Q6. Goals, Activities and Budget

Local and regional school districts shall develop a three-year teacher education and mentoring plan that incorporates the Department of Education's goals and instructional priorities, as well as any local considerations based on community and student needs. The plan shall include a statement of three-year objectives related to the state's goal statement for the teacher education and mentoring program.

The Mission of the TEAM Program: *To promote excellence, equity and higher achievement for Connecticut students by engaging teachers in purposeful exploration of practice through guided support and personal reflection.*

The goals of the TEAM Program are to:

- Provide all beginning teachers with the support they need to develop as effective educators;
- Ease the beginning teacher's transition into the teaching profession in order to retain effective teachers;

- Develop teachers who are reflective practitioners, able to critically assess their practice against CT's teaching standards, and are committed to continuous professional learning;
- Cultivate an understanding of the professional responsibilities of an educator;
- Foster collaborative learning communities for all educators; and
- Provide excellent teachers the opportunity to develop as educational leaders.

Q7. List your district's three-year objectives related to the state's mission and goal statement for the Teacher Education And Mentoring Program.

(Consider: alignment to district/school initiatives related to teaching and learning; teacher retention, professional development, etc.)

The purpose of participation in TEAM ROP is to prepare educators for professional success and long-term growth to ensure improved student learning by building their skills as reflective practitioners. TEAM ROP uses the existing TEAM infrastructure and leverages already existing local processes (the district's instructional practice rubric and a universal feedback process) to focus beginning teachers on the connection between their own instructional actions and student outcomes. TEAM Objectives: -Provide all necessary TEAM Review of Practice (ROP) training and resources to participants . - Identify and recruit new TCC members. -Schedule release time for mentors and beginning teachers. -Provide ongoing professional development related to teaching and learning. -Opportunities to participate in professional learning communities with colleagues and coaching opportunities. -Coordinate a timeline for completion in conjunction with building administration for release time and resources.

Q8. Local and regional boards of education shall:

1. ensure substitute teacher coverage for mentors and beginning teachers to participate in the activities and modules required in the three-year teacher education and mentoring plan;
2. communicate regularly with beginning teachers about training opportunities, state-wide workshops and support group work;
3. coordinate the teacher education and mentoring program and teacher evaluation and supervision program, provided they are kept separate;

4. take steps to make time available, as needed, to help teachers achieve the goals of their mentoring plans;
5. coordinate the activities and schedules of mentors and beginning teachers to ensure faithful implementation of the district plan; and
6. submit annual report on mentor-teacher activities to the superintendent or director for review and approval.

Q9.

For each of the following requirements, check those that that your LEA is currently implementing, or, in the space provided, describe your plan for how the LEA plans to implement the requirement.

1. Ensure substitute teacher coverage for mentors and beginning teachers to participate in the activities and modules required in the three-year teacher education and mentoring plan.

Mentors and beginning teachers will work with building administrators to coordinate release time to meet requirements of each module.

2. Communicate regularly with beginning teachers about training opportunities, state-wide workshops and support group work.

Mentors and beginning teachers will be given release time and funds to attend any training opportunities related to TEAM work.

3. Coordinate the teacher education and mentoring program (TEAM) and teacher evaluation and support , provided they are kept separate.

The building administrator who does evaluations does not mentor beginning teachers

4. Ensure mentors and beginning teachers have time to meet by coordinating their activities and schedules to ensure faithful implementation of the TEAM Program.

Mentors and beginning teachers are in the same building to coordinate release time.

- 5. Submit an annual report on mentor-teacher activities to the superintendent or director for review and approval.

Q10. Local and regional boards of education will develop an annual budget to support the activities detailed in the three-year teacher education and mentoring plan and submit such budget annually to the Department of Education to receive state assistance for such activities. The CSDE will allocate funding directly to LEAs to offset the costs of TEAM implementation based on student population in the LEA.

Identify the areas that the LEA will use the allocated TEAM funding to support beginning teacher induction:

Local and regional boards of education shall develop a three-year teacher education and mentoring plan that includes a description of the process used to select mentors and assign them to beginning teachers, based on subject areas, grade levels, and needs; and a description of the process to ensure mentors are trained and updated in best practices and essential knowledge.

