# Q6. Goals, Activities and Budget

Local and regional school districts shall develop a three-year teacher education and mentoring plan that incorporates the Department of Education's goals and instructional priorities, as well as any local considerations based on community and student needs. The plan shall include a statement of three-year objectives related to the state's goal statement for the teacher education and mentoring program.

The Mission of the TEAM Program: To promote excellence, equity and higher achievement for Connecticut students by engaging teachers in purposeful exploration of practice through guided support and personal reflection.

### The goals of the TEAM Program are to:

- Provide all beginning teachers with the support they need to develop as effective educators;
- Ease the beginning teacher's transition into the teaching profession in order to retain effective teachers;

- Develop teachers who are reflective practitioners, able to critically assess their practice against CT's teaching standards, and are committed to continuous professional learning;
- Cultivate an understanding of the professional responsibilities of an educator;
- Foster collaborative learning communities for all educators; and
- Provide excellent teachers the opportunity to develop as educational leaders.

Q7. List your district's three-year objectives related to the state's mission and goal statement for the Teacher Education And Mentoring Program.

(Consider: alignment to district/school initiatives related to teaching and learning; teacher retention, professional development, etc.)

Three-year objectives for TEAM beginning teachers: -Be assigned a TEAM trained mentor: -Be supported by colleagues and administrators; -Be
provided with information regarding support through state-wide workshops; -Attend New Teacher Orientation prior to the start of the school year; -Engag
in professional development in and out of district; -Observe teachers in and out of district; -Participate in the Module 5 Facilitated Conversation; -Access
learning communities offered in and out of district; and -Be encourage to become involved in leadership roles.

Q8. Local and regional boards of education shall:

- 1. ensure substitute teacher coverage for mentors and beginning teachers to participate in the activities and modules required in the three-year teacher education and mentoring plan;
- 2. communicate regularly with beginning teachers about training opportunities, state-wide workshops and support group work;
- 3. coordinate the teacher education and mentoring program and teacher evaluation and supervision program, provided they are kept separate;

6. su	bmit annual report on mentor-teacher activities to the superintendent or director for re	view and approval.

Data system

Module Five Facilitated Conversations are meant to raise teachers' level of awareness about responsible, professional behavior. Districts have the opportunity to select the facilitator for the discussion of the scenarios. It is recommended that the facilitator be knowledgeable about district policies and procedures as well as the Code of Professional Responsibility for Educators within the Common Core of Teaching. Facilitators could be the District Facilitators, Human Resource Directors, Building Administrators; Central Office Administrators; or Teacher Leaders.

# Q24. Mentors

Q12. Who will facilitate Module Five?

Local and regional boards of education shall develop a three-year teacher education and mentoring plan that includes a description of the process used to select mentors and assign them to beginning teachers, based on subject areas, grade levels, and needs; and a description of the process to ensure mentors are trained and updated in best practices and essential knowledge.

Those persons eligible to serve as mentors for such programs shall hold a provisional educator certificate or a professional educator certificate pursuant to section 10-145s, and have at least three years teaching experience in Connecticut, including at least one year of experience in the district in which they are presently employed. Retired certified teachers may also serve as mentors, provided they successfully complete a mentor training program.

Q17. Describe the criteria and process used to recruit and select mentors who meet the statutory criteria (see above).

Assigning mentors to beginning teachers is a critical first step in providing support. Describe the criteria and process, including the timeline for assigning trained mentors to new teachers. How soon after a teacher is hired will the LEA assign a mentor?

<u>Consider</u>: matching beginning teachers and mentors based on subject areas, grade levels, proximity, and needs where possible when making an assignment.

### Please Note: TEAM Guidelines state:

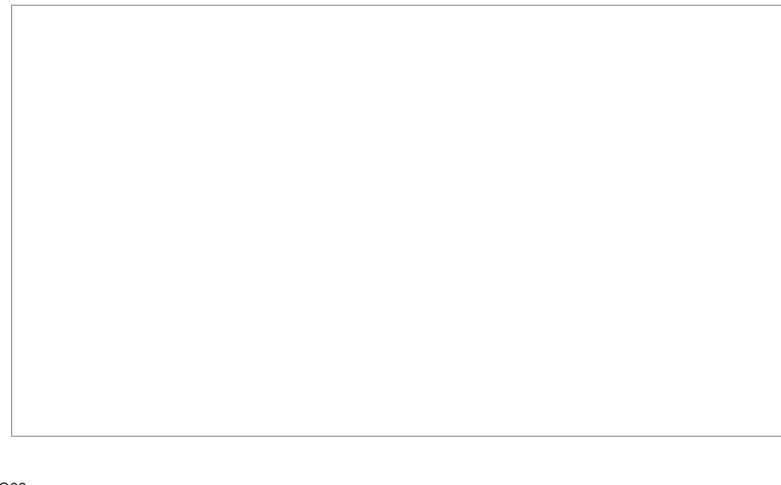

A mentor **must** be assigned to all beginning teachers at the start of the school year or as soon as possible upon hire. It is strongly encouraged that mentors be matched and assigned to a beginning teacher within 30 days of the beginning teacher's hire date. The district is responsible for ensuring that all beginning teachers are assigned a mentor (p. 9).

