Those persons eligible to serve as mentors for such programs shall hold a provisional educator certificate or a professional educator certificate pursuant to section 10-145s, and have at least three years teaching experience in Connecticut, including at least one year of experience in the district in which they are presently employed. The District Facilitator works with administrators and teacher leaders to identify teacher-mentor candidates. Areas in need of additional mentors are examined closely, as are teachers who have recently completed the statutory requirements and, often, their own TEAM reflection process.

Q18.

Assigning mentors to beginning teachers is a critical first step in providing support. Describe the criteria and process, including the timeline for assigning trained mentors to new teachers. How soon after a teacher is hired will the LEA assign a mentor?

Consider: matching beginning teachers and mentors based on subject areas, grade levels, proximity, and needs where possible when making an assignment.

Please Note: TEAM Guidelines state:

*A mentor **must** be assigned to all beginning teachers at the start of the school year or as soon as possible upon hire. It is strongly encouraged that mentors be matched and assigned to a beginning teacher within 30 days of the beginning teacher's hire date. The district is responsible for ensuring that all beginning teachers are assigned a mentor (p. 9).*

Beginning teachers shall satisfactorily complete instructional modules (classroom environment, planning instruction, instructing, assessing and professional responsibility). Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

Beginning teachers shall complete two modules in their first year in the program and three modules in their second year in the program, except as otherwise provided by the Commissioner of Education.

BTs and their mentors meet to complete the induction process collaboratively in October of each year. As the district often has only one or two BTs, this work is sometimes done on an individual basis.

Q27.

Describe how the LEA will ensure BTs know the consequences of not completing all TEAM requirements by their deadline date.

Teachers who do not successfully complete all five modules by the end of three years in TEAM for Category I teachers, and two modules within two years for Category II teachers, and who do not receive an approved extension of time, will not be eligible for an extension of their initial educator certificate and will not be eligible to advance to the provisional certificate. In such case, in order to earn eligibility for the reissuance of the initial educator certificate, the teacher would need to fulfill the requirements of intervening study and experience (Sec. 10-145f) as approved by the State Board of Education.

The DF monitors the TEAM Dashboard and meets individually with all BTs to discuss module progress. BTs and their mentors also receive quarterly progress updates and reminders of the consequences of not completing TEAM via email.

They are encouraged to seek professional supports, including release time for collaboration, professional learning, and visits to colleagues' classrooms. Every teacher in Old Saybrook also has a content area instructional leader whose primary role is to coach teachers in every stage of their careers, including beginning teachers. Above all, BTs are asked for their insight into what they think they need to complete their modules and all reasonable accommodations are made to support their self-identified needs.