Those persons eligible to serve as mentors for such programs shall hold a provisional educator certificate or a professional educator certificate pursuant to section 10-145s, and have at least three years teaching experience in Connecticut, including at least one year of experience in the district in which they are presently employed. Retired certified teachers may also serve as mentors, provided they successfully complete a mentor training program.

Q17. Describe the criteria and process used to recruit and select mentors who meet the statutory criteria (see above).

Mentors will be recommended by building administrators based on experience, ability to work collaboratively with colleagues and ability to document module participation as required by TEAM.

Q18.

Assigning mentors to beginning teachers is a critical first step in providing support. Describe the criteria and process, including the timeline for assigning trained mentors to new teachers. How soon after a teacher is hired will the LEA assign a mentor?

Consider: matching beginning teachers and mentors based on subject areas, grade levels, proximity, and needs where possible when making an assignment.

Please Note: TEAM Guidelines state:

*A mentor **must** be assigned to all beginning teachers at the start of the school year or as soon as possible upon hire. It is strongly encouraged that mentors be matched and assigned to a beginning teacher within 30 days of the beginning teacher's hire date. The district is responsible for ensuring that all beginning teachers are assigned a mentor (p. 9).*

Q19. Beginning teachers are assigned a mentor within 30 days of hire.

Yes

No (Explain)

Q20. All beginning teachers are matched with a mentor according to the following criteria (select all that apply):

Grade level

Content Area

Proximity

Needs

Other

Q21. All mentors must be trained and updated by state approved training(s) in best practices and essential knowledge on a regular basis.

Mentors are required to attend a state approved training and update training.

Mentors are trained by in-district trainers (lead/master mentors) who have been trained and updated by the state.

Other: Please explain

Q22. Describe any additional professional development opportunities provided by the LEA to mentors to address further development of best practice and essential content knowledge. (Optional)

Q32.

Mentoring Hours

Each mentor shall provide fifty contact hours to each beginning teacher during the program, with the expectation of approximately ten contact hours per module.

Q24.

Describe how your LEA will monitor the number of mentoring hours provided to each beginning teacher to ensure support hours are meeting the mandated requirements and a process for addressing possible issues during the year.

Mentors will keep a meeting log in a shared document to record the appropriate number of hours per module.

Q25.

Beginning Teachers

Beginning teachers shall satisfactorily complete instructional modules (classroom environment, planning instruction, instructing, assessing and professional responsibility). Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

Beginning teachers shall complete two modules in their first year in the program and three modules in their second year in the program, except as otherwise provided by the Commissioner of Education.

Q26.

Describe how the LEA will orient all beginning teachers to the TEAM program (generally within 45 days from their first day in the classroom).

The TEAM Guidelines require all LEAs to provide an orientation to TEAM which includes, but is not limited to the following: an overview of the TEAM Program requirements, an introduction to TEAM, a review of the district's three-year TEAM support plan, timelines for TEAM completion, including any district specific requirements, and a schedule for district-based support.

New teachers will attend a TEAM ROP orientation provided by EdAvance. Mentors will provide a review of the three year plan, as well as TEAM ROP and sample module resources available online.

Q27.

Describe how the LEA will ensure BTs know the consequences of not completing all TEAM requirements by their deadline date.

Teachers who do not successfully complete all five modules by the end of three years in TEAM for Category I teachers, and two modules within two years for Category II teachers, and who do not receive an approved extension of time, will not be eligible for an extension of their initial educator certificate and will not be eligible to advance to the provisional certificate. In such case, in order to earn eligibility for the reissuance of the initial educator certificate, the teacher would need to fulfill the requirements of intervening study and experience (Sec. 10-145f) as approved by the State Board of Education.

Beginning teachers are provided with timelines and reminders by their mentors during the first year of TEAM.

Q28.

Describe the process for monitoring beginning teachers are on track to complete TEAM by their deadline dates.

Mentors and beginning teacher will meet to put into place, a year long time frame for the number of modules and completion dates. This will include: - Monthly meetings with mentor and beginning teacher. - Ongoing logs of time on each module. - Reminders from DF. -Use of the TEAM ROP CAPA form to document module work.