Q19. Beginning teachers are assigned a mentor within 30 days of hire.

Q22. Describe any additional professional development opportunities provided by the LEA to mentors to address further development of best practice and essential content knowledge. (Optional)

# Q32. Mentoring Hours

Each mentor shall provide fifty contact hours to each beginning teacher during the program, with the expectation of approximately ten contact hours per module.

### Q24.

Describe how your LEA will monitor the number of mentoring hours provided to each beginning teacher to ensure support hours are meeting the mandated requirements and a process for addressing possible issues during the year.

The District Facilitator will review Beginning Teacher and Mentor Meeting Logs monthly, acknowledge growth, and address any concerns with the beginning teacher and/or mentor.

# Q Beginning Teachers

Beginning teachers shall satisfactorily complete instructional modules (classroom environment, planning instruction, instructing, assessing and professional responsibility). Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

Beginning teachers shall complete two modules in their first year in the program and three modules in their second year in the program, except as otherwise provided by the Commissioner of Education.

#### Q26.

Describe how the LEA will orient all beginning teachers to the TEAM program (generally within 45 days from their first day in the classroom).

The TEAM Guidelines require all LEAs to provide an orientation to TEAM which includes, but is not limited to the following: an overview of the TEAM Program requirements, an introduction to TEAM, a review of the district's threeyear TEAM support plan, timelines for TEAM completion, including any district specific requirements, and a schedule for district-based support.

New Teacher Orientation will take place prior to the start of the school year and will include an orientation to the TEAM program. Beginning Teacher Timelines: Mentors and Beginning Teachers (BTs) will be notified of the following at the Year 1 BTs will complete Module 1 Classroom Environment by January 3 and Module 2 Planning by May 15 of the same year. Year 2 BTs will complete Module 3 Instruction by Nov. 30, Module 4 Assessment by March 30, and Module 5 by May 15. Year 3 BTs will be scheduled individually based upon their module completion needs. Teachers hired mid-year will work with District Facilitator to adjust schedules accordingly. Professional Growth Action Plans (PGAP): Beginning teachers will submit the PGAP to a TCC administrator, then meet with the administrator to discuss and review the plan. Support: A TCC administrator and/or the District Facilitator will facilitate discussions with the beginning teachers and mentors regarding professional growth activities and resources plus provide support related to the induction of the new teachers.

### Q27.

Describe how the LEA will ensure BTs know the consequences of not completing all TEAM requirements by their deadline date.

Teachers who do not successfully complete all five modules by the end of three years in TEAM for Category I teachers, and two modules within two years for Category II teachers, and who do not receive an approved extension of time, will not be eligible for an extension of their initial educator certificate and will not be eligible to advance to the provisional certificate. In such case, in order to earn eligibility for the reissuance of the initial educator certificate, the teacher would need to fulfill the requirements of intervening study and experience (Sec. 10-145f) as approved by the State Board of Education.

BTs will be informed of the consequences of not completing all TEAM requirements by their deadline on their 2 year support plan.

Q28.

Describe the process for monitoring beginning teachers are on track to complete TEAM by their deadline dates.

The DF/TCC will facilitate discussions with the BT and mentor regarding professional growth supports and resources in district and state wide.
231. Module Completion
reginning teachers shall satisfactorily complete five instructional modules (based on their teaching indorsement, some teachers will complete two instructional modules);
eginning teachers shall work with their mentors in developing a planned set of activities, based on the topics ffered within each instructional module.

For each instructional module, beginning teachers shall submit **a reflection paper or project**, to be signed by the mentor, that summarizes, describes or analyzes what has been learned by the beginning teacher and their students throughout the module and how the learning contributed to the development of such beginning teacher.

Q31. How will teachers demonstrate completion of each instructional module?

- Teachers will submit a reflection paper to demonstrate completion of each module.
- Teachers will submit a project to demonstrate completion of each module.

# Q51. Review of Modules

For each instructional module, beginning teachers shall **apply the knowledge gained** through such activities and describe how the activity **impacted student learning**.

PLEASE NOTE: Regardless of whether a district elects to review module completion in-district or participate in a regional review process, all reviewers must be trained prior to conducting reviews and participate in update training in subsequent years.

#### Review Criteria

For each instructional module, beginning teachers shall submit a reflection paper or project, to be signed by the mentor, that summarizes, describes or analyzes what has been learned by the beginning teacher and their students throughout the module and how the learning contributed to the development of such beginning teacher.

PLEASE NOTE: Regardless of whether a submits a reflection paper or a project, the review criteria is the same.
