade levels. Teachers who have demonstrated experience and commitment to the goals of the district will be invited/encouraged to participate in the mentor program based upon years of experience, grade-level and specialty (i.e. reading, unified arts), current training and recommendation from the principal. Teachers will be selected by the TCC and assigned to beginning teachers to be as closely matched to grade level and teaching assignment as possible. It is the district's goal to encourage participation as a means of enhancing teachers' own personal development. The district also intends to seek opportunities to collaborate with surrounding districts and LEARN to update mentors on best practices and essential knowledge.

Q18.

Assigning mentors to beginning teachers is a critical first step in providing support. Describe the criteria and process, including the timeline for assigning trained mentors to new teachers. How soon after a teacher is hired will the LEA assign a mentor?

Consider: matching beginning teachers and mentors based on subject areas, grade levels, proximity, and needs where possible when making an assignment.

Please Note: TEAM Guidelines state:

*A mentor **must** be assigned to all beginning teachers at the start of the school year or as soon as possible upon hire. It is strongly encouraged that mentors be matched and assigned to a beginning teacher within 30 days of the beginning teacher's hire date. The district is responsible for ensuring that all beginning teachers are assigned a mentor (p. 9).*

Q19. Beginning teachers are assigned a mentor within 30 days of hire.

Q21. All mentors must be trained and updated by state approved training(s) in best practices and essential knowledge on a regular basis.

Mentors are required to attend a state approved training and update training.

Q22. Describe any additional professional development opportunities provided by the LEA to mentors to address further development of best practice and essential content knowledge. (Optional)

Q32.

Mentoring Hours

Each mentor shall provide fifty contact hours to each beginning teacher during the program, with the expectation of approximately ten contact hours per module.

Q24.

Describe how your LEA will monitor the number of mentoring hours provided to each beginning teacher to ensure support hours are meeting the mandated requirements and a process for addressing possible issues during the year.

The number of mentoring hours will be monitored by the DFs through the TEAM collaborative dashboard. Mentors will be notified via DF of mentoring hours are lagging.

Q25.
Beginning Teachers

Beginning teachers shall satisfactorily complete instructional modules (classroom environment, planning instruction, instructing, assessing and professional responsibility). Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

Beginning teachers shall complete two modules in their first year in the program and three modules in their second year in the program, except as otherwise provided by the Commissioner of Education.

Q26.
Describe how the LEA will orient all beginning teachers to the TEAM program (generally within 45 days from their first day in the classroom).

The TEAM Guidelines require all LEAs to provide an orientation to TEAM which includes, but is not limited to the following: an overview of the TEAM Program requirements, an introduction to TEAM, a review of the district's three-year TEAM support plan, timelines for TEAM completion, including any district specific requirements, and a schedule for district-based support.

The District Facilitators will meet with BT during new teacher orientation (August) to give a brief overview of the TEAM program and to assign mentors. A full orientation will be provided in September/October each year and will be delivered by the DFs and/or LEARN staff. The school Building Administrator will collect beginning teachers' two-year support plans within 30 days from the start of the school year (or, for teachers hired mid-year, within 30 days of hire). The Principal will forward plans to the District TEAM Facilitator. Beginning teachers will communicate with the school Building Administrator approximate dates that PGAPs (identify for which Module) will be ready to share/discuss with Principal. The Building Administrator will review Beginning Teacher and Mentor Meeting Logs at least once a month. As necessary, the School Principal will acknowledge success and address any concerns with the beginning teacher and/or mentor. The Building Administrator will meet throughout the year with beginning teachers and mentors to facilitate the sharing of professional growth activities, successes, resources, etc. and/or to facilitate/provide professional development related to the induction/support of new teachers. Beginning Teacher Timelines: All Year 1 BTs will complete Module 1 prior to Winter Holiday Break (prior to Dec. 23) and Module 2 by May 15 of the same year. All Year 2 BTs will complete Module 3 by Nov. 30, Module 4 by March 30, and Module 5 by May 15. All Year 3 BTs will be scheduled individually based upon their module completion needs. Teachers hired mid-year will work with District TEAM Facilitator to adjust schedules accordingly.

Q27.

Describe how the LEA will ensure BTs know the consequences of not completing all TEAM requirements by their deadline date.

Teachers who do not successfully complete all five modules by the end of three years in TEAM for Category I teachers, and two modules within two years for Category II teachers, and who do not receive an approved extension of time, will not be eligible for an extension of their initial educator certificate and will not be eligible to advance to the provisional certificate. In such case, in order to earn eligibility for the reissuance of the initial educator certificate, the teacher would need to fulfill the requirements of intervening study and experience (Sec. 10-145f) as approved by the State Board of Education.

DFs will consistently monitor the progress of all BT through the TEAM dashboard. The DFs will communicate with the BTs, mentor, and building administrator to ensure adequate progress is being made throughout the TEAM process. During these communications, it will be made clear of the consequences for not completing TEAM. These meetings will be followed up with an email summarizing the context of the meeting and the possible consequences.

Q28.

Describe the process for monitoring beginning teachers are on track to complete TEAM by their deadline dates.

DFs will consistently monitor the progress of all BT through the TEAM dashboard.

Q29.

Describe supports for teachers who are not on track to complete TEAM by their deadline dates.

Additional meetings with mentors. Support to given by building administrators as necessary. DFs will meet with any BT who are in this situation to develop an action plan to assist with success of the TEAM program.