Q29.

Describe supports for teachers who are not on track to complete TEAM by their deadline dates.

Teachers will meet with mentor to discuss expected time frame and review with the DF if an extension is necessary based on shared information. Human Resources may be notified as well.

Q31. Module Completion

Beginning teachers shall satisfactorily complete five instructional modules (based on their teaching endorsement, some teachers will complete two instructional modules);

Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

For each instructional module, beginning teachers shall submit **a reflection paper or project**, to be signed by the mentor, that summarizes, describes or analyzes what has been learned by the beginning teacher and their students throughout the module and how the learning contributed to the development of such beginning teacher.

Q31. How will teachers demonstrate completion of each instructional module?

- Teachers will submit a reflection paper to demonstrate completion of each module.
- Teachers will submit a project to demonstrate completion of each module.
- Other

Q32. You selected Project - Please describe the requirements of the project including, but not limited to, how teachers will demonstrate and document module activities and outcomes aligned with the Criteria for Successful Completion of a Module.

Beginning teachers will engage in TEAM Review of Practice (ROP) and demonstrate and document module activities and outcomes in the form of a project. In TEAM ROP, the only variance from the traditional TEAM process is the substitution of the ROP evidence and reflection framework (CAPA - Collect, Analyze, Process, Act) for the TEAM reflection paper and the use of the beginning teacher's district rubric instead of the Performance Profile. This reflection framework will be scored using the same criteria as the paper. The use of the district's local instructional rubric (whether it is SEED/CCT Rubric for Effective Teaching, Marzano or any other) simply reduces the training footprint (beginning teachers only have to learn one rubric instead of two) and increases alignment between improvement practices of induction and professional growth. The TEAM ROP instructional module process requires teachers to identify an area of growth and engage in professional learning, apply their new learning, and document through participation in a review of practice (project). Teacher evidence and reflection shared during the review of practice is reviewed and scored using the same criteria as the existing TEAM program. 1) New Learning: what they did to develop new learning and what they learned in relation to their own practice; 2) Impact on Practice: how they used their new learning and how their practice has changed; 3) Impact on Students: the positive impact on student learning as a result of implementing the new learning.

Q33. You selected Other- Please describe the requirements for module completion, including, but not limited to, how teachers will demonstrate and document module activities and outcomes aligned with the Criteria for Successful Completion of a Module.

Q51.

Review of Modules

For each instructional module, beginning teachers shall **apply the knowledge gained** through such activities and describe how the activity **impacted student learning**.

PLEASE NOTE: Regardless of whether a district elects to review module completion in-district or participate in a regional review process, all reviewers must be trained prior to conducting reviews and participate in update training in subsequent years.

Review Criteria

For each instructional module, beginning teachers shall submit **a reflection paper or project**, to be signed by the mentor, that summarizes, describes or analyzes **what has been learned** by the beginning teacher and their **students** throughout the module and **how the learning contributed to the development of such beginning teacher**.

PLEASE NOTE: Regardless of whether a submits a reflection paper or a project, the review criteria is the same.

Q35. How are reviewers trained and updated?

- Reviewers are required to attend a state approved training.
- Reviewers are trained in-district using a state-approved training.
-

Other: Explain

Q36. How will modules be reviewed for successful completion?

- Regional Review (RESC Collaborative)
- In-district Review
- Consortium (in a collaboration with other districts)

Q37. Describe the in-district or consortium review process including, but not limited to:

- Assigning reviews of module completion
- Criteria for successful completion
- Process for module resubmission for modules that did not meet the completion standard
- Process for communicating results to teachers
- Assuring confidentiality of the results

Q38. Describe the process that the district will use to resolve internal disputes or appeals, including, but not limited to, disputes concerning the mentoring module process; mentor-beginning teacher relationships, - including a process to dissolve placements, if necessary; module outcomes (if reviewed in-district); and, requests for special accommodations based on disabilities.

Dispute concerning the process will be made to the District Facilitator. A meeting will occur with mentor, beginning teacher and DF. The superintendent will be made aware as appropriate.
